Caucus Set Wednesday

Council Will Discuss How To Raise St. Clair Funds

Council will meet in caucus session Wednesday night at 7:30 to discuss raising the city's $200,000 share of a $400,000 St. Clair Ave. paving project — particularly various methods of levying special assessments against owners of abutting property.

Although Council agreed tentatively Aug. 15 on a flat $10-a-foot assessment for the 36-foot pavement between Princeton Ave. and the city limits, there have been many indications another compromise may be sought to make the job more palatable to some of the objecting property-owners.

—:—

COUNCIL discussed the project only briefly in a caucus meeting last night, then decided because of its scope it should be threshed over throughly at a special session.

Here are some of the factors that will guide the decision:

The Federal Bureau of Public Roads has promised to pay 50 per cent of the cost if the city builds a 36-foot pavement, but has indicated it will withdraw its aid if the surface is narrower—such as the 24-foot road some dissidents have suggested.

To assess the property-owners without a petition from them agreeing to the charge, six of the seven councilmen would have to vote favorably on the improvement. But if the property-owners file a petition agreeing to assume a portion of the cost, only four affirmative votes would be needed to make the improvement a reality.

—:—

ABOUT 30 St. Clair Ave. residents appeared before Council at its session Aug. 20, most of them opposing the improvement from one or more standpoints. They argued particularly against the need for a 36-foot pavement, declaring a 24-foot improvement would be sufficient. Some obviously were against the $10-a-foot assessment also.

Solicitor Joseph W. Cooper touched on various alternative ways of assessing the property-owners in a brief discussion with Council last night. But he said his remarks "just touched on" the problem because of time limitations.

In the past, virtually all assessments for sewer and street improvements have been divided equally on the basis of foot frontage, Cooper pointed out.

But the city also can levy an assessment on the basis of "benefits conferred" by the improvement, as was the case in a Fisher Park sanitary sewer project in the mid-1950's, Cooper said. In this method, the charge against one 100-foot lot might be more or less than the assessment on another property with the same frontage, he said.

—:—

THERE ALSO is the possibility of extending the assessment onto properties along abutting side streets "for a short distance," but there are many ramifications to this method, Cooper said.

"There are arguments for and against the 'benefit' method and

City Moves For Appeal To Prevent Vote On Tax

All 44 Killed In Crash Of SAC Plane

Jet Tanker Slams Into Mountainside In Spokane District

SPOKANE, Wash. (AP)—All 44 persons aboard a Strategic Air Command jet tanker plane apparently were killed when the KC135 plowed into a fog-shrouded ravine on 5,271-foot Mt. Kit Carson about 20 miles northeast of here Monday.

Thirty-three bodies had been recovered when nightfall halted the search of the 500-yard deep ravine.

"It's the worst sight I've ever seen," said a highway patrolman.

Aboard the plane were 39 Air Force men, all members of the 28th Bomb Wing at Ellsworth Air Force Base, S.D.; one civilian and four crewmen.

The tanker, based at Ellsworth, was carrying the airmen to Fairchild Air Force Base near here, where they were to stay while Ellsworth runways were repaired. The jet was only 10 minutes from its destination when it crashed.

Col. Floyd R. Cressman of Fairchild, one of the first to view the wreckage, said the pilot apparently tried to pull up the tanker at the last minute. Visibility was near zero at the time.

Two volunteer searchers and a son of one of them found the wreckage, guided by the smell of smoke.

Bert Smith, Irving Hamann and his son, Wayne, all from Spokane, started searching after they had heard a report the plane was missing and apparently down in the Mt. Spokane-Mt. Kit Carson area.

"We decided to work our way down the steep slope," said Smith. "And as we did, the smell of smoke got stronger.

"Finally, we came across the first of the wreckage. It was smashed to pieces. Then we saw three bodies on the ground—all badly burned."

Smith and Hamann went to the nearby ranch of Barbara Rainwater and telephoned officers.

"I'm glad we didn't look any farther than we did," Smith said. "I couldn't have looked any more."

Plane's Crash Claims Steubenville Resident

Capt. John J. Critser, 30, of Steubenville was aboard the Strategic Air Command jet tanker that crashed Monday near Spokane, Wash.

A radar navigator, he was stationed at Ellsworth Air Base near Rapid City, S. D., and was on a tour of duty to repair runways in Spokane. He leaves his mother, Mrs. Doris Critser, head nurse of the pediatrics department of Ohio Valley Hospital in Steubenville, his widow, and three sons, two brothers and a sister.

ARTHUR GOLDBERG, nominated as Supreme Court Justice by President Kennedy, is shown chatting with Sen. Paul Douglas, right, and Mrs. Goldberg today at Washington as the Senate Judiciary Committee began a hearing on the nomination. Quick approval of Goldberg as an associate justice was expected. Councilmen Promise Aid To Solicitor

Cooper, Applegate Issue Statements At Council Session

The city has filed notice in Common Pleas Court at Lisbon that it will appeal to the 7th District Court of Appeals from Judge Raymond S. Buzzard's ruling of Aug. 29 that ordered the municipal income tax question certified to the County Election Board for a vote at the Nov. 6 general election.

Solicitor Joseph W. Cooper made that announcement to Council Monday night in obtaining a promise he will be authorized to employ special counsel at a fee of not over $200 to help prepare the city's case for the appellate court.

The motion for employment of additional legal help was approved informally, 5-2, in a caucus session, with Councilmen Frank Duffy and Floyd Murray dissenting.

Entitled To Vote

Duffy and Murray took the position the public is entitled to vote on the question, initiated by Trades and Labor Council. Votes in favor of counsel for the appeal were cast by Councilmen George E. Willshaw, Robert W. Sample Jr., S. James Welch, Edward Massey and Kenneth C. Berg.

The first indication that the city planned an appeal came Aug. 31 when Cooper filed a request with Judge Buzzard asking the court to stipulate in writing the conclusions of fact and the conclusions of law that guided him in his decision.

City Auditor Lawrence C. Applegate, with whom the labor group's petitions were filed, had ruled them "insufficient" in early August. Finding allegedly faulty circulators' affidavits on four of the petitions, he ruled them out. That left Trades Council without enough signatures to meet the legal requirements for a ballot place.

Mandamus Move

Filing of the notice of appeal automatically will stay the lower court's order instructing the auditor to turn over a certified copy

Reds Say Cuba Attack May Bring Nuclear War

MOSCOW (AP) — The Soviet government warned the United States today that an attack on Cuba would be the beginning of a war that might turn into a world nuclear war.

In a statement read to a special Foreign Office news conference, the Soviet government accused the United States of staging provocations "which might plunge the world into the disaster of a universal world war with the use of thermonuclear weapons."

"One cannot now attack Cuba and expect that the aggression will be free from punishment for this attack," the statement continued. "If such an attack is made, this will be the beginning of unleashing war."

The statement appealed to the United States "to display common sense, not to lose its self-control and soberly to assess what its actions might lead to if it unleashes war."

It said the Soviets would not follow the path of the United States in calling up 150,000 reservists.

But the Soviet government, it continued, "considers it to be its duty to remain watchful in this situation and order the Defense Ministry as well as the command of the Soviet army to take all measures to put out fighting forces into the highest degree of fighting readiness.

"This is exclusively a precautionary measure. On our side we shall do everything not to violate peace."

The statement added an appeal to all nations to raise their voices against the alleged aggressive plans of the United States and to prevent the "American aggressors" from starting a war.

The statement declared that the Soviet Union is sending military supplies and military technicians to Cuba but is not establishing a base there.

"We state and we repeat," the statement said, "that if war is unleashed, if an aggressor attacks one or another state, and this state turns to us for help, then the Soviet Union has the possibility of giving aid from its own territory, to any peace loving state, and not only to Cuba.

"And let no one doubt that the Soviet Union will give such aid."

In the statement, the Soviet government also declared it wants a settlement of the Berlin question and a liquidation of the occupation regime in the divided city.

"The occupation regime must be liquidated, and it shall be liquidated," the statement said.

The Soviets hinted they are willing to wait until after the U.S. congressional elections in November. The statement noted that East-West talks on the Berlin crisis had paused recently.

"They say that it is difficult for the United States of America to

No Halt Seen For U2 Trips Across China

Red Chinese Blast Flights Again, But Receive No Answer

TOKYO (AP) — Red China scolded the United States loudly again today about the flight of the Chinese Nationalist U2 plane downed over the China mainland. But neither the Nationalists nor the U.S. government gave any indication they would halt Nationalist spy flights over Communist China.

Communist Chinese newspapers called the flight an intrusion and aggression. The downing of the craft over East China Sunday, they said, "should serve as a good lesson to the American aggressors."

In Washington, the State Department and the Chinese Nationalist Embassy declined comment. U2 flights over the Soviet Union were halted after pilot Francis Gary Powers was shot down in 1960, but there was no indication

Group Pushes Water Plans In Township

Plans to circulate a petition to establish a water service district in St. Clair Township were aired at a meeting of the Township Development Association Monday night at the Calcutta fire station.

A committee was named to further study the petition plan and will meet Monday night at the fire station. The committee includes Dean Wilhelm, chairman, Emil Dominick, John Duffy, Phil Miraglata, Joseph Coons and Mrs. Carl Pickering.

The petitions are to be presented to the Columbiana County commissioners in a bid to form a water district, in line with long considered plans to obtain improved water supply for the township areas.

At last night's meeting, the need for water supply and the declining water levels were aired. Dominick said a well of his which had been good for 22 years has gone dry, requiring re-drilling. Steward Snyder, president, reported some Glenmoor wells have dried up, and there have been eight well fail-

Tour Begun By President At Space Site

Kennedy Inspects Huntsville Center; Due At Canaveral

WASHINGTON (AP)—President Kennedy flew south today for a two-day look at operations aimed at overtaking the Soviet Union in space.

Heading first for Huntsville, Ala., where the big space boosters are under development, the presidential jet plane took off from Andrews Air Force Base, Md., at 10:03 a.m. EDT.

Kennedy's four-state tour is billed by the White House as a non-political business trip. The White House says it will enable him to examine work on space programs and prvoide background for consideration of next year's space budget.

Vice President Lyndon B. Johnson, Secretary of Defense Robert S. McNamara, Space Administrator James E. Webb and Congress members directly concerned with space programs are accompanying Kennedy.

The President's interest in U.S. booster capabilities was underscored by the first stop on his schedule — Huntsvile, Ala. He planned to visit Cape Canaveral, Fla., later in the day.

At Huntsville, where the Army and the National Aeronautics and Space Administration operate space development projects, Kennedy will view Saturn and Titan rockets.

Toronto Man Convicted Of Manslaughter

Clay Worker Given 1-20-Year Term In Shotgun Slaying

STEUBENVILLE — A verdict of first degree manslaughter was returned Monday afternoon in Jefferson County Common Pleas Court against a Toronto area clayworker charged with the shotgun slaying of a fellow townsman in February.

A panel of three judges reached the verdict at 4:17, after deliberating an hour and 19 minutes. The trial lasted four days.

The defendant, William Anderson, 58, was sentenced immediately to a term of 1-to-20 years of hard labor in the Ohio Penitentiary in Columbus.

Anderson, who had received probation for another slaying sev-

Cuba Claims 'Pirates' Fire On 2 Vessels

KEY WEST, Fla. (AP)—Havana radio said today a Cuban freighter and a British cargo ship have been attacked by what the broadcast labeled a pirate ship.

No mention was made of casualties or the extent of damage.

The broadcast, monitored in Key West, said the ships were fired on off the northern coast of Cuba, but did not specify the time.

The Cuban vessel, identified as the San Pascual, was hit 18 times and eight shots whistled through the crew's cabin, the radio said. The British ship, the name of which sounded like "New Land," took 13 hits, the Havana account said.

The British vessel may have

A-Tests Due Resumption Over Pacific

U.S. Says Series Will Continue After Schirra Orbit Shot

WASHINGTON (AP) — The United States has cleared the way for the resumption of atmospheric nuclear test explosions over the Pacific.

A spokesman for the Atomic Energy Commission said Monday night the tests probably will resume later this month or early in October. He indicated, however, that there probably would be no detonation until after Sept. 28, the date set for the six-orbit flight of astronaut Walter M. Schirra Jr.

Fugitive, 61, Claimed

Death Gives Spy Soblen Release From Life Term

LONDON (AP) — Fugitive spy Robert A. Soblen died in a London hospital today and escaped the life sentence that awaited him in a U.S. federal prison for wartime espionage for the Soviet Union.

Soblen died in Hillingdon Hospital, where he had lain unconscious since last Thursday. He had taken an overdose of barbiturates just before he was removed from Brixton Prison for deportation to the United States.

Dr. Cyril Barnes, who was in charge of Soblen's treatment, told newsmen Soblen's death was due not to the drugs he had taken but rather to "exhaustion following convulsions and damage to the brain, presumably caused by hemorrhage."

Barnes explained that Soblen had taken a quick-acting barbiturate and "it had been eliminated from the body chemically 24 hours before death."

Barnes said Soblen's wife, Dr. Dina Soble, a psychiatrist like her husband, was at his bedside when he died. She flew to London and had been at the hospital with him since Friday.

"Just before 10 a.m. there was a severe turn for the worse," Barnes said. "Death did not occur suddenly, but came as his strength gradually failed."

Later, Soblen's wife was admitted to the hospital as a patient. A spokesman said she was being treated for shock.

The death of the 61-year-old New York psychiatrist ended a 10-week battle to escape deportation to the United States, where he faced a life sentence as a wartime spy for the Soviet Union.

Soblen took an overdose of barbiturates apparently just before he was put in an ambulance last Thursday to be taken to a plane for the United States.

En route to London Airport he lapsed into unconsciousness in the

Grand Jurors Begin Studies

Panel Delays Jail Inspection To Last

LISBON—The September Grand Jury, sworn in this morning by Common Pleas Court Judge Raymond S. Buzzard, is operating on a different schedule than previous panels.

Instead of starting with an inspection of the Columbiana County Jail, the jury began to investigate criminal cases with prosecuting Atty. G. William Brokaw.

He called 15 witnesses in eight cases for today, and 13 witnesses in 16 cases for Wednesday.

After completing investigations Thursday, the jury will inspect the jail while its report is being typed for presentation to Judge Buzzard.

William E. Kaiser, 1955 St. Clair Ave., East Liverpool, was named jury foreman. He is a real estate broker and former councilman.

The panel of seven women and eight men include;

Vance Andrews, 1819 St. Clair Ave.; Carlos Deemer, 906 Montgomery Ave.; Vera Hays and William Treleven, R. D. 2, and Burdene Chase, M.C. Route 22, all of East Liverpool.

Ella Faulkner, Alta E. Peterson and Arch Wentz, Salem.

Frank Apple, 716 Sunset Dr., Julia Jackson, 325 Sherman St., John Steffen, R. D. 2, and Sandra Murphy, R. D. 3, all Lisbon; Elsie McConnville, New Waterford, and James N. Campbell, Columbiana.

Director To Act Soon On Job At Incinerator

Safety-Service Director Robert Owen said today he expects to act shortly on appointment of a new incinerator department superintendent from a list of three names certified to him Friday by the Municipal Civil Service Commission.

Owen said he definitely will act by Monday on filling the vacancy, as it is the end of the statutory 10-day limit fixed by law. He explained he has 10 days to act following certification of the list.

The commission certified the list based on an exam it held Aug. 22 to fill the post vacated by the death of James A. McKinnon. The top spots are held by John A. Melvin, 1200 Jennings Ave., Clifford J. Cooper, 840 St. George St., and James Nottingham, 721 North St.

Biggest 1962 Primary

Voters In 9 States Pick Party Candidates Today

By The Associated Press

New Hampshire's blistering four-way race for a Republican senatorial nomination and nominating campaigns in eight other states come to an end today as voters make their choice in primary elections.

The biggest primary day of the year will see candidates nominated for 39 House seats, eight Senate seats and six governorships in New Hampshire, Vermont, Rhode Island, Wisconsin, Minnesota, Utah, Washington, Arizona and Colorado.

Georgia Democrats Wednesday ballot for governor, senator and 10 House members.

Most of the attention has been focused on New Hampshire, where four candidates have been seeking the GOP nomination for the remaining four years of the late Sen. Styles Bridges' term.

The candidates:

Sen. Maurice J. Murphy Jr., conservative former state attorney general who was appointed to serve out this session by Gov. Wesley Powell.

Doloris Bridges, the late senator's widow, who has campaigned strongly on a conservative platform featuring opposition to the U.N. bond issue and trade program proposed by President Kennedy.

Rep. Perkins Bass, a self-styled moderate who has supported the President on foreign trade and foreign affairs.

Rep. Chester E. Merrow, a lib-

Schirra Gets 3-Day Delay In Orbit Trip

CAPE CANAVERAL, Fla. (AP) —Astronaut Walter M. Schirra Jr.'s intended six-orbit flight around the globe has been delayed three days until Sept. 28 to permit further time for preparation.

The decision came Monday after Project Mercury officials evaluated the readiness of all aspects. It was reported unofficially that the primary Pacific tracking ship, the Rose Knot, was not ready.

The Atlas booster rocket and Schirra's spacecraft were reported in excellent condition. They were joined together on pad No. 14 Monday and extensive compatibility checks were begun.

Schirra continued training here

(Turn to SCHIRRA, Page 9)

Wellsville's Health Commissioner Quits

Dr. Gustave A. Peller has resigned as health commissioner at Wellsville and the Board of Health is seeking another physician to fill the vacancy. Dr. Peller submitted his verbal resignation at the last meeting of the Board of Health, and moved to Avon-on-the-Lake near Cleveland. Dr. Peller recently opened a new office at 4th St. and Broadway.

John Grafton, chairman, said the board is seeking another commissioner. The post pays approximately $1,000 a year. If a candidate is found, the board will hold a special meeting before its regular meeting Sept. 27, Grafton said.

Caucus Set Wednesday

Council Will Discuss How To Raise St. Clair Funds

Council will meet in caucus session Wednesday night at 7:30 to discuss raising the city's $200,000 share of a $400,000 St. Clair Ave. paving project — particularly various methods of levying special assessments against owners of abutting property.

Although Council agreed tentatively Aug. 15 on a flat $10-a-foot assessment for the 36-foot pavement between Princeton Ave. and the city limits, there have been many indications another compromise may be sought to make the job more palatable to some of the objecting property-owners.

—:—

COUNCIL discussed the project only briefly in a caucus meeting last night, then decided because of its scope it should be threshed over throughly at a special session.

Here are some of the factors that will guide the decision:

The Federal Bureau of Public Roads has promised to pay 50 per cent of the cost if the city builds a 36-foot pavement, but has indicated it will withdraw its aid if the surface is narrower—such as the 24-foot road some dissidents have suggested.

To assess the property-owners without a petition from them agreeing to the charge, six of the seven councilmen would have to vote favorably on the improvement. But if the property-owners file a petition agreeing to assume a portion of the cost, only four affirmative votes would be needed to make the improvement a reality.

—:—

ABOUT 30 St. Clair Ave. residents appeared before Council at its session Aug. 20, most of them opposing the improvement from one or more standpoints. They argued particularly against the need for a 36-foot pavement, declaring a 24-foot improvement would be sufficient. Some obviously were against the $10-a-foot assessment also.

Solicitor Joseph W. Cooper touched on various alternative ways of assessing the property-owners in a brief discussion with Council last night. But he said his remarks "just touched on" the problem because of time limitations.

In the past, virtually all assessments for sewer and street improvements have been divided equally on the basis of foot frontage, Cooper pointed out.

But the city also can levy an assessment on the basis of "benefits conferred" by the improvement, as was the case in a Fisher Park sanitary sewer project in the mid-1950's, Cooper said. In this method, the charge against one 100-foot lot might be more or less than the assessment on another property with the same frontage, he said.

—:—

THERE ALSO is the possibility of extending the assessment onto properties along abutting side streets "for a short distance," but there are many ramifications to this method, Cooper said.

"There are arguments for and against the 'benefit' method and

All 44 Killed In Crash Of SAC Plane

Jet Tanker Slams Into Mountainside In Spokane District

SPOKANE, Wash. (AP)—All 44 persons aboard a Strategic Air Command jet tanker plane apparently were killed when the KC135 plowed into a fog-shrouded ravine on 5,271-foot Mt. Kit Carson about 20 miles northeast of here Monday.

Thirty-three bodies had been recovered when nightfall halted the search of the 500-yard deep ravine.

"It's the worst sight I've ever seen," said a highway patrolman.

Aboard the plane were 39 Air Force men, all members of the 28th Bomb Wing at Ellsworth Air Force Base, S.D.; one civilian and four crewmen.

The tanker, based at Ellsworth, was carrying the airmen to Fairchild Air Force Base near here, where they were to stay while Ellsworth runways were repaired. The jet was only 10 minutes from its destination when it crashed.

Col. Floyd R. Cressman of Fairchild, one of the first to view the wreckage, said the pilot apparently tried to pull up the tanker at the last minute. Visibility was near zero at the time.

Two volunteer searchers and a son of one of them found the wreckage, guided by the smell of smoke.

Bert Smith, Irving Hamann and his son, Wayne, all from Spokane, started searching after they had heard a report the plane was missing and apparently down in the Mt. Spokane-Mt. Kit Carson area.

"We decided to work our way down the steep slope," said Smith. "And as we did, the smell of smoke got stronger.

"Finally, we came across the first of the wreckage. It was smashed to pieces. Then we saw three bodies on the ground—all badly burned."

Smith and Hamann went to the nearby ranch of Barbara Rainwater and telephoned officers.

"I'm glad we didn't look any farther than we did," Smith said. "I couldn't have looked any more."

Plane's Crash Claims Steubenville Resident

Capt. John J. Critser, 30, of Steubenville was aboard the Strategic Air Command jet tanker that crashed Monday near Spokane, Wash.

A radar navigator, he was stationed at Ellsworth Air Base near Rapid City, S. D., and was on a tour of duty to repair runways in Spokane. He leaves his mother, Mrs. Doris Critser, head nurse of the pediatrics department of Ohio Valley Hospital in Steubenville, his widow, and three sons, two brothers and a sister.

Councilmen Promise Aid To Solicitor

Cooper, Applegate Issue Statements At Council Session

The city has filed notice in Common Pleas Court at Lisbon that it will appeal to the 7th District Court of Appeals from Judge Raymond S. Buzzard's ruling of Aug. 29 that ordered the municipal income tax question certified to the County Election Board for a vote at the Nov. 6 general election.

Solicitor Joseph W. Cooper made that announcement to Council Monday night in obtaining a promise he will be authorized to employ special counsel at a fee of not over $200 to help prepare the city's case for the appellate court.

The motion for employment of additional legal help was approved informally, 5-2, in a caucus session, with Councilmen Frank Duffy and Floyd Murray dissenting.

Entitled To Vote

Duffy and Murray took the position the public is entitled to vote on the question, initiated by Trades and Labor Council. Votes in favor of counsel for the appeal were cast by Councilmen George E. Willshaw, Robert W. Sample Jr., S. James Welch, Edward Massey and Kenneth C. Berg.

The first indication that the city planned an appeal came Aug. 31 when Cooper filed a request with Judge Buzzard asking the court to stipulate in writing the conclusions of fact and the conclusions of law that guided him in his decision.

City Auditor Lawrence C. Applegate, with whom the labor group's petitions were filed, had ruled them "insufficient" in early August. Finding allegedly faulty circulators' affidavits on four of the petitions, he ruled them out. That left Trades Council without enough signatures to meet the legal requirements for a ballot place.

Mandamus Move

Filing of the notice of appeal automatically will stay the lower court's order instructing the auditor to turn over a certified copy

Kennedy Inspects Huntsville Center; Due At Canaveral

WASHINGTON (AP)—President Kennedy flew south today for a two-day look at operations aimed at overtaking the Soviet Union in space.

Heading first for Huntsville, Ala., where the big space boosters are under development, the presidential jet plane took off from Andrews Air Force Base, Md., at 10:03 a.m. EDT.

Kennedy's four-state tour is billed by the White House as a non-political business trip. The White House says it will enable him to examine work on space programs and prvoide background for consideration of next year's space budget.

Vice President Lyndon B. Johnson, Secretary of Defense Robert S. McNamara, Space Administrator James E. Webb and Congress members directly concerned with space programs are accompanying Kennedy.

The President's interest in U.S. booster capabilities was underscored by the first stop on his schedule — Huntsvile, Ala. He planned to visit Cape Canaveral, Fla., later in the day.

At Huntsville, where the Army and the National Aeronautics and Space Administration operate space development projects, Kennedy will view Saturn and Titan rockets.

Toronto Man Convicted Of Manslaughter

Clay Worker Given 1-20-Year Term In Shotgun Slaying

STEUBENVILLE — A verdict of first degree manslaughter was returned Monday afternoon in Jefferson County Common Pleas Court against a Toronto area clayworker charged with the shotgun slaying of a fellow townsman in February.

A panel of three judges reached the verdict at 4:17, after deliberating an hour and 19 minutes. The trial lasted four days.

The defendant, William Anderson, 58, was sentenced immediately to a term of 1-to-20 years of hard labor in the Ohio Penitentiary in Columbus.

Anderson, who had received probation for another slaying sev-

Director To Act Soon On Job At Incinerator

Safety-Service Director Robert Owen said today he expects to act shortly on appointment of a new incinerator department superintendent from a list of three names certified to him Friday by the Municipal Civil Service Commission.

Owen said he definitely will act by Monday on filling the vacancy, as it is the end of the statutory 10-day limit fixed by law. He explained he has 10 days to act following certification of the list.

The commission certified the list based on an exam it held Aug. 22 to fill the post vacated by the death of James A. McKinnon. The top spots are held by John A. Melvin, 1200 Jennings Ave., Clifford J. Cooper, 840 St. George St., and James Nottingham, 721 North St.

Cuba Claims 'Pirates' Fire On 2 Vessels

KEY WEST, Fla. (AP)—Havana radio said today a Cuban freighter and a British cargo ship have been attacked by what the broadcast labeled a pirate ship.

No mention was made of casualties or the extent of damage.

The broadcast, monitored in Key West, said the ships were fired on off the northern coast of Cuba, but did not specify the time.

The Cuban vessel, identified as the San Pascual, was hit 18 times and eight shots whistled through the crew's cabin, the radio said. The British ship, the name of which sounded like "New Land," took 13 hits, the Havana account said.

The British vessel may have

A-Tests Due Resumption Over Pacific

U.S. Says Series Will Continue After Schirra Orbit Shot

WASHINGTON (AP) — The United States has cleared the way for the resumption of atmospheric nuclear test explosions over the Pacific.

A spokesman for the Atomic Energy Commission said Monday night the tests probably will resume later this month or early in October. He indicated, however, that there probably would be no detonation until after Sept. 28, the date set for the six-orbit flight of astronaut Walter M. Schirra Jr.

Biggest 1962 Primary

Voters In 9 States Pick Party Candidates Today

By The Associated Press

New Hampshire's blistering four-way race for a Republican senatorial nomination and nominating campaigns in eight other states come to an end today as voters make their choice in primary elections.

The biggest primary day of the year will see candidates nominated for 39 House seats, eight Senate seats and six governorships in New Hampshire, Vermont, Rhode Island, Wisconsin, Minnesota, Utah, Washington, Arizona and Colorado.

Georgia Democrats Wednesday ballot for governor, senator and 10 House members.

Most of the attention has been focused on New Hampshire, where four candidates have been seeking the GOP nomination for the remaining four years of the late Sen. Styles Bridges' term.

The candidates:

Sen. Maurice J. Murphy Jr., conservative former state attorney general who was appointed to serve out this session by Gov. Wesley Powell.

Doloris Bridges, the late senator's widow, who has campaigned strongly on a conservative platform featuring opposition to the U.N. bond issue and trade program proposed by President Kennedy.

Rep. Perkins Bass, a self-styled moderate who has supported the President on foreign trade and foreign affairs.

Rep. Chester E. Merrow, a lib-

Schirra Gets 3-Day Delay In Orbit Trip

CAPE CANAVERAL, Fla. (AP) —Astronaut Walter M. Schirra Jr.'s intended six-orbit flight around the globe has been delayed three days until Sept. 28 to permit further time for preparation.

The decision came Monday after Project Mercury officials evaluated the readiness of all aspects. It was reported unofficially that the primary Pacific tracking ship, the Rose Knot, was not ready.

The Atlas booster rocket and Schirra's spacecraft were reported in excellent condition. They were joined together on pad No. 14 Monday and extensive compatibility checks were begun.

Schirra continued training here

Fugitive, 61, Claimed

Death Gives Spy Soblen Release From Life Term

LONDON (AP) — Fugitive spy Robert A. Soblen died in a London hospital today and escaped the life sentence that awaited him in a U.S. federal prison for wartime espionage for the Soviet Union.

Soblen died in Hillingdon Hospital, where he had lain unconscious since last Thursday. He had taken an overdose of barbiturates just before he was removed from Brixton Prison for deportation to the United States.

Dr. Cyril Barnes, who was in charge of Soblen's treatment, told newsmen Soblen's death was due not to the drugs he had taken but rather to "exhaustion following convulsions and damage to the brain, presumably caused by hemorrhage."

Barnes explained that Soblen had taken a quick-acting barbiturate and "it had been eliminated from the body chemically 24 hours before death."

Barnes said Soblen's wife, Dr. Dina Soble, a psychiatrist like her husband, was at his bedside when he died. She flew to London and had been at the hospital with him since Friday.

"Just before 10 a.m. there was a severe turn for the worse," Barnes said. "Death did not occur suddenly, but came as his strength gradually failed."

Later, Soblen's wife was admitted to the hospital as a patient. A spokesman said she was being treated for shock.

The death of the 61-year-old New York psychiatrist ended a 10-week battle to escape deportation to the United States, where he faced a life sentence as a wartime spy for the Soviet Union.

Soblen took an overdose of barbiturates apparently just before he was put in an ambulance last Thursday to be taken to a plane for the United States.

En route to London Airport he lapsed into unconsciousness in the

Wellsville's Health Commissioner Quits

Dr. Gustave A. Peller has resigned as health commissioner at Wellsville and the Board of Health is seeking another physician to fill the vacancy. Dr. Peller submitted his verbal resignation at the last meeting of the Board of Health, and moved to Avon-on-the-Lake near Cleveland. Dr. Peller recently opened a new office at 4th St. and Broadway.

John Grafton, chairman, said the board is seeking another commissioner. The post pays approximately $1,000 a year. If a candidate is found, the board will hold a special meeting before its regular meeting Sept. 27, Grafton said.

Grand Jurors Begin Studies

Panel Delays Jail Inspection To Last

LISBON—The September Grand Jury, sworn in this morning by Common Pleas Court Judge Raymond S. Buzzard, is operating on a different schedule than previous panels.

Instead of starting with an inspection of the Columbiana County Jail, the jury began to investigate criminal cases with prosecuting Atty. G. William Brokaw.

He called 15 witnesses in eight cases for today, and 13 witnesses in 16 cases for Wednesday.

After completing investigations Thursday, the jury will inspect the jail while its report is being typed for presentation to Judge Buzzard.

William E. Kaiser, 1955 St. Clair Ave., East Liverpool, was named jury foreman. He is a real estate broker and former councilman.

The panel of seven women and eight men include;

Vance Andrews, 1819 St. Clair Ave.; Carlos Deemer, 906 Montgomery Ave.; Vera Hays and William Treleven, R. D. 2, and Burdene Chase, M.C. Route 22, all of East Liverpool.

Ella Faulkner, Alta E. Peterson and Arch Wentz, Salem.

Frank Apple, 716 Sunset Dr., Julia Jackson, 325 Sherman St., John Steffen, R. D. 2, and Sandra Murphy, R. D. 3, all Lisbon; Elsie McConnville, New Waterford, and James N. Campbell, Columbiana.

Council Will Air Building's Delay

A delay of over two and a half years in construction of a proposed building to house city incinerator department equipment is scheduled for a full-dress review at an extra caucus session of City Council Wednesday night.

The question was placed on the agenda Monday night after Council received a letter from the Boyd Lumber Co. of Glenmoor, which was awarded a $9,642 contract for the structure on Dec. 31, 1959, the last day in office for the administration of former Mayor Fred P. Lawrence.

—:—

BOYD requested that the city "proceed immediately with this contract or reimburse" his company for its "time, trouble and expense."

Boyd's letter asserted that his company started to erect the building at the landfill dump in Bloomfield early in 1960 "but the new service-safety director and two or three of the newly-elected councilmen appeared on the scene and requested that the work be held up until the newly - elected mayor was able to leave the hospital and assume the duties of his office."

"The request was granted but the city has continually stalled," Boyd's letter added. His reference to the "newly-elected mayor" referred to Mayor Bert H. Goodballet, who succeeded Lawrence. Goodballet was hospitalized in the early days of his first term. The "new service-safety director" at that time was the late Lee Copenhaver. The councilmen concerned left office at the end of 1961.

—:—

AFTER BOYD'S letter was read, Council decided to discuss the question at its caucus Wednesday, which had been set previously to air other questions.

"The money has been appropriated and lying in the fund since 1959," Councilman George Willshaw said.

"I think it is important to have a garage for our city equipment," he said. "A special Council investigating committee recommended in February that the building be erected and asked the administration to proceed as soon as possible."

The investigating committee was comprised of Willshaw and Councilmen S. James Welch and Floyd Murray.

The committee found the old incinerator building at the foot of Washington St. "in deplorable condition," Welsh said. The old structure is used for storing trucks.

—:—

"WE RECOMMENDED that the new building be built at the landfill dump," Welch said. "It's been hanging fire for a long time. It seems like a football. I feel it was time something was done one way or the other."

Murray pointed out he understood there was a "debate" on where the building should be located. Both the landfill site and city-owned property on E. 2nd St. were mentioned as locations, he said.

"I don't think anyone feels we don't need the building," he said. But there were arguments the landfill's use would be discontinued in 10 years and the building then would be in an out-of-the-way location, he said. And when the 2nd St. site was mentioned, there were reports it was intended for a playground site, he said.

"The employes don't have a place to change clothes or take a shower," Councilman Edward Massey said. "I think we should find a place to put it before cold weather."

—:—

REPLYING, Safety - Service Director Robert Owen said "all the blame can't be placed on the administration" for the delay in construction.

The contract price covers "only the shell" of the building, Owen said. He estimated $6,000 more would be required to provide lockers, toilets, showers and office space. The additional cost will be higher if the building is erected at the Bloomfield dump, as gas and water service will have to be provided in the out-of-the-way spot, he said.

"We're trying to determine now if we can hook onto a city water line at Oakmont or drill a well," Owen said. He said a site has been picked for a well, but a question has arisen if it is on city-owned land. He asked an appropriation of $150 to make a survey to pinpoint the well site and find if it is on city-owned ground.

"The project has been held up for many different reasons," Owen concluded.

In its session Wednesday night, Council also will discuss its reply to the Ohio Valley Gas Co. on a new proposal for a rate increase which the utility presented Aug. 20.

—:—

THE PROPOSAL was the latest in a series of compromises offered by the utility in its negotiations with Council, extending back over a period of more than 14 months.

Querying Council last night on its decision, Solicitor Joseph W. Cooper said the latest proposal amounts to about 50 per cent of the boost the company sought originally. It provides for a monthly minimum of $2.65, the same as at present, he added.

The proposal includes a four-year contract, which means the city's gas rates would be "firm" for four years, the solicitor added. If the firm goes to the Public Utilities Commission with its request, the maximum length of the rate's effectiveness would be two years, he said.

As the discussion ended, Cooper promised to furnish Council with copies of data he has received from the utility to aid the members in reaching a decision.

At the session Wednesday, Council also will consider legislation agreeing to co-operate in a countywide Civil Defense organization. The decision was taken after a conference with Al Rutecki of Lisbon, county CD director, and Herbert Combs, city director.

—:—

RUTECTKI TOLD Council about six cities and villages and approximately nine townships already have agreed to participate in the mutual aid organization. It involves no financial outlay for the city, he said.

Referring to a previous request for legislation to require property-owners to clear weeds from vacant lots, Cooper told Council the authority for the action already is covered in state law. A city ordinance already exists to require removal of ponds of stagnant water — another piece of legislation which had been requested, the solicitor said.

Council President Charles N. Edwards' mention of the traffic hazards at a ramp at Ravine St. and Pennsylvania Ave. was referred to the newly - reactivated City Traffic Commission.

Earl Rollins of Ravine St. appeared to ask about a claim he filed against the city for alleged water damage to his property. Massey, chairman of the claims committee, said the water department denied that Rollins had a legitimate claim against the city. He referred Rollins to Water Supt. Donald Duke.

—:—

LEGISLATION was requested for the meeting next Monday night authorizing a $5,000 expenditure by the Board of Public Utilities to install 1,500 feet of new 8-inch main on Grant St. between St. Clair Ave. and Dresden Ave. to improve water service along W. 9th St. The need for the project was explained in a letter from W. O. Schneider, chairman of the board.

Council filed a letter from Mrs. Beryl Lightner thanking the city for recent installation of a new streetlight at McKinnon and Perry Aves.

Approval was granted a request from Fire Chief Charles Bryan for a $150 appropriation to cover his expenses while attending the convention of the International Association of Fire Chiefs Sept. 23-27 at Toronto, Canada.

Legislation was requested to abandon a section of Greenwood Ave., an unused alley linked to W. 9th St. in the freeway construction area.

Councilman Frank Duffy questioned Councilman Kenneth C. Berg, a street committee member, about unmetered parking space alongside the Sayre Electric Co. on E. 4th St.

Berg said his investigation shows the firm does not pay a fee for the space.

BUT WHEN ON OF its vehicles is tagged for overtime in the truck loading zones, the firm pays the penalty at the "Meter Maid" office, Berg added.

Owen told Council the unmetered space in "classed as a driveway" and the firm's trucks drive over the spot to its loading dock. Murray said he is not in favor of any action that would "drive business out of town."

Murray reported his planning committee met last week with a committee representing the local branch of the National Association for the Advancement of Colored People to discuss appointment of a local Civil Rights Commission. Another meeting is set late this week or next week, he said.

Welch said he inspected Pleasant Heights and Fisher Park streets included in the low - cost street surfacing program and was "well - pleased" with the work. He said he has not discussed the program with Gardendale residents because a sewer project is scheduled to start in that area in a month or two. Improving the streets now would mean the new surfaces might have to be torn up soon for the sewer project, he said.

—:—

WILLSHAW recommended changes in the new traffic light system at W. 6th and Jefferson Sts. to protect school children.

At present, the signal shows a green light and a "green arrow" to southbound Jefferson St. traffic, allowing the cars to proceed directly through the intersection or turn left onto W. 6th, he said.

But children crossing the south side of the intersection see a red light and assume the way is clear for them — not knowing that the signal on the opposite side is green, Willshaw said. He said three children narrowly escaped injury at the corner in the week since school opened.

Council directed Owen to change the signal to protect the children or remove it, if necessary, if the control cannot be altered. He was asked to place a guard at the intersection until the changes have been made in the light.

The session opened with invocation by Edwards.

Cleveland Boy Killed In Car Theft Promise

CLEVELAND (AP)—A 13-year-old boy who told his father he was going to steal a car was killed early today when the stolen vehicle he was driving collided with another auto.

The boy, Bobby Young, was pronounced dead at Forest City Hospital.

The driver of the other car, William Hollman, 39, suffered lacerations. A parked car also was damaged.

Police quoted the boy's father as saying the boy told him Monday night he was going to steal a car, but that nobody took him seriously.

The auto was stolen from a neighbor, and police said it had faulty brakes.

Hollman suffered lacerations.

Death Takes Pioneer Of U.S. Car Industry

WEST PALM BEACH, Fla. (AP)—Rollin Henry White, 90, a steam automobile pioneer, died Monday.

White's forebears organized the White Sewing Machine Co. and sold to Smith & Wesson, pistolmakers, patents which enabled the Springfield, Mass., firm to become the first in the field with cartridge handguns.

White, who retired in 1944 from Cleveland Motors, leaves a son, Rollin Jr., and a daughter, Mrs. W. Griffin King, both of Cleveland.

Mrs. Ruth Bryan Rhode, who was appointed Minister to Denmark in 1933, was the first woman diplomatic representative from the United States.

Firemen Air Truck Plans

Calcutta volunteer firemen continued to plan purchase of a new fire truck at Monday night's meeting in the fire hall, with 22 present. Dale Horger, president, presided.

Committees for the department's new truck fund have been asked to turn in all donations. Calcutta area residents not contacted for funds were requested to turn in donations to firemen at the hall.

Officers of the department have been named as a committee to draft a list of specifications to be used in ordering the new vehicle, which will cost about $19,000.

The list of specifications, its tires, motor, pumps and chassis, along with hose of various size, will be voted on by firemen at a special meeting. Date of the special meeting will be announced Monday night.

The committee includes Chief Laverne Seckman, Richard Wright, assistant chief, Robert White, captain, and Robert McCormack and Robert Dunn, lieutenants.

Firemen have been told by various fire equipment manufacturers that there is a waiting period of five to six months between order and delivery date for a new truck.

It was announced that the Tri-State Firemen's Association will meet at the Liverpool Township East station in Dixonville Sept. 26.

Next meeting is Monday night.

Wittenberg Picks Faculty Member

SPRINGFIELD, Ohio (AP) — For the first time in almost 60 years, Wittenberg University's board of directors has chosen a member of the faculty to be president of the university.

He is Dr. John N. Stauffer, 47, who came to the Springfield campus in 1947 as an assistant professor of psychology and who became university dean five years ago.

Stauffer becomes president next July 1. Dr. Clarence C. Stoughton, president since 1949, will be 68—Wittenberg's retirement age—in February.

The president-elect will be the ninth to hold the office at Wittenberg, but only the second in the university's 118-year history who is not a minister. The last Wittenberg president selected from the faculty ranks took office in 1903.

Ford's Activity Seen Start Of 1963 Output

DETROIT (AP) — Activity at Ford Motor Co. plants in Lorain, Ohio, and Wixom, Mich., during the weekend indicates start of an all-out effort to supply dealers with 1963 model autos, industry observers feel.

Both plants worked Saturday on an overtime basis to catch up from the Labor Day holiday.

Death Takes Pioneer Of U.S. Car Industry

WEST PALM BEACH, Fla. (AP)—Rollin Henry White, 90, a steam automobile pioneer, died Monday.

White's forebears organized the White Sewing Machine Co. and sold to Smith & Wesson, pistol-makers, patents which enabled the Springfield, Mass., firm to become the first in the field with cartridge handguns.

White, who retired in 1944 from Cleveland Motors, leaves a son, Rollin Jr., and a daughter, Mrs. W. Griffin King, both of Cleveland.

Mrs. Ruth Bryan Rhode, who was appointed Minister to Denmark in 1933, was the first woman diplomatic representative from the United States.

Firemen Air Truck Plans

Calcutta volunteer firemen continued to plan purchase of a new fire truck at Monday night's meeting in the fire hall, with 22 present. Dale Horger, president, presided.

Committees for the department's new truck fund have been asked to turn in all donations. Calcutta area residents not contacted for funds were requested to turn in donations to firemen at the hall.

Officers of the department have been named as a committee to draft a list of specifications to be used in ordering the new vehicle, which will cost about $19,000.

The list of specifications, its tires, motor, pumps and chassis, along with hose of various size, will be voted on by firemen at a special meeting. Date of the special meeting will be announced Monday night.

The committee includes Chief Laverne Seckman, Richard Wright, assistant chief, Robert White, captain, and Robert McCormack and Robert Dunn, lieutenants.

Firemen have been told by various fire equipment manufacturers that there is a waiting period of five to six months between order and delivery date for a new truck.

It was announced that the Tri-State Firemen's Association will meet at the Liverpool Township East station in Dixonville Sept. 26.

Next meeting is Monday night.

Wittenberg Picks Faculty Member

SPRINGFIELD, Ohio (AP) — For the first time in almost 60 years, Wittenberg University's board of directors has chosen a member of the faculty to be president of the university.

He is Dr. John N. Stauffer, 47, who came to the Springfield campus in 1947 as an assistant professor of psychology and who became university dean five years ago.

Stauffer becomes president next July 1. Dr. Clarence C. Stoughton, president since 1949, will be 68—Wittenberg's retirement age—in February.

The president-elect will be the ninth to hold the office at Wittenberg, but only the second in the university's 118-year history who is not a minister. The last Wittenberg president selected from the faculty ranks took office in 1903.

Ford's Activity Seen Start Of 1963 Output

DETROIT (AP) — Activity at Ford Motor Co. plants in Lorain, Ohio, and Wixom, Mich., during the weekend indicates start of an all-out effort to supply dealers with 1963 model autos, industry observers feel.

Both plants worked Saturday on an overtime basis to catch up from the Labor Day holiday.

OGILVIE'S

Effective Oct. 1

Wellsville Board Votes Time Shift

The Wellsville Board of Education Monday night voted to return the school system to Eastern Standard Time effective Monday, Oct. 1.

This will be for classroom activity only. All other outside activities, such as sports events, danes, etc., will remain on Daylight Saving Time.

Richard Grills and William Ferrall, board members, abstained from voting. Favoring the motion were Russell Dysert, Charles Glass, and Earl Bake, board president.

—:—

THE ACTION is taken each year so that the school buses will not have to pick up children along the rural roads during the darkness and possibly fog.

Grills commented he realized the danger of children standing in the fog and although he did not personally like the proposal, he would not vote against it.

Ferrall said he had not heard anyone remark that they want to return to slow time. Dysert pointed out that a school child at East Palestine was killed in the early morning fog last year. "We might save a life," he said.

Ferrall suggested a slip be sent home with the students, asking the parents for their opinion. Dysert said the town residents would be against the proposal, but pointed out the action is taken to protect the rural student.

In other business, the board hired three new teachers while accepting the resignation of two teachers and a custodian.

—:—

DAVID Wilson was employed as an industrial arts instructor at a salary of $3,500, Mrs. Mary Deringer was hired as a commercial and English teacher at a salary of $5,150 and Ross Nelson was hired as an elementary instructor at a salary of $4,580.

All are from East Liverpool. Mrs. Deringer formerly taught in the Wellsville system. Ross will teach the sixth grade at Fairview.

Harry S. Criss, who was hired as an industrial arts teacher at the last meeting, and Miss Karen Bricklemyer, who was employed as a commercial instructor, both resigned to accept other positions.

Irwin Crawford resigned as custodian at MacDonald School effective Sept. 21. He has accepted another position.

The Civil Service Commission will hold an examination Sept. 26 to provide a new eligibility list for custodians.

—:—

A LIST of substitute teachers was presented by Supt. Lowell Myers. They include Ford Ball, Mrs. Edna Brown, John Carter, Mrs. Margaret Fraser, Miss Margaret Frischkorn, the Rev. William A. Hewitt, Mrs. Mary Alice Pugh, Mrs. Margaret Shoub and Mrs. Carol Chaffee. Other substitutes will be used if qualified.

Myers said another industrial arts teacher is needed. He commented the visual education room is being utilized as a study hall this year. The school buses will be inspected by the State Highway Patrol Sept. 28.

The total enrollment stands at 1,866. A breakdown shows 366, Garfield; 163, Fairview; 55, McKinley; 405, MacDonald; 303 Daw Junior High, and 574, high school. This is about the same as last year, Myers commented. A drop had been anticipated.

Myers said that four kindergarten classes are being operated for a half-day session each. He said that perhaps another could be added next year at Fairview if enough parents are interested.

Mary Ann Wallenberg of Hillcrest was released from the Wellsville system to the Beaver Local School District. She had moved to Hillcrest this summer and had spent three years in Beaver Local High. She is a senior and requested permission to attend her final year there.

—:—

EARL MUNDY, supervisor of custodians and maintenance, reported the new entrance to Nicholson Stadium will be completed Friday. It was built by volunteer labor and donations. A discussion was held on the erection of a street light near the new entrance.

Ferrall commented the new stadium front is a vast improvement.

Mundy also reported on the activities of the custodial help at night. He said the sidewalk at Fairview will be repaired, along with five sections at MacDonald. The septic tank filterbed at Fairview now is in working order. One of the drain lines had been plugged. He said a screen covering will be placed over the filterbed to keep children out.

Mrs. Jean Tipton, school nurse, outlined the various tuberculosis testing programs that can be utilized. The board had requested earlier that such a program be investigated and some type be used.

Mrs. Tipton said the Heaf test is the cheapest, costing about 3 cents per pupil. It is used extensively in the county. The Mantoux test cost $1.60 for 10 units, but is given with a needle. It is the most accurate and usually is used in a follow - up check on any positive reactions received from the Heaf test.

—:—

SHE SAID the Public Health League, which is supported by Christmas Seal sales, has money for the program and the Wellsville Board of Health is checking to determine if the city has funds.

The board delayed action on what type to use until the Board of Health appoints a new city health commissioner. His opinion will be sought. Mrs. Tipton said she will attend the next meeting with the new health commissioner if possible.

A discussion was held on a campaign to seek endorsements for the new 5-mill operating levy to be on the Nov. 6 ballot. It will provide additional funds for salaries. Wellsville's pay scale is below that of surrounding school districts and it is believed the added money will aid the system in obtaining and holding new teachers.

Myers suggested the board members speak before numerous organizations. Othe campaign materials were discussed.

He announced the Ohio School Boards Association will meet Nov. 13-15 at Columbus.

—:—

FERRALL commented he had complained in the past about students wandering around on the streets during sixth period of school." This year I have not seen this and wish to commend the administration," he said.

Ferral reported he was unable to obtain the necessary help to complete the turning of the stadium seats this season. He had suggested earlier the wooden seats be turned over so the underside, or good side, could be used. He said perhaps this can be included in the custodian's work if a full-time man is hired.

Grills discussed using colored plexiglass in the windows at the end of the Beacom Memorial gym. A discussion also was held on painting the risers of the seats black and orange, the school colors, to add color to the gym. The ceiling has been painted white and new lights installed.

Bake said bids are being sought on the remodeling of the side entrance to the high school. New doors will be installed and the outside landing will be enclosed.

—:—

FERRALL and Glass raised the question of utilizing meal tickets for the cafeterias. Raymond Rolley, clerk, outlined the procedure used in collecting money at the cafeterias. He said those in charge had decided against tickets for many reasons.

The added work of collecting the money in advance and the possibility of a student losing his ticket was discussed. After hearing the operational setup, Ferrall and Glass said they are satisfied to leave it remain as is.

Minerva Man Fined In Stop Sign Arrest

LISBON — Herbert E. Blackburn, 30, of Minerva R. D. was fined $5 and costs for a stop sign violation Monday by County Court Judge J. L. MacDonald, who suspended the fine.

Seven drivers charged with speeding forfeited appearance bonds of $15 each — Robert R. Freund, 60, Loveland; Paul L. Foulks, 37, Lisbon R. D.; Theodore Parquet, Donora; Gay C. Knotts, Cleveland; Kenneth Rush, 20, Waynesburg, Pa.; John A. Horency, 30, Aliquippa, and Earl Wollam, 62, East Liverpool.

Aurell M. Muntean, 52, of Morris St., Lisbon, and Jack Rummel Lisbon R. D. 3 forfeited $10 appearance bonds Monday night in mayor's court following arrest for sign violations.

In a paper recently published by the Smithsonian Institution, Coleman J. Goin, professor of biological sciences at the University of Florida, theorized that amphibians are trying to eliminate open water as a habitat for their spawn.

Beaver Local Board Hires 2 As Teachers

Change orders in two construction projects were approved and two teachers hired by the Beaver Local Board of Education Monday night.

The Bricker & Bricker Construction Co. of Salem was authorized to install accoustical tile on the ceiling in the high school library. The Canton Hardware Co. of Canton was authorized to install a booster heater for the new dishwasher installation.

Ernest MacKenzie of East Liverpool was employed as a public school instructor and Mary Jane Stansel was hired as a high school teacher.

The board also authorized additional salary to Miss Cheryl Schleiter and Mrs. Jeanett Walters to serve as cheerleader advisors in the public and high schools.

Travel allowance was granted Mrs. Virginia Torrence, school nurse; Mrs. Carol Walton, vocal music instructor, and Robert Sprague, elementary instrumental music director.

The Grange Mutual Casualty Co. was awarded a contract on its bid of $121.60 to provide insurance on vehicles not covered in the bus fleet policy. The other bidder was Nationwide Insurance Co.

Certificates of payments were approved for work done in the district. The board approved a request from Mrs. Donna Jean McVay that her children be allowed to attend school in the district. She resides in the East Liverpool district of Glenmoor but teaches in Beaver Local.

The board also approved a request from Mrs. Glenn Woods that her child be allowed to attend East Liverpool schools, where she is teaching. Susan Walenberg was granted permission to complete her senior year at Beaver Local. She had moved to the Wellsville district the past summer.

The bus driver list for the year was corrected and it was noted Bruce Costanzo, Edgar Greathouse and Theodore Taylor will not be driving this year. The drivers are Robert Trotter, Robert Smith, Norman Allison, Robert McVay, Allen Pepin, Virginia Blazer, Ralph Cusick, R. D. Huff and James Hillberry.

The transfer of funds from one account to another to meet necessary expenditures was ordered.

The salary to date of Richard Brewer, mechanic helper at the bus garage, was approved.

Invoices for Title 3 projects were approved and the board will make a request for reimbursement from the State Department.

A record of accumulative sick leave for all district personnel was ordered.

The board also approved a request from Mrs. Eula Holt to use the high school music room Sept. 29 for a rare coin auction.

The board interviewed six persons for the position of cafeteria supervisor for the district but no decision was reached. The matter was tabled.

Hammondsville Visitors Return

Mr. and Mrs. Ralph Mathes of Sanford, Fla., and Miss Maxine Twaddle of Arlington, Va., have concluded a visit with Mr. and Mrs. Norman Twaddle of Pine Grove, Hammondsville.

Harold Householder and son, Howard, have returned from Tucson, Ariz. Mrs. Householder, who is ill, remained there for treatment.

Mrs. Carrie Elliott is visiting her sister, Mr. and Mrs. William Birchfield, of Toronto.

Mr. and Mrs. R. A. Frontone and daughter, Becky Ann, of Columbus, have concluded a visit with the Anthony Frontones of Wellsville and the Stanley Bakers.

Mr. and Mrs. I. N. Culp of Canton visited Sunday with Mr. and Mrs. W. T. Young.

Ray Lautzenheiser, assistant music director of Stanton Local schools, spent the weekend with his parents, Mr. and Mrs. Ralph Lautzenheiser, of Paris in Stark County.

Mr. and Mrs. Earl Kerr of Struthers and Mr. and Mrs. Jesse Kerr and daughters of Irving, Tex., have concluded a visit with Mrs. Gussie Parsons and family.

The beautiful golden bowerbird, smallest member of the family, builds the biggest bower. The thrush - size bird constructs an eight-foot tower woven around saplings.

Project Cost $760

Stadium Work Aired At Midland

The Midland Board of Education Monday night heard a report on electrical repairs at the athletic field, authorized evening classes and asked Borough Council for additional police protection for the elementary schools.

On a motion by Edward Cilli, property chairman, the board approved recent action of his committee in awarding a contract to M. J. Swatek of Ohioville for repairs to the lighting system at the field.

—:—

CILLI said the Swatek bid was the lowest and the job cost $760. The board at a special meeting Aug. 20 opened bids and gave the property committee power to act. The repairs included raising a transformer and building a new platform.

Samuel Rosatone, maintenance supervisor, reported that lights at the field were turned on last night.

The board approved evening extension classes for this fall if there is sufficient demand. William A. Walters, Lincoln High principal, was named director for the classes, and Mrs. Helen Hineman, secretary. Approval was given on a motion by John Shovlin, education chairman.

The board instructed Miss Bernice Coffin, secretary, to send a letter to Borough Council asking additional police protection for the elementary school system, on Shovlin's motion.

—:—

THE BOARD approved a request of the A. L. Sonnhalter chapter of the Hot Stove League for use of the athletic field for its midget football league on Saturday mornings, on a motion by John Uccellini, athletics chairman.

Concerning other requests of the league, it was decided that Supt. Ralph H. Jewell, Principal Walters and Uccellini will meet with league officials.

The league had also asked to play games prior to varsity home games on Sept. 21, Oct. 19 and Oct. 26. It said the League All-Stars would play the league champion on Oct. 26.

During discussion of the requests it was brought out that the league games, played prior to varsity games posed problems.

The league also asked what plan the board might have for letting youngsters of the league attend varsity games.

—:—

ON A MOTION by Uccellini, the board increased the salary of Edward Olkowski, assistant varsity basketball coach, from $500 to $750.

On motion of Maurice Newman, finance chairman, the board approved payment of an $83.57 premium to the McGeehan Agency for a blanket fidelity bond on all employes.

Several motions by Cilli, property chairman, were approved. Miss Coffin was authorized to advertise for bids for coal for the 1st St. School.

The choir of the St. George Serbian Orthodox Church was given permission to use the high school auditorium on Nov. 11 at the usual fee. The Beaver Valley Opera Society, formerly the Four-City Opera Society, was given permission to use the auditorium on Nov. 15, Feb. 7 and April 22.

—:—

ON recommendation of Supt. Jewell, the board set payment for a cheerleader sponsor at $75 a year. Jewell said the job takes considerable time and that some schools pay more than $75 and some less.

He also reported that the Beaver County Board of Education has hired an additional speech therapist to serve Midland schools and two other schools. He said the teacher will be available in about two weeks. He said the teacher's time will be pro-rated and reported to the state Department of Public Instruction which will make payment and deduct the amount from allocations to Midland.

Jewell said he had been notified that Oct. 22 is the date selected for Beaver County to choose surplus equipment at Harrisburg and the county board would like for Midland school directors to attend.

—:—

ON MOTION by Cilli, permission was granted for Rosatone, maintenance supervisor, and any board member to attend.

Supt. Jewell was authorized to attend an education congress in Harrisburg Oct. 1-3.

Jewell reported on the enrollment of the recent opening of schools. He said there are 626 elementary pupils, a drop of 37 from last year. He said there was a drop in the kindergarten. He reported there are 541 enrolled in the high school, which is about 300 less than last year's 840 but was anticipated. Tuition paying students of the Western Beaver County district will attend their own school this fall.

—:—

ROSATONE reported that the custodial staff did a good clean up job this summer and still has some things to catch up on. James Morrison, board president, commented that Jewell had visited the buildings and also reported a good job done.

A letter was read from John Wilson, new elementary supervising principal, who thanked the board for courtesy shown him as junior-senior high school coach and teacher.

The board authorized that no tuition would be charged three dependent children, one in the elementary and two in the high school.

Council To Air St. Clair Aid

(Continued from Page One)

I've just touched on some of these things," he said.

"As I size up the situation, you had less than six votes" in favor of the $10-a-foot assessment, Cooper said.

"If you want to assess without a petition, you need six votes. With a petition, if Council accepts it in its entirety, you need only four votes."

Councilman Kenneth C. Berg said all the property - owners on St. Clair have requested a meeting with Council, Mayor Bert H. Goodballet and Engineer George S. Bloomgren to discuss the project. No action was taken on his report. In setting the discussion Wednesday night, no invitation was extended to the property-owners.

—:—

THREE MEN appeared before Council to speak personally in favor of the improvement. They were Frank Hull, 2621 St. Clair Ave., former president of the International Brotherhood of Operative Potters; Donald F. Smith, 2613 St. Clair Ave., president of the Smith & Phillips Co., and Ray Bloor, 2401 St. Clair Ave.

Hull said he declined to sign a petition which is in circulation, asking a 24-feet pavement instead of a 36-foot road.

"I understand that anything less than 36 feet wouldn't be financed with federal aid," he said. "I am convinced a 24-foot street without federal aid would cost me more than a 36-foot street with the government helping out. I concluded that $10-a-foot wasn't too far out of line for this improvement, compared with the charges for some blacktop jobs here.

"I'm in favor of a 36-foot road and I also represent my neighbor, Sam Groglode," Hull said. "We both have 70 feet of frontage. Over a long period of time, I feel it would pay for itself. It would cut down on damage to cars and eliminate the need for constant repairs by the city.

—:—

"I HAVE LIVED on St. Clair since 1953," Hull continued. "I estimate the city has spent $10,000 on that street in that time. I'm enthusiastically in favor of the improvement. I think everyone on St. Clair wants an improved street. But some of them want it for nothing. As the fellow said, they believe in eggs, but they don't believe in chickens."

Concluding, he referred to a proposal for liquidation of the Edwin M. Knowles China Co. and deplored the fact no civic group has taken action to dissuade the firm or seek a new occupant for the plant. Both councilmen and the audience applauded briskly as he concluded.

"I say 'amen' to everything Mr. Hull has said," Smith told Council. He said he favors a 36-foot pavement.

Bloor also spoke in favor of a 36-foot pavement. He said the section of St. Clair where he lives "is the roughest section of the whole street." A 36-foot pavement would eliminate a dust problem which a 24-foot pavement would not correct, Bloor said.

—:—

AS THE session neared an end, Councilman Floyd Murray declared he is in favor of a 36-foot pavement. He explained he was not present at one of the August sessions to express his views.

"I'm in favor of any improvement we can get," Murray said. "I feel a 36-foot pavement would be best." The plan for the wider pavement includes provision for a complete storm sewer system the length of the project, he pointed out.

Councilman Edward Massey then took the floor to declare he is "totally in favor of" the improvement. However, he said he understands there are two petitions circulating — one for the improvement and one against it.

"The outcome of these two petitions will govern my vote," he said.

County Accepts Road

LISBON — Columbiana County commissioners have inspected and approved the Carbon Hill Rd. improvement in Unity Township and notified the State Highway Department of its acceptance. The work was done through co-operation of the state and federal governments. Commissioners made a $300 grant Monday to United Township trustees for road maintenance.

Canada has the greatest mileage of railway per capita.

4 Stop Signs To Be Erected

SALINEVILLE — Council Monday night adopted two ordinances calling for erection of four stop signs but tabled another proposing one meeting in September and October.

Agreeing unanimously to the proposal to erect stop signs, Council authorized purchase of four signs and posts.

Three will be erected at the intersection of Foundry Hill Rd. and County Rd., to be a three - way stop street, and another will be erected at the intersection of Water St. and Route 39.

A proposal to meet only once this month and again in October was tabled until the next meeting or until all members can be present. Councilmen John Beadnell and Orville Tolson were absent.

Council head reports and discussed street improvements and parking in other business. Mayor Stanley Fitch presided.

Freeman Strabley and Mayor Fitch have completed a survey of heating costs for City Hall, and plan to convert to stoker coal from gas. The present heating bill is $750 annually.

Atty. J. Warren Bettis, village solicitor, was instructed to notify Harold Hahn, a Carrollton contractor, that sewer tile damaged in excavating on Jefferson St. is to be repaired.

Repairs were authorized to an alley on Station Hill behind the homes of James Owen and Scotty Weaver, and Water St. in front of the Willis Bettis home. Ditches on School House Hill were ordered cleaned.

HERE'S WHY . . . A Survey made of new homes built on the Gas lines showed that about 99% were heated with Gas. The reason is simple — Gas heat works best, costs less.

A forced air Gas furnace circulates the air and filters it clean. Fresh air is introduced into the house for the sake of health and comfort. A single thermostat provides balanced comfort throughout the house — the ultimate in convenience. And you can add central gas cooling when you wish.

But the real clincher for Gas heat is its unmatched economy. For example, you can heat your home for 4 years with Gas for about the same as you would pay to heat it only one year with wired resistance heating.

If you are now enjoying a Gas heating system, you have the best available. If you plan to build a new home or replace your present furnace be sure to install a Gas heating system.

Mrs. Jean Tipton, school nurse, outlined the various tuberculosis testing programs that can be utilized. The board had requested earlier that such a program be investigated and some type be used.

Mrs. Tipton said the Heaf test is the cheapest, costing about 3 cents per pupil. It is used extensively in the county. The Mantoux test cost $1.60 for 10 units, but is given with a needle. It is the most accurate and usually is used in a follow - up check on any positive reactions received from the Heaf test.

—:—

SHE SAID the Public Health League, which is supported by Christmas Seal sales, has money for the program and the Wellsville Board of Health is checking to determine if the city has funds.

The board delayed action on what type to use until the Board of Health appoints a new city health commissioner. His opinion will be sought. Mrs. Tipton said she will attend the next meeting with the new health commissioner if possible.

A discussion was held on a campaign to seek endorsements for the new 5-mill operating levy to be on the Nov. 6 ballot. It will provide additional funds for salaries. Wellsville's pay scale is below that of surrounding school districts and it is believed the added money will aid the system in obtaining and holding new teachers.

Myers suggested the board members speak before numerous organizations. Othe campaign materials were discussed.

He announced the Ohio School Boards Association will meet Nov. 13-15 at Columbus.

—:—

FERRALL commented he had complained in the past about students wandering around on the streets during sixth period of school." This year I have not seen this and wish to commend the administration," he said.

Ferral reported he was unable to obtain the necessary help to complete the turning of the stadium seats this season. He had suggested earlier the wooden seats be turned over so the underside, or good side, could be used. He said perhaps this can be included in the custodian's work if a full-time man is hired.

Grills discussed using colored plexiglass in the windows at the end of the Beacom Memorial gym. A discussion also was held on painting the risers of the seats black and orange, the school colors, to add color to the gym. The ceiling has been painted white and new lights installed.

Bake said bids are being sought on the remodeling of the side entrance to the high school. New doors will be installed and the outside landing will be enclosed.

—:—

FERRALL and Glass raised the question of utilizing meal tickets for the cafeterias. Raymond Rolley, clerk, outlined the procedure used in collecting money at the cafeterias. He said those in charge had decided against tickets for many reasons.

The added work of collecting the money in advance and the possibility of a student losing his ticket was discussed. After hearing the operational setup, Ferrall and Glass said they are satisfied to leave it remain as is.

Minerva Man Fined In Stop Sign Arrest

LISBON — Herbert E. Blackburn, 30, of Minerva R. D. was fined $5 and costs for a stop sign violation Monday by County Court Judge J. L. MacDonald, who suspended the fine.

Seven drivers charged with speeding forfeited appearance bonds of $15 each — Robert R. Freund, 60, Loveland; Paul L. Foulks, 37, Lisbon R. D.; Theodore Parquet, Donora; Gay C. Knotts, Cleveland; Kenneth Rush, 20, Waynesburg, Pa.; John A. Horency, 30, Aliquippa, and Earl Wollam, 62, East Liverpool.

Aurell M. Muntean, 52, of Morris St., Lisbon, and Jack Rummel Lisbon R. D. 3 forfeited $10 appearance bonds Monday night in mayor's court following arrest for sign violations.

In a paper recently published by the Smithsonian Institution, Coleman J. Goin, professor of biological sciences at the University of Florida, theorized that amphibians are trying to eliminate open water as a habitat for their spawn.

Beaver Local Board Hires 2 As Teachers

Change orders in two construction projects were approved and two teachers hired by the Beaver Local Board of Education Monday night.

The Bricker & Bricker Construction Co. of Salem was authorized to install accoustical tile on the ceiling in the high school library. The Canton Hardware Co. of Canton was authorized to install a booster heater for the new dishwasher installation.

Ernest MacKenzie of East Liverpool was employed as a public school instructor and Mary Jane Stansel was hired as a high school teacher.

The board also authorized additional salary to Miss Cheryl Schleiter and Mrs. Jeanett Walters to serve as cheerleader advisors in the public and high schools.

Travel allowance was granted Mrs. Virginia Torrence, school nurse; Mrs. Carol Walton, vocal music instructor, and Robert Sprague, elementary instrumental music director.

The Grange Mutual Casualty Co. was awarded a contract on its bid of $121.60 to provide insurance on vehicles not covered in the bus fleet policy. The other bidder was Nationwide Insurance Co.

Certificates of payments were approved for work done in the district. The board approved a request from Mrs. Donna Jean McVay that her children be allowed to attend school in the district. She resides in the East Liverpool district of Glenmoor but teaches in Beaver Local.

The board also approved a request from Mrs. Glenn Woods that her child be allowed to attend East Liverpool schools, where she is teaching. Susan Walenberg was granted permission to complete her senior year at Beaver Local. She had moved to the Wellsville district the past summer.

The bus driver list for the year was corrected and it was noted Bruce Costanzo, Edgar Greathouse and Theodore Taylor will not be driving this year. The drivers are Robert Trotter, Robert Smith, Norman Allison, Robert McVay, Allen Pepin, Virginia Blazer, Ralph Cusick, R. D. Huff and James Hillberry.

The transfer of funds from one account to another to meet necessary expenditures was ordered.

The salary to date of Richard Brewer, mechanic helper at the bus garage, was approved.

Invoices for Title 3 projects were approved and the board will make a request for reimbursement from the State Department.

A record of accumulative sick leave for all district personnel was ordered.

The board also approved a request from Mrs. Eula Holt to use the high school music room Sept. 29 for a rare coin auction.

The board interviewed six persons for the position of cafeteria supervisor for the district but no decision was reached. The matter was tabled.

Hammondsville Visitors Return

Mr. and Mrs. Ralph Mathes of Sanford, Fla., and Miss Maxine Twaddle of Arlington, Va., have concluded a visit with Mr. and Mrs. Norman Twaddle of Pine Grove, Hammondsville.

Harold Householder and son, Howard, have returned from Tucson, Ariz. Mrs. Householder, who is ill, remained there for treatment.

Mrs. Carrie Elliott is visiting her sister, Mr. and Mrs. William Birchfield, of Toronto.

Mr. and Mrs. R. A. Frontone and daughter, Becky Ann, of Columbus, have concluded a visit with the Anthony Frontones of Wellsville and the Stanley Bakers.

Mr. and Mrs. I. N. Culp of Canton visited Sunday with Mr. and Mrs. W. T. Young.

Ray Lautzenheiser, assistant music director of Stanton Local schools, spent the weekend with his parents, Mr. and Mrs. Ralph Lautzenheiser, of Paris in Stark County.

Mr. and Mrs. Earl Kerr of Struthers and Mr. and Mrs. Jesse Kerr and daughters of Irving, Tex., have concluded a visit with Mrs. Gussie Parsons and family.

The beautiful golden bowerbird, smallest member of the family, builds the biggest bower. The thrush - size bird constructs an eight-foot tower woven around saplings.

Project Cost $760

Stadium Work Aired At Midland

The Midland Board of Education Monday night heard a report on electrical repairs at the athletic field, authorized evening classes and asked Borough Council for additional police protection for the elementary schools.

On a motion by Edward Cilli, property chairman, the board approved recent action of his committee in awarding a contract to M. J. Swatek of Ohioville for repairs to the lighting system at the field.

—:—

CILLI said the Swatek bid was the lowest and the job cost $760. The board at a special meeting Aug. 20 opened bids and gave the property committee power to act. The repairs included raising a transformer and building a new platform.

Samuel Rosatone, maintenance supervisor, reported that lights at the field were turned on last night.

The board approved evening extension classes for this fall if there is sufficient demand. William A. Walters, Lincoln High principal, was named director for the classes, and Mrs. Helen Hineman, secretary. Approval was given on a motion by John Shovlin, education chairman.

The board instructed Miss Bernice Coffin, secretary, to send a letter to Borough Council asking additional police protection for the elementary school system, on Shovlin's motion.

—:—

THE BOARD approved a request of the A. L. Sonnhalter chapter of the Hot Stove League for use of the athletic field for its midget football league on Saturday mornings, on a motion by John Uccellini, athletics chairman.

Concerning other requests of the league, it was decided that Supt. Ralph H. Jewell, Principal Walters and Uccellini will meet with league officials.

The league had also asked to play games prior to varsity home games on Sept. 21, Oct. 19 and Oct. 26. It said the League All-Stars would play the league champion on Oct. 26.

During discussion of the requests it was brought out that the league games, played prior to varsity games posed problems.

The league also asked what plan the board might have for letting youngsters of the league attend varsity games.

—:—

ON A MOTION by Uccellini, the board increased the salary of Edward Olkowski, assistant varsity basketball coach, from $500 to $750.

On motion of Maurice Newman, finance chairman, the board approved payment of an $83.57 premium to the McGeehan Agency for a blanket fidelity bond on all employes.

Several motions by Cilli, property chairman, were approved. Miss Coffin was authorized to advertise for bids for coal for the 1st St. School.

The choir of the St. George Serbian Orthodox Church was given permission to use the high school auditorium on Nov. 11 at the usual fee. The Beaver Valley Opera Society, formerly the Four-City Opera Society, was given permission to use the auditorium on Nov. 15, Feb. 7 and April 22.

—:—

ON recommendation of Supt. Jewell, the board set payment for a cheerleader sponsor at $75 a year. Jewell said the job takes considerable time and that some schools pay more than $75 and some less.

He also reported that the Beaver County Board of Education has hired an additional speech therapist to serve Midland schools and two other schools. He said the teacher will be available in about two weeks. He said the teacher's time will be pro-rated and reported to the state Department of Public Instruction which will make payment and deduct the amount from allocations to Midland.

Jewell said he had been notified that Oct. 22 is the date selected for Beaver County to choose surplus equipment at Harrisburg and the county board would like for Midland school directors to attend.

—:—

ON MOTION by Cilli, permission was granted for Rosatone, maintenance supervisor, and any board member to attend.

Supt. Jewell was authorized to attend an education congress in Harrisburg Oct. 1-3.

Jewell reported on the enrollment of the recent opening of schools. He said there are 626 elementary pupils, a drop of 37 from last year. He said there was a drop in the kindergarten. He reported there are 541 enrolled in the high school, which is about 300 less than last year's 840 but was anticipated. Tuition paying students of the Western Beaver County district will attend their own school this fall.

—:—

ROSATONE reported that the custodial staff did a good clean up job this summer and still has some things to catch up on. James Morrison, board president, commented that Jewell had visited the buildings and also reported a good job done.

A letter was read from John Wilson, new elementary supervising principal, who thanked the board for courtesy shown him as junior-senior high school coach and teacher.

The board authorized that no tuition would be charged three dependent children, one in the elementary and two in the high school.

Council To Air St. Clair Aid

(Continued from Page One)

I've just touched on some of these things," he said.

"As I size up the situation, you had less than six votes" in favor of the $10-a-foot assessment, Cooper said.

"If you want to assess without a petition, you need six votes. With a petition, if Council accepts it in its entirety, you need only four votes."

Councilman Kenneth C. Berg said all the property - owners on St. Clair have requested a meeting with Council, Mayor Bert H. Goodballet and Engineer George S. Bloomgren to discuss the project. No action was taken on his report. In setting the discussion Wednesday night, no invitation was extended to the property-owners.

—:—

THREE MEN appeared before Council to speak personally in favor of the improvement. They were Frank Hull, 2621 St. Clair Ave., former president of the International Brotherhood of Operative Potters; Donald F. Smith, 2613 St. Clair Ave., president of the Smith & Phillips Co., and Ray Bloor, 2401 St. Clair Ave.

Hull said he declined to sign a petition which is in circulation, asking a 24-feet pavement instead of a 36-foot road.

"I understand that anything less than 36 feet wouldn't be financed with federal aid," he said. "I am convinced a 24-foot street without federal aid would cost me more than a 36-foot street with the government helping out. I concluded that $10-a-foot wasn't too far out of line for this improvement, compared with the charges for some blacktop jobs here.

"I'm in favor of a 36-foot road and I also represent my neighbor, Sam Groglode," Hull said. "We both have 70 feet of frontage. Over a long period of time, I feel it would pay for itself. It would cut down on damage to cars and eliminate the need for constant repairs by the city.

—:—

"I HAVE LIVED on St. Clair since 1953," Hull continued. "I estimate the city has spent $10,000 on that street in that time. I'm enthusiastically in favor of the improvement. I think everyone on St. Clair wants an improved street. But some of them want it for nothing. As the fellow said, they believe in eggs, but they don't believe in chickens."

Concluding, he referred to a proposal for liquidation of the Edwin M. Knowles China Co. and deplored the fact no civic group has taken action to dissuade the firm or seek a new occupant for the plant. Both councilmen and the audience applauded briskly as he concluded.

"I say 'amen' to everything Mr. Hull has said," Smith told Council. He said he favors a 36-foot pavement.

Bloor also spoke in favor of a 36-foot pavement. He said the section of St. Clair where he lives "is the roughest section of the whole street." A 36-foot pavement would eliminate a dust problem which a 24-foot pavement would not correct, Bloor said.

—:—

AS THE session neared an end, Councilman Floyd Murray declared he is in favor of a 36-foot pavement. He explained he was not present at one of the August sessions to express his views.

"I'm in favor of any improvement we can get," Murray said. "I feel a 36-foot pavement would be best." The plan for the wider pavement includes provision for a complete storm sewer system the length of the project, he pointed out.

Councilman Edward Massey then took the floor to declare he is "totally in favor of" the improvement. However, he said he understands there are two petitions circulating — one for the improvement and one against it.

"The outcome of these two petitions will govern my vote," he said.

County Accepts Road

LISBON — Columbiana County commissioners have inspected and approved the Carbon Hill Rd. improvement in Unity Township and notified the State Highway Department of its acceptance. The work was done through co-operation of the state and federal governments. Commissioners made a $300 grant Monday to United Township trustees for road maintenance.

Canada has the greatest mileage of railway per capita.

4 Stop Signs To Be Erected

SALINEVILLE — Council Monday night adopted two ordinances calling for erection of four stop signs but tabled another proposing one meeting in September and October.

Agreeing unanimously to the proposal to erect stop signs, Council authorized purchase of four signs and posts.

Three will be erected at the intersection of Foundry Hill Rd. and County Rd., to be a three - way stop street, and another will be erected at the intersection of Water St. and Route 39.

A proposal to meet only once this month and again in October was tabled until the next meeting or until all members can be present. Councilmen John Beadnell and Orville Tolson were absent.

Council head reports and discussed street improvements and parking in other business. Mayor Stanley Fitch presided.

Freeman Strabley and Mayor Fitch have completed a survey of heating costs for City Hall, and plan to convert to stoker coal from gas. The present heating bill is $750 annually.

Atty. J. Warren Bettis, village solicitor, was instructed to notify Harold Hahn, a Carrollton contractor, that sewer tile damaged in excavating on Jefferson St. is to be repaired.

Repairs were authorized to an alley on Station Hill behind the homes of James Owen and Scotty Weaver, and Water St. in front of the Willis Bettis home. Ditches on School House Hill were ordered cleaned.

HERE'S WHY . . . A Survey made of new homes built on the Gas lines showed that about 99% were heated with Gas. The reason is simple — Gas heat works best, costs less.

A forced air Gas furnace circulates the air and filters it clean. Fresh air is introduced into the house for the sake of health and comfort. A single thermostat provides balanced comfort throughout the house — the ultimate in convenience. And you can add central gas cooling when you wish.

But the real clincher for Gas heat is its unmatched economy. For example, you can heat your home for 4 years with Gas for about the same as you would pay to heat it only one year with wired resistance heating.

If you are now enjoying a Gas heating system, you have the best available. If you plan to build a new home or replace your present furnace be sure to install a Gas heating system.

Monroe Doctrine Barred 'Systems'

"We should consider any attempt on their part to extend their system to any portion of this hemisphere as dangerous to our peace and safety. . ."

This was the salient passage in the Monroe Doctrine, as laid down in 1823 by President James Monroe.

Speaking of foreign nations in general and in particular of Spain and Russia, President Monroe said: "We could not view any interposition for the purpose of oppressing them, or controlling in any other manner their destiny, by any European power, in any other light than as the manifestation of an unfriendly disposition toward the United States . . ."

The significance of the Monroe Doctrine did not lie in its intent to close the New World to military conquest. It lay instead in its intent to close the New World to Old World influence by any means.

THE OLD WORLD "system was the specified target of the doctrine. The fear of Britain, which had relinquished a shaky hold on the New World, was that its rivals for power would take advantage of its withdrawal. To avert this Britain urged the United States to post No Trespassing signs and promised to enforce the order with the British navy.

The hope then and the hope still is to make the New World safe for popular government. There has been despotism in the New World and there will be more. But despotism has not been permitted to dig in and establish itself here as acceptable practice.

This is the issue that has developed in Cuba.

IT IS NOT the remote possibility that the assorted Communists who have moved into Cuba might use the island as a military base for aggressive takeover of New World territory.

It is not the more remote possibility they might launch an invasion of the United States.

It is the immediate likelihood they are going to establish their system elsewhere in the New World, as they already have established it in Cuba.

Their "unfriendly disposition" toward the United States is obvious.

Everything they have done in Cuba reflects animosity toward the United States. This country is the butt of all their propaganda.

THEY KNOW clearly what the Kennedy administration says isn't clear yet to its own observers — that they are in Cuba to make trouble for the United States and to make a mockery of the Monroe Doctrine.

If they never fired a gun or had a gun they could fire, their intent would be the same. They are extending their "system" to the Western Hemisphere; they are doing something they have been warned since 1823 not to do because it would be considered "dangerous to our peace and safety."

There is real danger the Kennedy administration may be drawn into dialectics over Russia's real intentions. The intentions are obvious. There is nothing to argue about, except how soon they must get out on pain of being thrown out.

Check Again

A near tragedy in Ottawa, Canada, reminds of the danger from discarded ice boxes and other big containers that have doors which snap shut.

In the Canadian case, a 4-year-old girl was found alive after being trapped for six hours and 40 minutes. A small amount of air seeping into the box saved the child's life.

The next youngster who is trapped may not be so fortunate. To make sure it doesn't happen here, take inventory at your own home and at any nearly vacant lots. The smashing of any lock or locks that are still in working order could eliminate the threat of danger if any old ice boxes or other big containers are found.

You Too Can Have A U2

The U2 airplane has been a bright spot in a dismal outlook. It is one of a few things the United States has done so well during the cold war no one is known to be in close competition.

Thanks to this high-altitude plane with the remarkable characteristics that make it fly long distances with relatively little fuel, the United States knows nearly everything knowable about what has been done on the ground in the territory of its possible opponents.

It was encouraging to learn that U2 planes had shuttled back and forth over the Soviet Union in the '50s. It is encouraging to know that U2 planes flying from Nationalist China have been shuttling back and forth over Red China in the '60s.

It was encouraging a few days ago to know the Soviet Union was complaining about a violation of air rights over Sakhalin Island.

If the United States failed to take every advantage of a triumph of airplane design that makes it possible to photograph and detect evidence of military effort in potentially unfriendly countries, it would be remiss. This is the theory of aerial inspection the United States has put forward as the strongest possible deterrent to war. If we believe in it, we should be doing it—and we are.

The "cover stories" that explain occasional detection and destruction of the planes are of no importance. Americans don't care whether U2 planes are blown off course or whether they were flown off course. All that matters is that they are being flown where they can be most useful — over Red China, over Russia, over possibly fortified islands in the Pacific.

And was the U2 the Chinese Reds claim to have shot down and the Nationalist Chinese admit they lost "sold" to Nationalist China by its U.S. manufacturer? Undoubtedly — but did not the United States pay for it? Undoubtedly.

Concern At Lisbon

Ending of the five-week strike at the Mackintosh-Hemphill Division plant at Midland has brightened the labor picture in the district which, over the years, has enjoyed a fairly good record of industrial peace.

Scheduling of new talks in the 66-day-old strike at the R. Thomas Works of the H. K. Porter Co. at Lisbon also brings new hope that production may be restored at that plant.

Contract negotiations and worker-management differences are complex and controversial matters in any industry, but responsible company officials and union leaders are aware that the general public, the families of the workers, the stockholders and others have a vital stake in a plant's operation and future.

Whatever economic pressure or operating problems are involved, the Thomas Works shutdown remains a grave concern for a great number of people.

Fitted For A Noose

By Truman Twill

You might feel better too after reading "What's 'Right' and 'Left' — a Guide for Responsible Anti-Communists."

Perhaps you also have felt sick about the prospect of lining up with one set of bully-boys to fight another set — the stupid choice that destroyed Germany when it fought the Communist conspiracy by joining the Nazi conspiracy.

Freedom House, an organization of liberal, moderate and conservative leaders who support democratic principles, points out in "What's 'Right' and 'Left' " what you may have discovered in your own investigation—that extremists of any stripe who try to put people under their thumbs are to be feared.

"We emphasize that the Communist conspiracy is a counter-revolutionary movement on the reactionary right — the totalitarian twin brother of Fascism and Nazism," declares the Freedom House report, which urges opposition to all extremists who support either communism or the reactionary "right" because they both stand for tyranny.

Instead of being in the middle, where we usually are represented as being, all of us who genuinely respect human freedom are grouped against those who have no real respect for the individual and therefore assume the right to tell him what he must think and do.

In actual truth, if we believe the indivudual has the inalienable right to make his own decisions and think his own thoughts we are as far to the "left" as anyone ever can be, even though we may think of ourselves as "conservatives."

We are "liberals" in the classic sense; i.e., we believe absolutely in human freedom and are therefore completely opposed to every proposition that denies it as the first and foremost human right.

We do not care what people call themselves. All we watch for is what people do. If they start to reach for the whip, if their first move is toward our throats, they are despots at heart.

It's so simple yet so hard to understand. Sometimes it seems as though experience counted for nothing in human affairs and each person and each generation had to learn to its own sorrow the symptoms of despotism.

Each would-be despot wraps himself in the cloak of what he isn't; there's no acceptance anywhere for despotism. But why despots can fool their intended victims is as hard to understand as the wolf's ability to fool Red Riding Hood. Obviously the kid was stupid.

Stupidity can destroy freedom. But freedom can be preserved if all people who genuinely cherish it for others as well as for themselves would work harder to penetrate the disguises of despotism.

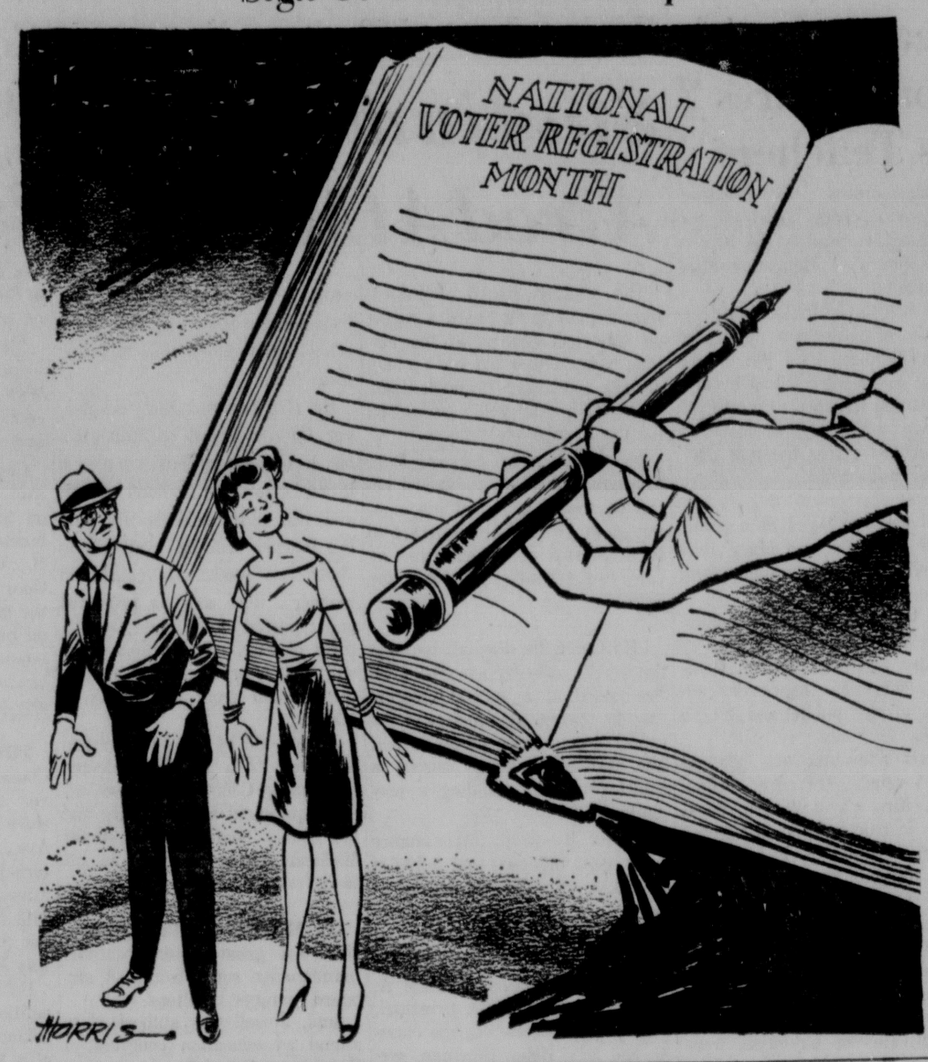
Does the would-be despot believe in strong-arm tactics? Does he want to smash something to save something? Does he believe in thought-control? Does he want to tell other people what to say and what to believe? Is he careless about the rights of others when he claims to be defending his own. Does he show a weakness for the big lie in stating what he proclaims to be the big truth?

Watch out. Your neck is being fitted for a noose.

Dynamite was invented by Alfred Nobel, the famed Swedish manufacturer and philanthropist, with the hope that it would help to improve civilization. It was much to his dismay that dynamite became a force of destruction and, to help soothe his conscience, Nobel used the fortune he made from this weapon of warfare to establish his nobel prizes.

The oldest sport known to man is generally conceded to be archery — which started long before the days of Robin Hood and is a sport older than the wheel and axle.

Sign Of Good Citizenship



'Allied' Ships Carry Red Cargo

By Victor Riesel

Cuba's waterborne supply lines can be cracked with the stroke of a pen!

What's needed is a presidential directive shutting United States ports to vessels and ship - chartering companies which deal with the enemy. This means a blacklist. Why not?

Victor Riesel

There are many foreign firms now making millions of dollars from the United States government itself by carrying heavy tonnage of federal cargo across the world. And yet these same ships—lists of which any federal agency can get along this waterfront—not only supply Cuba, but Communist China, Russia, Poland and even weird Albania. This the foreign flag ships often embark on immediately after delivering American cargo abroad.

Thus, not only do the foreign vessels strengthen our enemies but they weaken the United States by depriving our seamen of jobs and our shipping firms of profits.

TANKERS of our NATO allies, for example, have been running Soviet oil to Cuba for many, many months now—long before the Soviet landings on the island needled some of us into an outcry over the current merchant fleet supplied to the Soviet bloc by nations to which we have been giving billions of dollars.

Those tankers are chartered by the Russians because the Soviet Ministry of the Maritime Fleet is short of these big floating fuel tanks.

The tankers, owned by Greek and British firms, or by complex companies operating under Panamanian, Liberian, and Honduran flags, first deliver the Russian oil to Hvana. Then the empty tankers put into U.S. ports for profitable cargoes.

This may be cut down some day. The Soviets have just completed the "Bucharest." This is the fifth in a series of huge tankers which they call "Peking type vessels." They have been built in the Leningrad "Baltic shipyards."

So desperately does Cuba need this fuel that it has become traditional for the Soviet ministry to put its new tankers immediately into the Cuban run. But still there are not enough. Yet ships of our "friends" continue to help them.

THEN THERE ARE the ship operators who get business from the American government because of our efforts to feed a hungry non-Communist world.

There is a federal directive which states that only 50 per cent of our shipments of surplus foods to needy nations must be shipped in United States "bottoms." So, to lend a hand and a dollar to freighters of friendly nations, we give them the cargo job.

Many of these foreign flag ships carry grain to the Orient. Sometimes to India. Sometimes to Africa or the Near East. Then they steam into the China Sea and the Pacific. There they shuttle back and forth for the Peiping Communist government. In Hong Kong recently I talked to masters and mates of such ships.

They disclosed that after handling some of the "Chi-com" business they heave back to Europe's Communist block ports. There they load up with heavy cargoes for Cuba. Of course, they carry armaments. But almost as vital are the vast quantities of pre-fabricated factories and plants, machine tools, spare parts, steel mill sections and electronic equipment.

These will create a Soviety-type industrial system in Cuba. In a few years it will begin producing for export to the South American market—thereby undermining local producers and therefore chances for recovery amongst our Alliance for Progress allies.

AFTER THE NATO nation ships unload in Cuban ports they have only one chance for a new payload there. That is sugar. But sabotage and sheer inefficiency have slashed the harvesting of this crop. So there is only enough for part of the chartered supply fleet.

The ones who get the loads then steam to Russia and Poland or through the Panama Canal to China. But all the other vessels face going back "light."

Thus many of them, after dropping their Red Cargoes in Cuba, head for the United States to make certain they can pick up a paying shipment and thus make a profit from both sides.

There are waterfront union leaders here who say they have evidence that the Yugoslav merchant fleet is running cargo for the Communist bloc. This cargo, they say, is mostly military. It comes from the Czech munition-making complex built around the famed Skoda works. Waterfront experts report that Yogoslav ships regularly put into Havana.

FURTHERMORE, the union leaders assert bluntly—sometimes in anger fully peppered with sailor's language—that the State Department has all this information. And that it has had it for some time.

Why then does everybody in official circles seem so surprised these days?

Why not blacklist those ships which make a dollar out of trading with enemies who already are shooting at American soldiers, sailors and airmen? Why not?

Down Through The Years

From The Review Files

THIRTY YEARS AGO — Frederick Banfield of Riverside Ave., Wellsville, left to enter Mt. Union College at Alliance as a freshman.

Miss Adeline Blake, a member of the high school faculty, discussed Oxford University and her travels in Europe during a luncheon meeting of the East Liverpool Rotary Club.

About 1,800 children reported for the beginning of the 1932-33 school term at Wellsville.

TWENTY YEARS AGO — Mr. and Mrs. Arleigh Barrett, 1194 Erie St., left to enter the Chicago Evangelistic Institute.

Mrs. Edward House was named president of the Mary Leighton Class of the Wellsville Central Methodist Church.

TEN YEARS AGO — James C. Ebaugh, son of Mr. and Mrs. James M. Ebaugh of Calcutta, entered St. Vincent's Prep School at Latrobe on a scholarship.

Mrs. Mary Dray was received as a new member of the Sara J. Reinartz Missionary Society of St. John's Evangelical Lutheran Church.

Odd Facts

Gen. John A. Logan, commander of the Union veterans' Grand Army of the Republic, issued his Order No. 11 in 1868, setting May 30 as an annual date for "strewing with flowers or otherwise decorating the graves of comrades. . .whose bodies now lie in almost every city, village and hamlet churchyard of the land."

White dwarf stars are named for their hot, bluish - white glow and small size. Astronomers believe they represent a stage in the evolution of stars and not a separate kind of star.

A stone-walled, thatch - roofed shepherd's hut at an elevation of 17,100 feet in southern Peru is believed to be the world's highest permanent habitation.

The wettest state in the United States is Louisiana, with a 65-year annual average of 57.34 inches, while the driest is Nevada, with a 65-year annual average of only 8.60 inches.

GRIN AND BEAR IT — By George Lichty

"I'm sure Congress can adjourn without you, dear! . . . Must you ALWAYS stick around to see the last bill killed?"

Adam Has 'Em

By David Lawrence

Rep. Powell Continues To Get Votes

There's a lot of agitation these days about civil rights, but very little is said about civil responsibilities. All sorts of public demonstrations are being staged in the South to assure Negroes of the right to vote — but there is little concern apparently over what they do with the vote in those sections of the country where they have been exercising that right freely for many years.

David Lawrence

For nine consecutive terms now —18 years—in a district in New York City populated predominantly by Negroes and Puerto Ricans, Adam Clayton Powell, a Negro clergyman, has been elected to Congress. By reason of the seniority rule and length of membership, he now is chairman of the House Committee on Education and Labor.

He cannot be displaced unless the Republicans win control of Congress this November, or unless he is himself defeated.

It might be thought that the chairman of the committee of the House of Representatives which deals with such an important subject as labor relations would be attending committee meetings and sessions of the House at this time, as the work of Congress is currently in the most decisive stage of the present session.

STRIKES and work stoppages in missile plants are causing grave anxiety. The all-important federal aid-to-education bill is tied up in joint conference, in which his committee plays an influential part but Mr. Powell chose this period for a six-week trip abroad.

The New York Times, in an editorial last Thursday under the caption "Powell's Shameless Junket," said:

"In the midst of the important closing period of the congressional session, when a record of accomplishment vs. do-nothingism is in the balance, the chairman of a major committee of the House is traveling about Europe on a frivolous junket. Almost needless to say, this is Adam Clayton Powell, chairman of the Education and Labor Committee, a Democrat from Harlem who annually vies with Buckley of the Bronx for the dishonor of being among the most absent members of Congress.

"Rep. Powell sailed for Europe Aug. 8 with Mrs. Tamara J. Wall, associate labor counsel for the committee, and Miss Corrine Huff, receptionist in his office.

"They are due back about Sept. 21. Mr. Powell is supposedly conducting an inquiry into equal opportunities for women in Europe, a study that will take him to a Paris night club show, a Venice film festival and possibly on an Aegean cruise. State Department officials have been alerted to arrange hospitality and entertainment, as well as counterpart funds—other countries' reimbursement for our foreign aid — which conveniently need not be accounted for in detail by our traveling congressmen. Mr. Powell is not alone in the enjoyment of this and other abuses of the congressional privilege.

"THE RECKLESS, irresponsible conduct of Mr. Powell is a disgrace to the people of his district, to the United States Congress and to the Kennedy administration, which to its discredit sent secretaries Ribicoff and Goldberg to New York last year to attend a Powell glorification dinner.

"We say it is time for the people of Harlem to wake up, quit making a hero out of this man who holds in such contempt his obligations in public office, and retire him from Congress before he has a chance to make good on his repeated promises to retire himself.

"As for the House of Representatives and the Kennedy administration, have they no discipline for a member, and especially a committee chairman, who runs away to Europe for six weeks on idle whimsy like this 'inquiry' just at a time when Congress is — belatedly — trying to get down to serious business?"

The next day news dispatches reported that Mr. Powell had suddenly cut short his tour and flown from Madrid to Puerto Rico, where he maintains a $50,000 home and where his wife spends most of her time, though she is on the congressional payroll at a salary of $12,000 a year as a staff member of the committee of which her husband is chairman.

Mr. Powell says his wife earns her pay because she handles the voluminous mail he receives from Spanish - speaking constituents in New York City.

MR. POWELL is up for reelection this autumn, but he isn't worried about the outcome. The Negroes in his district are expected to continue to reelect him. The Kennedy administration is expected to help him get elected. Maybe the explanation for this was given recently by J. Kenneth Galbraith, former Harvard professor, close adviser to President Kennedy, and now U. S. ambassador to India.

In a speech on Aug. 8 before the Constitution Club in New Delhi—an assemblage of members of the Indian Parliament—Mr. Galbraith told why the Kennedy administration is against "colonialism" and why it supported Indias as against Portugal when Nehru invaded the Portugese province of Goa. The American ambassador to India said:

"Perhaps our reasons for this stand are even more pressing than yours. Africa is the continent most intimately identified with modern colonialism. A very large number of Americans are of African origin. The administration which I represent came to power because it enjoyed the overwhelming support of the 19 million Americans — about 10 per cent of the population — of African descent. These help form our attitudes toward colonialism. On the basis of a long and close political association with Negro friends and colleagues, I can assure you of the strength of these attitudes and also of their political force."

In other words, American policy in foreign affairs is made nowadays on the basis of what will win the Negro vote in America and not on the principle of what is right for all the people of the United States — such as perserving, for instance, a naval base for our armed forces in the Azores which Portugal has granted us but now is reluctant to renew.

This is the expediency doctrine of a politically minded Administration now fully confessed by one of its principal advisers.

A Fare Question

By Fred B. Stauffer

Can lowered airline fares attract sufficient additional business to combat mounting costs of big jet operation?

This question plaguing the domestic airlines and the Civil Aeronautics Board for months may receive a partial answer in experiments by several carriers with the introduction of three classes of service and three rates of fare in the same airplane on certain routes.

Continental Airlines recently won CAB approval for first class, a new business class, and economy coach service on some of its jet flights between Chicago, Kansas City, and Denver and Los Angeles. The CAB by a 3-2 vote, allowed trial of the plan for five months, and said it will investigate the results after a short term of testing.

The dissenting members of the CAB had held that the present low period of airlines earnings is not time to experiment with lower fares.

Much the same position had been taken by airline opponents, American, United, Trans World Airlines and Braniff.

But with approval given by CAB, these dissidents are expected to engage in the test in some form. American already has instituted a plan similar to that of Continental.

Many of Continental's jets on the specified routes now carry first-class passengers at the usual fare; a slightly larger number of business-class patrons at rates 12 to 15 per cent under first-class, and a large complement of economy passengers at fares about 20 per cent under the former jet coach.

Continental reported that the new service got off to an auspicious start on its first three days, the Aug. 24-26 weekend. System traffic for that period topped the three preceding weekends by an average of 17 per cent and was the highest for any weekend since the New Year's holiday traffic.

Those system figures of improvement were more than matched by results in the sector on which the new fare levels apply. Traffic on that sector was up 36.5 per cent from the preceding three weekends, while on other routes the rise was 1.5 per cent.

Monroe Doctrine Barred 'Systems'

"We should consider any attempt on their part to extend their system to any portion of this hemisphere as dangerous to our peace and safety. . ."

This was the salient passage in the Monroe Doctrine, as laid down in 1823 by President James Monroe.

Speaking of foreign nations in general and in particular of Spain and Russia, President Monroe said: "We could not view any interposition for the purpose of oppressing them, or controlling in any other manner their destiny, by any European power, in any other light than as the manifestation of an unfriendly disposition toward the United States . . ."

The significance of the Monroe Doctrine did not lie in its intent to close the New World to military conquest. It lay instead in its intent to close the New World to Old World influence by any means.

THE OLD WORLD "system was the specified target of the doctrine. The fear of Britain, which had relinquished a shaky hold on the New World, was that its rivals for power would take advantage of its withdrawal. To avert this Britain urged the United States to post No Trespassing signs and promised to enforce the order with the British navy.

The hope then and the hope still is to make the New World safe for popular government. There has been despotism in the New World and there will be more. But despotism has not been permitted to dig in and establish itself here as acceptable practice.

This is the issue that has developed in Cuba.

IT IS NOT the remote possibility that the assorted Communists who have moved into Cuba might use the island as a military base for aggressive takeover of New World territory.

It is not the more remote possibility they might launch an invasion of the United States.

It is the immediate likelihood they are going to establish their system elsewhere in the New World, as they already have established it in Cuba.

Their "unfriendly disposition" toward the United States is obvious.

Everything they have done in Cuba reflects animosity toward the United States. This country is the butt of all their propaganda.

THEY KNOW clearly what the Kennedy administration says isn't clear yet to its own observers — that they are in Cuba to make trouble for the United States and to make a mockery of the Monroe Doctrine.

If they never fired a gun or had a gun they could fire, their intent would be the same. They are extending their "system" to the Western Hemisphere; they are doing something they have been warned since 1823 not to do because it would be considered "dangerous to our peace and safety."

There is real danger the Kennedy administration may be drawn into dialectics over Russia's real intentions. The intentions are obvious. There is nothing to argue about, except how soon they must get out on pain of being thrown out.

Check Again

A near tragedy in Ottawa, Canada, reminds of the danger from discarded ice boxes and other big containers that have doors which snap shut.

In the Canadian case, a 4-year-old girl was found alive after being trapped for six hours and 40 minutes. A small amount of air seeping into the box saved the child's life.

The next youngster who is trapped may not be so fortunate. To make sure it doesn't happen here, take inventory at your own home and at any nearly vacant lots. The smashing of any lock or locks that are still in working order could eliminate the threat of danger if any old ice boxes or other big containers are found.

You Too Can Have A U2

The U2 airplane has been a bright spot in a dismal outlook. It is one of a few things the United States has done so well during the cold war no one is known to be in close competition.

Thanks to this high-altitude plane with the remarkable characteristics that make it fly long distances with relatively little fuel, the United States knows nearly everything knowable about what has been done on the ground in the territory of its possible opponents.

It was encouraging to learn that U2 planes had shuttled back and forth over the Soviet Union in the '50s. It is encouraging to know that U2 planes flying from Nationalist China have been shuttling back and forth over Red China in the '60s.

It was encouraging a few days ago to know the Soviet Union was complaining about a violation of air rights over Sakhalin Island.

If the United States failed to take every advantage of a triumph of airplane design that makes it possible to photograph and detect evidence of military effort in potentially unfriendly countries, it would be remiss. This is the theory of aerial inspection the United States has put forward as the strongest possible deterrent to war. If we believe in it, we should be doing it—and we are.

The "cover stories" that explain occasional detection and destruction of the planes are of no importance. Americans don't care whether U2 planes are blown off course or whether they were flown off course. All that matters is that they are being flown where they can be most useful — over Red China, over Russia, over possibly fortified islands in the Pacific.

And was the U2 the Chinese Reds claim to have shot down and the Nationalist Chinese admit they lost "sold" to Nationalist China by its U.S. manufacturer? Undoubtedly — but did not the United States pay for it? Undoubtedly.

Concern At Lisbon

Ending of the five-week strike at the Mackintosh-Hemphill Division plant at Midland has brightened the labor picture in the district which, over the years, has enjoyed a fairly good record of industrial peace.

Scheduling of new talks in the 66-day-old strike at the R. Thomas Works of the H. K. Porter Co. at Lisbon also brings new hope that production may be restored at that plant.

Contract negotiations and worker-management differences are complex and controversial matters in any industry, but responsible company officials and union leaders are aware that the general public, the families of the workers, the stockholders and others have a vital stake in a plant's operation and future.

Whatever economic pressure or operating problems are involved, the Thomas Works shutdown remains a grave concern for a great number of people.

Fitted For A Noose

By Truman Twill

You might feel better too after reading "What's 'Right' and 'Left' — a Guide for Responsible Anti-Communists."

Perhaps you also have felt sick about the prospect of lining up with one set of bully-boys to fight another set — the stupid choice that destroyed Germany when it fought the Communist conspiracy by joining the Nazi conspiracy.

Freedom House, an organization of liberal, moderate and conservative leaders who support democratic principles, points out in "What's 'Right' and 'Left' " what you may have discovered in your own investigation—that extremists of any stripe who try to put people under their thumbs are to be feared.

"We emphasize that the Communist conspiracy is a counter-revolutionary movement on the reactionary right — the totalitarian twin brother of Fascism and Nazism," declares the Freedom House report, which urges opposition to all extremists who support either communism or the reactionary "right" because they both stand for tyranny.

Instead of being in the middle, where we usually are represented as being, all of us who genuinely respect human freedom are grouped against those who have no real respect for the individual and therefore assume the right to tell him what he must think and do.

In actual truth, if we believe the indivudual has the inalienable right to make his own decisions and think his own thoughts we are as far to the "left" as anyone ever can be, even though we may think of ourselves as "conservatives."

We are "liberals" in the classic sense; i.e., we believe absolutely in human freedom and are therefore completely opposed to every proposition that denies it as the first and foremost human right.

We do not care what people call themselves. All we watch for is what people do. If they start to reach for the whip, if their first move is toward our throats, they are despots at heart.

It's so simple yet so hard to understand. Sometimes it seems as though experience counted for nothing in human affairs and each person and each generation had to learn to its own sorrow the symptoms of despotism.

Each would-be despot wraps himself in the cloak of what he isn't; there's no acceptance anywhere for despotism. But why despots can fool their intended victims is as hard to understand as the wolf's ability to fool Red Riding Hood. Obviously the kid was stupid.

Stupidity can destroy freedom. But freedom can be preserved if all people who genuinely cherish it for others as well as for themselves would work harder to penetrate the disguises of despotism.

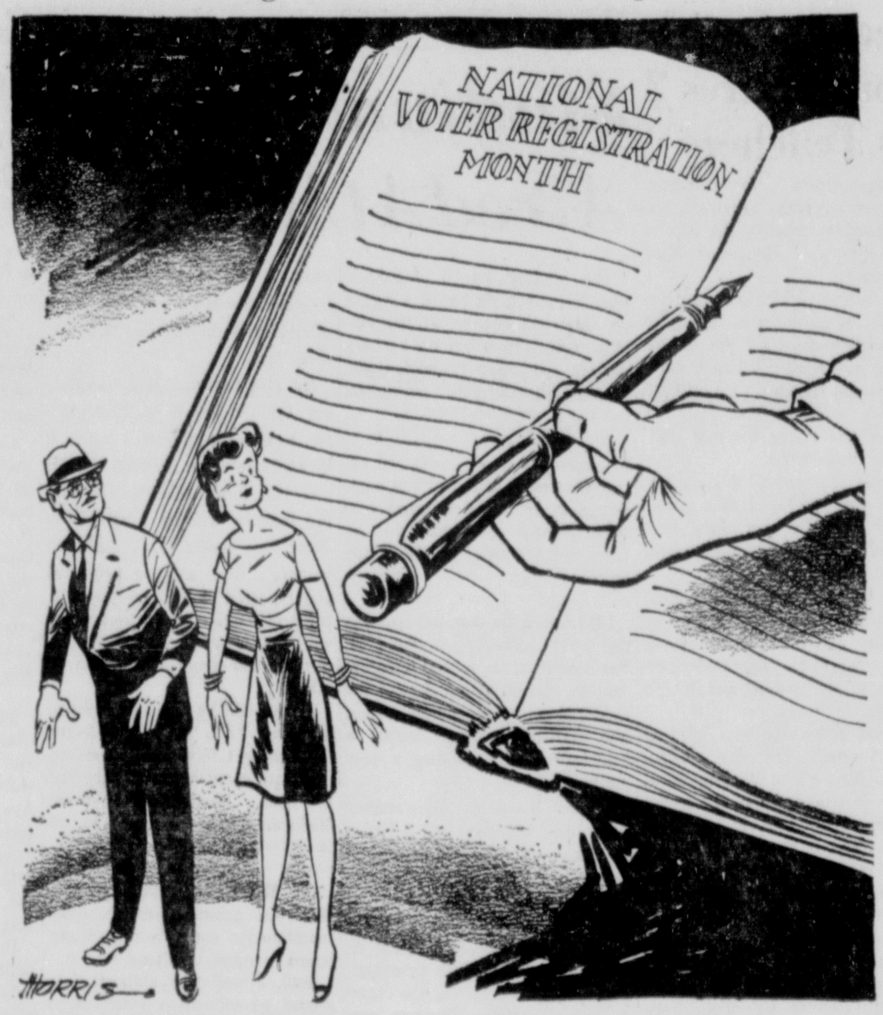
Does the would-be despot believe in strong-arm tactics? Does he want to smash something to save something? Does he believe in thought-control? Does he want to tell other people what to say and what to believe? Is he careless about the rights of others when he claims to be defending his own. Does he show a weakness for the big lie in stating what he proclaims to be the big truth?

Watch out. Your neck is being fitted for a noose.

Dynamite was invented by Alfred Nobel, the famed Swedish manufacturer and philanthropist, with the hope that it would help to improve civilization. It was much to his dismay that dynamite became a force of destruction and, to help soothe his conscience, Nobel used the fortune he made from this weapon of warfare to establish his nobel prizes.

The oldest sport known to man is generally conceded to be archery — which started long before the days of Robin Hood and is a sport older than the wheel and axle.

Sign Of Good Citizenship



'Allied' Ships Carry Red Cargo

By Victor Riesel

Cuba's waterborne supply lines can be cracked with the stroke of a pen!

What's needed is a presidential directive shutting United States ports to vessels and ship - chartering companies which deal with the enemy. This means a blacklist. Why not?

Victor Riesel

There are many foreign firms now making millions of dollars from the United States government itself by carrying heavy tonnage of federal cargo across the world. And yet these same ships—lists of which any federal agency can get along this waterfront—not only supply Cuba, but Communist China, Russia, Poland and even weird Albania. This the foreign flag ships often embark on immediately after delivering American cargo abroad.

Thus, not only do the foreign vessels strengthen our enemies but they weaken the United States by depriving our seamen of jobs and our shipping firms of profits.

TANKERS of our NATO allies, for example, have been running Soviet oil to Cuba for many, many months now—long before the Soviet landings on the island needled some of us into an outcry over the current merchant fleet supplied to the Soviet bloc by nations to which we have been giving billions of dollars.

Those tankers are chartered by the Russians because the Soviet Ministry of the Maritime Fleet is short of these big floating fuel tanks.

The tankers, owned by Greek and British firms, or by complex companies operating under Panamanian, Liberian, and Honduran flags, first deliver the Russian oil to Hvana. Then the empty tankers put into U.S. ports for profitable cargoes.

This may be cut down some day. The Soviets have just completed the "Bucharest." This is the fifth in a series of huge tankers which they call "Peking type vessels." They have been built in the Leningrad "Baltic shipyards."

So desperately does Cuba need this fuel that it has become traditional for the Soviet ministry to put its new tankers immediately into the Cuban run. But still there are not enough. Yet ships of our "friends" continue to help them.

THEN THERE ARE the ship operators who get business from the American government because of our efforts to feed a hungry non-Communist world.

There is a federal directive which states that only 50 per cent of our shipments of surplus foods to needy nations must be shipped in United States "bottoms." So, to lend a hand and a dollar to freighters of friendly nations, we give them the cargo job.

Many of these foreign flag ships carry grain to the Orient. Sometimes to India. Sometimes to Africa or the Near East. Then they steam into the China Sea and the Pacific. There they shuttle back and forth for the Peiping Communist government. In Hong Kong recently I talked to masters and mates of such ships.

They disclosed that after handling some of the "Chi-com" business they heave back to Europe's Communist block ports. There they load up with heavy cargoes for Cuba. Of course, they carry armaments. But almost as vital are the vast quantities of pre-fabricated factories and plants, machine tools, spare parts, steel mill sections and electronic equipment.

These will create a Soviety-type industrial system in Cuba. In a few years it will begin producing for export to the South American market—thereby undermining local producers and therefore chances for recovery amongst our Alliance for Progress allies.

AFTER THE NATO nation ships unload in Cuban ports they have only one chance for a new payload there. That is sugar. But sabotage and sheer inefficiency have slashed the harvesting of this crop. So there is only enough for part of the chartered supply fleet.

The ones who get the loads then steam to Russia and Poland or through the Panama Canal to China. But all the other vessels face going back "light."

Thus many of them, after dropping their Red Cargoes in Cuba, head for the United States to make certain they can pick up a paying shipment and thus make a profit from both sides.

There are waterfront union leaders here who say they have evidence that the Yugoslav merchant fleet is running cargo for the Communist bloc. This cargo, they say, is mostly military. It comes from the Czech munition-making complex built around the famed Skoda works. Waterfront experts report that Yogoslav ships regularly put into Havana.

FURTHERMORE, the union leaders assert bluntly—sometimes in anger fully peppered with sailor's language—that the State Department has all this information. And that it has had it for some time.

Why then does everybody in official circles seem so surprised these days?

Why not blacklist those ships which make a dollar out of trading with enemies who already are shooting at American soldiers, sailors and airmen? Why not?

Down Through The Years

From The Review Files

THIRTY YEARS AGO — Frederick Banfield of Riverside Ave., Wellsville, left to enter Mt. Union College at Alliance as a freshman.

Miss Adeline Blake, a member of the high school faculty, discussed Oxford University and her travels in Europe during a luncheon meeting of the East Liverpool Rotary Club.

About 1,800 children reported for the beginning of the 1932-33 school term at Wellsville.

TWENTY YEARS AGO — Mr. and Mrs. Arleigh Barrett, 1194 Erie St., left to enter the Chicago Evangelistic Institute.

Mrs. Edward House was named president of the Mary Leighton Class of the Wellsville Central Methodist Church.

TEN YEARS AGO — James C. Ebaugh, son of Mr. and Mrs. James M. Ebaugh of Calcutta, entered St. Vincent's Prep School at Latrobe on a scholarship.

Mrs. Mary Dray was received as a new member of the Sara J. Reinartz Missionary Society of St. John's Evangelical Lutheran Church.

GRIN AND BEAR IT — By George Lichty

"I'm sure Congress can adjourn without you, dear! . . . Must you ALWAYS stick around to see the last bill killed?"

Odd Facts

Gen. John A. Logan, commander of the Union veterans' Grand Army of the Republic, issued his Order No. 11 in 1868, setting May 30 as an annual date for "strewing with flowers or otherwise decorating the graves of comrades. . .whose bodies now lie in almost every city, village and hamlet churchyard of the land."

White dwarf stars are named for their hot, bluish - white glow and small size. Astronomers believe they represent a stage in the evolution of stars and not a separate kind of star.

A stone-walled, thatch - roofed shepherd's hut at an elevation of 17,100 feet in southern Peru is believed to be the world's highest permanent habitation.

The wettest state in the United States is Louisiana, with a 65-year annual average of 57.34 inches, while the driest is Nevada, with a 65-year annual average of only 8.60 inches.

Issued In Steubenville

Albert Carr, East Liverpool, and Betty Smith, Irondale.

Proclamation Issued

Mayor Bert H. Goodballet today issued a proclamation asking residents to observe Oct. 14-20 as National Public Works Week and urging them to acquaint themselves with problems involved in providing public works facilities and recognize the role played by public works officials. The week is co-sponsored by the American Public Works Association and Kiwanis International.

Crash Damages 2 Cars

A collision Monday morning at E. 6th St. and Broadway damaged a 1957 four-door sedan driven by Jack Fulmer, 60, of 115 E. 6th St. and an auto operated by Eugene Taylor Jr., 1427 Commerce St., Wellsville, police said. Fulmer told police the left side of his car was struck as he drove through the intersection.

Adelines' Board To Meet

The Executive Board of Sweet Adelines, Inc., will meet Friday night following chorus rehearsal in the Potters Savings & Loan Co. annex. Mrs. Bette Damaske, president, will preside.

Mary's Little Lamb?

A stray sheep was spotted in the Chester Lumber Co. area on W. Carolina Ave. in Chester about 12:30 a. m. today. Patrolman Frank Fetty and three or four other men tried to catch it, but it eluded them. It was spotted several times until around 1 a. m. It was last seen going up the railroad tracks between 1st and 2nd Sts.

Lake Marwin

allows no drinking or rowdyism. All dances are adult supervised. Parents are welcome.—Adv.

Mrs. Frances Malone, 924 Commerce St., Wellsville, has returned home from the Cleveland Clinic Hospital after surgery.

Discharged at Rochester General Hospital Monday were Mrs. Harriet Clark, Mrs. Susan Clements, Charles Joseph, Nicholas Maglic and Tony Starost, all of Midland.

Appeal

(Continued from Page One)

of the tax question to the Election Board.

Law allows the city 50 days in which to file its brief, but Cooper said not that much time will be required.

The Labor Council then countered with a mandamus action to force the auditor to certify the question and Judge Buzzard ruled in its favor.

Cooper made his announcement of the appeal in a prepared statement which he read to Council in its caucus session.

He said the auditor's action in rejecting the petitions was based on a ruling from the solicitor's office. The ruling, in turn, was based on Ohio Supreme Court decisions, Cooper said.

Cooper declared that the city's contemplated action "is not a delaying maneuver." The notice of appeal was filed as soon as the journal entry was signed by Judge Buzzard, he said.

Instead of taking preliminary action in Common Pleas Court, the city is appealing direct to the district court, he added. Several actions could have been filed in the Lisbon court that would have delayed the final decision for weeks, Cooper added.

Opposed To Appeal

As Council's session ended, Duffy declared again he was not in favor of appealing the tax issue.

"I want to thank Judge Buzzard for his ruling on the income tax," he said. "The people are still entitled to a vote on it. They settle the firemen's levy and the school levies—why shouldn't they settle this?"

Rain Postpones Work On Crossing, Streets

Wet weather Monday caused postponement of work on a low-cost street surfacing program and repair of the Mulberry St. railroad crossing, Safety-Service Director Robert Owen said today.

Because of continual morning rain, the Ohio Tar & Asphalt Co., Inc., of Canton did not send its crew here to continue with the street surfacing work, which was virtually completed Saturday in Fisher Park and part of Pleasant Heights. At mid - morning today, the work had not resumed.

Deaths and Funerals

Death Claims Wife At 82

NEW CUMBERLAND — Mrs. Belle Bailey, 82, of R. D. 1 died Monday at 7:15 p. m. at the Gill Memorial Hospital at Steubenville after a lengthy illness.

She was born near Morgantown, March 12, 1880, and was a member of the Methodist Harner Chapel there.

Survivors are her husband, M. M. Bailey at home; five daughters, Mrs. Bessie Schartiger of Camden, Mrs. Cora Beall of Morgantown, Mrs. Goldie Howell of Fontana, Calif., Mrs. Arminda Devitt of Burgettstown R. D. 1 and Mrs. Rudy Ross of R. D. 1; three sons, Odd Bailey of Burgettstown R. D., Joe Bailey of Morgantown and Lawrence Bailey of Santa Clara, Calif.; two brothers, Ward White and Alex White, both of Minorra, W. Va.; a sister, Mrs. Statt Murphy of Minorra and 30 grandchildren.

Services will be held Thursday at 2 p. m. at the Welch Funeral Home at Hookstown with burial in Mill Creek Hill Cemetery.

Friends may call at the funeral home after 7 tonight and Wednesday afternoon and evening.

Mrs. Lucy Graham

Mrs. Lucy Graham, a former potter, died Aug. 13 in the Cresta Loma Convalescent Home in Lemon Grove, Calif.

Mrs. Graham was born in New Cumberland to Harry Groscross and Anna Groscross Long.

She was employed as a waredresser at the Homer Laughlin China Co. until leaving East Liverpool 10 years ago. She resided in Columbus before moving to California about four years ago.

She is survived by a daughter, Mrs. Georgeanna Henry in Arizona; two brothers, George Groscross and Gerald Long, both of Los Angeles, and six grandchildren.

Services were held in Lemon Grove with burial in San Diego.

Mrs. Sylvia Smith

Services for Mrs. Sylvia M. Smith, 61, of Madeira Beach, Fla., a native of East Liverpool, will be held Thursday at 2 p. m. at the Dawson Funeral Home.

Dr. A. K. Davison, pastor of the First United Presbyterian Church, will officiate. Burial will be in Riverview Cemetery.

Friends may call Wednesday at the funeral home.

Mrs. Smith died Friday evening at her home. She left here about nine years ago to reside in Florida.

George R. Davis

George R. Davis, 108 E. Church Ln., died at 8:30 a. m. today at City Hospital following a long illness. He was 52.

Mr. Davis was born in Hancock County to Maywood Davis and Mary Smith Davis. He was employed last as a truck driver.

He is survived by three brothers, Ted E. Davis of Pittsburgh, J. L. Davis of Steubenville and William Roy Davis of Seattle.

The Dawson Funeral Home is arranging services.

Roy Fitch

Roy Fitch of Portland, Ohio, a construction worker, was killed Monday afternoon in a job mishap.

He is survived by his widow, Mrs. Mildred Fitch, and two daughters, Belinda and Cynthia. Mrs. Gladys Fryman of East Liverpool is a sister-in-law.

Services are pending in Portland.

Carrigg Speaker For Area Ruritan

"President By Accident" was the theme of a talk by Dr. John J. Carrigg of Steubenville at the meeting of the East Liverpool - Calcutta Ruritan Club Monday night at the Calcutta Grange Hall.

Carrigg, Republican candidate for 18th District congressman, traced the history of presidents who have been assassinated or died in office and were succeeded by their vice presidents.

He was introduced by Allen Dalrymple of the Southern Ruritan Club.

Plans for a fish fry and minstrel show were discussed. Richard G. Brian, president, presided. Thirty-three attended.

J. Nelson Larkins of East Liverpool was enrolled as a new member. Ralph Schneider of North Georgetown, district governor, was a guest.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly then this will be your answer. An extremely small hearing aid using a tiny energized unit, has been perfected by a man who himself is hard of hearing and has been for over 20 years. With his new aid, even whispers are crystal clear and your closest friends will never know how you hear so perfectly. If interested it is suggested you write HEARING, P. O. Box 8302, Erie, Pa., you will receive full information at no cost or obligation whatsoever.—Adv.

Georgetown Project Set

Georgetown Council Monday night decided to advertise for bids for resurfacing of the entire length of 1st St. in the borough.

Since no boroughs have reportedly received any liquid fuel tax refunds from Beaver County commissioners, council plans to use the borough liquid fuel tax refunds from the state for the project.

The committee appointed for the street work includes Councilmen Curtis Finley, William Durst, Elmer Laughlin and Kenneth Mackall.

Council hopes to call a special meeting soon to open bids for the work to have it done before cold weather.

Bills were ordered paid. Tony Decapio, president, presided at the meeting in the Borough Building.

French Vote Bid Seen

PARIS (AP)—President Charles de Gaulle reportedly will ask that the French constitution be revised to provide for popular election of the president.

of the tax question to the Election Board.

Law allows the city 50 days in which to file its brief, but Cooper said not that much time will be required.

The Labor Council then countered with a mandamus action to force the auditor to certify the question and Judge Buzzard ruled in its favor.

Cooper made his announcement of the appeal in a prepared statement which he read to Council in its caucus session.

He said the auditor's action in rejecting the petitions was based on a ruling from the solicitor's office. The ruling, in turn, was based on Ohio Supreme Court decisions, Cooper said.

Cooper declared that the city's contemplated action "is not a delaying maneuver." The notice of appeal was filed as soon as the journal entry was signed by Judge Buzzard, he said.

Instead of taking preliminary action in Common Pleas Court, the city is appealing direct to the district court, he added. Several actions could have been filed in the Lisbon court that would have delayed the final decision for weeks, Cooper added.

Opposed To Appeal

As Council's session ended, Duffy declared again he was not in favor of appealing the tax issue.

"I want to thank Judge Buzzard for his ruling on the income tax," he said. "The people are still entitled to a vote on it. They settle the firemen's levy and the school levies—why shouldn't they settle this?"

Rain Postpones Work On Crossing, Streets

Wet weather Monday caused postponement of work on a low-cost street surfacing program and repair of the Mulberry St. railroad crossing, Safety-Service Director Robert Owen said today.

Because of continual morning rain, the Ohio Tar & Asphalt Co., Inc., of Canton did not send its crew here to continue with the street surfacing work, which was virtually completed Saturday in Fisher Park and part of Pleasant Heights. At mid - morning today, the work had not resumed.

Deaths and Funerals

Death Claims Wife At 82

NEW CUMBERLAND — Mrs. Belle Bailey, 82, of R. D. 1 died Monday at 7:15 p. m. at the Gill Memorial Hospital at Steubenville after a lengthy illness.

She was born near Morgantown, March 12, 1880, and was a member of the Methodist Harner Chapel there.

Survivors are her husband, M. M. Bailey at home; five daughters, Mrs. Bessie Schartiger of Camden, Mrs. Cora Beall of Morgantown, Mrs. Goldie Howell of Fontana, Calif., Mrs. Arminda Devitt of Burgettstown R. D. 1 and Mrs. Rudy Ross of R. D. 1; three sons, Odd Bailey of Burgettstown R. D., Joe Bailey of Morgantown and Lawrence Bailey of Santa Clara, Calif.; two brothers, Ward White and Alex White, both of Minorra, W. Va.; a sister, Mrs. Statt Murphy of Minorra and 30 grandchildren.

Services will be held Thursday at 2 p. m. at the Welch Funeral Home at Hookstown with burial in Mill Creek Hill Cemetery.

Friends may call at the funeral home after 7 tonight and Wednesday afternoon and evening.

Mrs. Lucy Graham

Mrs. Lucy Graham, a former potter, died Aug. 13 in the Cresta Loma Convalescent Home in Lemon Grove, Calif.

Mrs. Graham was born in New Cumberland to Harry Groscross and Anna Groscross Long.

She was employed as a waredresser at the Homer Laughlin China Co. until leaving East Liverpool 10 years ago. She resided in Columbus before moving to California about four years ago.

She is survived by a daughter, Mrs. Georgeanna Henry in Arizona; two brothers, George Groscross and Gerald Long, both of Los Angeles, and six grandchildren.

Services were held in Lemon Grove with burial in San Diego.

Mrs. Sylvia Smith

Services for Mrs. Sylvia M. Smith, 61, of Madeira Beach, Fla., a native of East Liverpool, will be held Thursday at 2 p. m. at the Dawson Funeral Home.

Dr. A. K. Davison, pastor of the First United Presbyterian Church, will officiate. Burial will be in Riverview Cemetery.

Friends may call Wednesday at the funeral home.

Mrs. Smith died Friday evening at her home. She left here about nine years ago to reside in Florida.

George R. Davis

George R. Davis, 108 E. Church Ln., died at 8:30 a. m. today at City Hospital following a long illness. He was 52.

Mr. Davis was born in Hancock County to Maywood Davis and Mary Smith Davis. He was employed last as a truck driver.

He is survived by three brothers, Ted E. Davis of Pittsburgh, J. L. Davis of Steubenville and William Roy Davis of Seattle.

The Dawson Funeral Home is arranging services.

Roy Fitch

Roy Fitch of Portland, Ohio, a construction worker, was killed Monday afternoon in a job mishap.

He is survived by his widow, Mrs. Mildred Fitch, and two daughters, Belinda and Cynthia. Mrs. Gladys Fryman of East Liverpool is a sister-in-law.

Services are pending in Portland.

Carrigg Speaker For Area Ruritan

"President By Accident" was the theme of a talk by Dr. John J. Carrigg of Steubenville at the meeting of the East Liverpool - Calcutta Ruritan Club Monday night at the Calcutta Grange Hall.

Carrigg, Republican candidate for 18th District congressman, traced the history of presidents who have been assassinated or died in office and were succeeded by their vice presidents.

He was introduced by Allen Dalrymple of the Southern Ruritan Club.

Plans for a fish fry and minstrel show were discussed. Richard G. Brian, president, presided. Thirty-three attended.

J. Nelson Larkins of East Liverpool was enrolled as a new member. Ralph Schneider of North Georgetown, district governor, was a guest.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly then this will be your answer. An extremely small hearing aid using a tiny energized unit, has been perfected by a man who himself is hard of hearing and has been for over 20 years. With his new aid, even whispers are crystal clear and your closest friends will never know how you hear so perfectly. If interested it is suggested you write HEARING, P. O. Box 8302, Erie, Pa., you will receive full information at no cost or obligation whatsoever.—Adv.

Georgetown Project Set

Georgetown Council Monday night decided to advertise for bids for resurfacing of the entire length of 1st St. in the borough.

Since no boroughs have reportedly received any liquid fuel tax refunds from Beaver County commissioners, council plans to use the borough liquid fuel tax refunds from the state for the project.

The committee appointed for the street work includes Councilmen Curtis Finley, William Durst, Elmer Laughlin and Kenneth Mackall.

Council hopes to call a special meeting soon to open bids for the work to have it done before cold weather.

Bills were ordered paid. Tony Decapio, president, presided at the meeting in the Borough Building.

French Vote Bid Seen

PARIS (AP)—President Charles de Gaulle reportedly will ask that the French constitution be revised to provide for popular election of the president.

Work Pushed On Trade Bill

WASHINGTON (AP) — The Senate Finance Committee goes back to work on President Kennedy's trade expansion bill today with hopes for adjournment apparently hinging on how fast it can get the job done.

Chairman Harry F. Byrd, D-Va. told newsmen he would do his best to get the bill out of committee by Friday. He said he hopes to hold morning and afternoon sessions.

Senate supporters of the administration trdae bill were hopeful they would be able to give Kennedy the broad new tariff-cutting powers and other authority he asked, as the House did earlier this year.

However, they anticipate heavy pressure for inclusion of restrictive amendments in the bill.

The Finance Committee began voting on the trade bill on Aug. 23 but laid it aside so that members could take part in the two-week floor debate on Kennedy's tax revision measure.

If the trade bill can be brought up for floor action next week, leaders in both branches said they would drive to wind up the 1962 session by Sept. 29.

The Senate passed by a 45-22 vote Monday another of the must items on President Kennedy's legislative list and sent it to him to sign into law. The bill authorizes the President to spend $900 million on short-range public works projects to c o m b at unemployment.

Court Cites Preacher In Loudspeaker Case

KINGSPORT, Tenn. (AP) — A Hamilton, Ohio, preacher has been found in contempt of court here for violating a court order forbidding him from using a loudspeaker at his faith healing services.

Sentencing was withheld after the preacher, the Rev. Arnold Staton, 33, said he planned to terminate his services Monday night.

Staton has been conducting faith healing services in a tent near here for three weeks. Residents of the area obtained an injunction last week preventing him from operating his loudspeaker within 500 feet of their homes. They said the noise disturbed them.

In finding Staton in contempt, Chancellor Jackson C. Raulston said Monday:

"You have every right to conduct services and the residents have every right not to be disturbed."

Tax Levy Vote Slated

ASHTABULA, Ohio (AP)—City Council has voted to put on the Nov. 6 ballot a tax levy to raise an additional $295,000. City officials said the levy would come to about four mills.

Church Breaks Ground

Building Project Begins

These five were among the participants at a ceremony Sunday afternoon at which ground was broken for a new $173,000 edifice of the Chester First Methodist Church.

The group includes, from left, the Rev. Paul Dippolito, pastor; Pirl Gibbs, chairman of the trustees; Mrs. Maude Ewing, second oldest living member; Standish Miller, building committee chairman, and Floyd C. Cox, general contractor.

The new structure will be built on the site of the present church at 240 Carolina Ave. The project is expected to be completed next spring. It will feature a new sanctuary and will utilize the present educational unit, which will be renovated and adapted to the exterior style of the new building.

The rite opened with invocation and a hymn, "Faith of Our F a t h e r s." Following a responsive reading, there was a Scripture reading and an address, "Holy Ground," by t h e minister. Remarks also were given by Miller as chairman of the building committee.

The building committee also includes Kent Manley, William Werkheiser, Grant King, Paul Koteski, Lawrence Cullifer, Frank H u t t o n, Mrs. Martha Manypenny and Rev. Dippolito. John J. Rietz of Steubenville is the architect.

Cherokee Scout Leaders Will Air Financial Appeal

Plans for the annual autumn finance drive in the Cherokee Boy Scout District will be aired at a roundtable meeting Wednesday night at 7:30 at Hammond Park in Wellsville.

James Laughlin of Wellsville is district chairman for the drive. Community chairmen are Jerry Russell of Wellsville; Mr. and Mrs. Mike Klembara of W e s t Point and Robert Cole and Kenneth Hutson of Salineville.

A Cherokee District committee meeting will be held tonight at 7:30 at the Chester American Legion Home, with registration of district committee personnel slated, Robert Gray, executive, said.

About 13 attended a meeting of district commissioners Saturday with Don Smith of Chester. It was announced some district Scouters are to appear on Steubenville television station WSTV Thursday to promote a training session at Camp McKinley Sept. 22.

Dayton Suspect Held

DAYTON, Ohio (AP) — Police are holding Temant Peaks, 23, for investigation of homicide in the shotgun-slaying of his brother, Mose, 28. The elder Peaks was shot in the stomach with a 12-gauge shotgun at Temant's home Monday.

DiSalle Raps Rhodes' Data

CINCINNATI (AP)—Gov. Michael V. DiSalle took his drive for reelection into Southwestern Ohio today, charging that campaigning against his Republican opponent, James A. Rhodes, is "like trying to play ping pong on a pogo stick."

Speaking at a breakfast meeting, DiSalle said, "He (Rhodes) throws statistics and figures back and forth in an incoherent numbers game which could lead to various interpretations, the most charitable of which would be a lack of home work or a lack of information."

Of Rhodes' proposed plan for villages for aged in mental hospitals, DiSalle said:

"First he says 11,000 patients can be removed, thus affording more intensive treatment for those left behind in the hospitals.

"Then he turns right around and says the Golden Villages will be staffed by the staff from mental hospitals who no longer will be needed."

Of Rhodes' proposed job plan, the Democrat said:

"In an Aug. 25 release, he set the average national job increase figure at 4.6 per cent. In a Sept. 5 release, he had it at 6.7 per cent.

"In both releases, he mentioned an eight-tenths of one per cent drop in jobs in Hamilton County. On Aug. 25 he said this amounted to 2,568 jobs, but on Sept. 5 he said this eight-tenths of one percent meant 3,200 jobs."

Union Plans Housing For Elderly At Dayton

DAYTON, Ohio (AP)—If financing can be arranged, Dayton-Miami Valley AFL-CIO officials say construction can start next spring on an 11-story, 264-apartment building for elderly persons with better-than-subsistence retirement incomes.

President Al Gellenbeck said financial aid is being requested for the $2,780,000 project from the Housing and Home Finance Agency. An option on the property in northeast Dayton already has been taken, he said, and a second project of the same type may be undertaken if demand is great enough.

Gellenbeck said rent for a living room, bedroom, bath and kitchen apartment with appliances and utilities would be about $75 a month.

DiSalle Plans Speech At Miami Convocation

OXFORD, Ohio (AP) — The speaker at a convocation on Miami University's first day of classes Sept. 18 will be Gov. Michael V. DiSalle.

Miami officials said morning classes that day will be shortened to provide an hour for the governor's talk at 10 a.m.

Bus Driver Indicted In Fatal Pike Mishap

RAVENNA, Ohio (AP)—Second-degree manslaughter indictments have been returned against Steve Amicarelli, 42, of Youngstown, driver of a bus involved in an Ohio Turnpike collision that took two lives and injured 29 other persons.

George Martin, Portage County prosecutor, said two secret indictments were returned last week against Amicarelli.

The bus driver pleaded innocent Monday to a charge of failure to stop in the assured clear distance. That charge, too, stemmed from the Aug. 17 crash.

Amicareli was released on $50 bail after the Municipal Court arraignment. His hearing was set for Oct. 4.

The colision near the Streetsboro interchange on the turnpike involved the bus and a truck loaded with heavy steel rods.

QUALITY AUTO INSURANCE at LOW RATES Century

No Increase In Auto Insurance Nationwide Holds The Price Line

Nationwide has not raised its auto rates in Ohio for more than three years, and has no present plans to do so.

As the state's largest auto insurer, Nationwide makes its own rates independent of the rating bureaus.

2 Boards Ask Pay Hike For Lisbon Staff

LISBON — The Board of Public Affairs and the Cemetery Board asked Village Council Monday for authority to increase salaries of their employes $25 monthly.

With increases, the proposed schedule would be:

Water Department — Supt. Ernest Reisinger, $415; Asst. Supt. Elmer Donnalley, $385; William Carlisle, sewage treatment plant operator, $385, and Clerk Edgar Kirk, $325.

Cemetery Department — Supt. Richard Woods, $375; Ed Meek, $325, and Kirk, $60, making his salary $385 from both departments.

The increases and additional payments to the retirement fund would make the Water Department's monthly payroll $1,155.60 and the Cemetery Board's $770.40.

Both boards have their own operating funds, but wages and major expenditures must be approved by Council.

They made their requests after Clerk - Treasurer Ray Hempstead gave a financial report indicating the village will have a hard time staying out of debt the balance of the year.

Council noted that the raise increase, if granted, would bring a similar request from the police department and street department, and that there is no money in the village treasury for pay hikes.

Mayor Dean Stockman, Hempstead and Solicitor Joseph Baronzzi have taken no pay since June in an effort to leave enough for the full-time employes.

After discussing the paradox that a couple of departments have "full pockets" while another is flat broke, Council decided it is time to try to make things a little more equal.

Members decided not to turn down the requests, but to ask certain concessions of the boards in exchange.

Mayor Stockman and several members of Council will meet with the Board of Public Affairs tonight and with the Cemetery Board later this month.

Council voted to:

Transfer $225 to the swimming pool fund and $25 to the Civil Defense Fund.

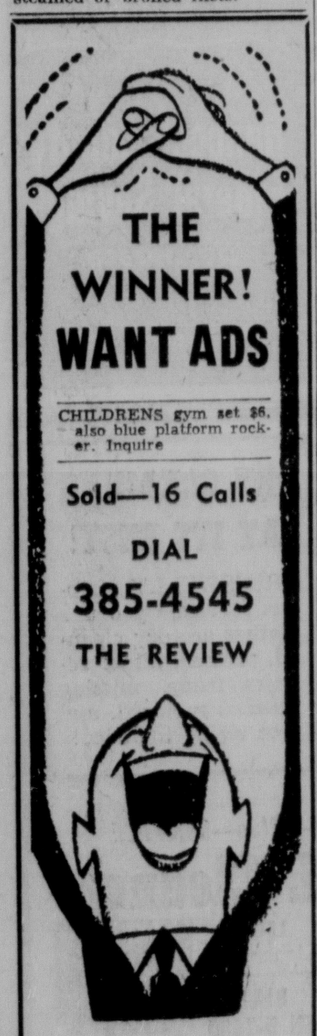
Adopt a resolution authorizing Lisbon to join in the formation of a Columbiana County Civil Defense organization; another resolution in support of a Lisbon homecoming and historical celebration to coincide with the Morgan's raid centennial next July 26, and a third resolution commending the First Methodist Church for buying and razing an old brick block on S. Market St., south of the church;

Make two parking places on N. Beaver St., at Southwest Area Court, for police car parking, and confirm the mayor's appointment of Hempstead as a member of the Park-Pool Commission, replacing George M. Nace Jr., who resigned at the August meeting.

Mayor Stockman announced that the Jaycees are continuing their volunteer maintenance of Village Hall by painting outside trim and puttying windows.

Several councilmen said they are in favor of changing the parking meters to operate Friday nights instead of Saturday nights. Action was deferred to find out the cost of changing instruction plates on the meter heads.

Dice a canned pimiento and a hard - cooked egg and add it to a cream sauce to be served with fish. This sauce tastes good with a salmon loaf, tuna timbales, steamed or broiled filets.



At Hookstown Church

Becomes Eagle Scout

The Eagle Scout award was presented Robert M. Boone Jr., son of Mr. and Mrs. Robert M. Boone of Hookstown R. D. 1, Sunday at the Mill Creek United Presbyterian Church.

He is shown with his mother, who pinned the award on him after it was presented to her by Willard R. Fox, commissioner of the Logstown Boy Scout District.

Robert, 18, is a senior at South Side High School near Hookstown. He has been in scouting seven years. He received his second class award in August 1957, first class in May 1958, Star Scout in August 1958, Life Scout in July 1960 and his God and Country Award last February.

He attended the National Jamboree at Colorado Springs in July 1960 and received the Jamboree Adventure award.

He is a member of Hookstown Boy Scout Troop 496. James B. Anderson is scoutmaster.

Geauga Levy Sought

CHARDON, Ohio (AP)—Geauga County commissioners have placed a 1-mill levy for additional operating funds on the Nov. 6 ballot. The proposed levy would bring in an additional $98,000 a year for three years.

Guglielmo Marconi (1874-1937) discovered the art of tuning in radio waves.

Post Donates $15 To Center

A $15 donation to the Child Counseling Center was approved at the meeting of American Legion Post 374 Monday night at the East End home.

Thirty - five attended the meeting at which the post received a citation for having the best appearing senior color guard in the 10th District parade in Massillon in June.

James Cregar, commander, appointed Kenneth Brookes, second vice commander, as delegate to the County Council.

Cregar also reported on the district fall conference held Sunday in Creston.

Paul Gill, a member of Glenmoor Post 736, was a guest.

Robert Knoble of Apple Creek, district commander, will be the obligating officer at the meeting Oct. 1.

Chief Leonard Faust, Navy recruiter, screened the 1961 Orange Bowl football game. Lunch was served by Brookes and committee.

Next meeting is Monday at 8 p. m.

Another Meeting Set In Strike At Lisbon

LISBON — Management and labor of the Thomas Works of the H. K. Porter Co. will meet next Tuesday in another effort to settle the wage dispute which has idled the plant since July 1.

Several meetings with a federal conciliator have achieved nothing. The last was Auug. 22.

William F. Hiel, manager of manufacturing at the Thomas Works, resigned Monday to accept a manager's position with General Electric's Locke Insulator Plant at Baltimore.

He is the second official to resign since the strike. Norman Shipley, sales manager, left several weeks ago to take a managerial post with the Porter Co. in Cincinnati.

conduct negotiations on a German treaty since elections to the American Congress are coming up in November," the statement said.

The Soviet government said its ships were carrying not only munitions but machinery and agricultural equipment to Cuba to help build up the country. What these ships contain, the government declared, is the affair of the Soviet Union and Cuba.

"Don't put your nose into other people's affairs," it said.

Commenting on reports in the United States that the Soviet Union is building up a base in Cuba, the statement said such a base is not needed since Soviet nuclear weapons can reach any place on earth and aid can be given to any country on earth directly from the territory of the Soviet Union.

"At the request of the Cuban government, and in response to continued threats, the Soviet Union is delivering to Cuba a certain amount of armaments," the statement said.

"Cuban statesmen have asked the Soviet Union also to send military specialists and technicians to teach Cubans how to master modern weapons. Cuba does not possess such experts."

It said it was not Cuban arms which threatened the United States.

"The revolutionary spirit is what you are afraid of, not military means," the statement said.

25 Of Lisbon Attend Salem Vesper Service Held By OES

About 25 Lisbon residents, including the Rev. Paul T. Gerrard of the First Presbyterian Church, attended the vesper service of District 13 of the Order of Eastern Star Sunday evening at the Masonic Temple in Salem.

Rev. Gerrard was guest speaker. About 250 attended the service and tea that followed.

Mrs. James Starkie, deputy grand matron, and Mrs. Bus Comer, both of Homeworth and Pleasant Valley Chapter, and who is president of District 13 line officers, assisted with the service.

Officers Are Ushers

Worthy matrons and patrons of the district served as ushers and the hospitality committee.

The Lisbon delegation included Mr. and Mrs. Walter Lipp and son, Paul, Mr. and Mrs. Gilbert Marshall, Mr. and Mrs. Ray Beers, Mr. and Mrs. Russell W. Lodge, Mr. and Mrs. Byron Albright, Mrs. George Hayes, Mr. and Mrs. Walter Cope, John A. Noble, Mrs. J. J. Bennett, Miss Lucile Bennett, Miss Josephine Bennett, Mrs. Gerrard, Mr. and Mrs. William L. Lewton and Mrs. Willis McCord.

Approximately 50 attended the "Family Night" coverdish dinner and program at the First Christian Church Sunday evening.

Massillon Pair Speaks

The Rev. and Mrs. Dan Blazier, pastor of the Massillon Christian Church, were guest speakers. They just returned from a three-month tour of communist-dominated countries in Europe and discussed their experiences.

The Class of 1933 of David Anderson High School held a reunion Sunday at Wilow Grove Park with 35 present, including the families.

A 30th anniversary dinner and reunion next September is being planned. Ray Hempstead will have charge of arrangements.

Officers elected to serve for the coming year were Mrs. Donald Smith of Lisbon, president; Marion Byers of Boardman, vice president, and Mrs. Vance Bender of Canton, secretary - treasurer.

Birthday Honored

Mr. and Mrs. Donald Hill and sons, Jack and Blair, of Sunset Dr., Stadium Heights, entertained relatives and friends Sunday at a dinner honoring the birthday anniversary of her father, Harley Kelch, of Guilford Rd.

Those present from out-of-town were Mr. and Mrs. David Hyman of Columbus, Mr. and Mrs. Roger Kelch of East Palestine, Mr. and Mrs. John Phillis and family of Medina, Mr. and Mrs. Allen Westover and children of Guilford and Mr. and Mrs. Paul Hoff Jr. of Ithaca, N. Y.

Sunday guests of the Rev. John C. Campbell and Mrs. Richard Watson of East Lincoln Way were Mr. and Mrs. A. F. Colley and Mr. and Mrs. D. R. Lewis of Akron. Also visiting Mrs. Watson and her daughter, Mrs. Gwendolyn Henthorne, were Mrs. Ruth Aughinbauch and Mrs. Katie Bickle of East Liverpool.

Mr. and Mrs. Fred Reese of N. Park Pl. and Mr. and Mrs. Ralph Farmer of N. Jefferson St. spent the weekend at Atlantic City and attended the Miss America Pageant Saturday night.

Mrs. William Low of E. High St. has returned from Toledo, where she spent the weekend with her husband, who is employed there.

Red Air Expert Dies

MOSCOW (AP)—Vladimir Klimov, 70, famed designer of jet engines used in MIG fighters and other Soviet aircraft, died Sunday. Klimov began working in the Soviet Union's aircraft industry in 1918 and became its chief designer in 1935.

Fry small bread cubes in bacon fat — slowly so the croutons will be crisp — and serve atop creamed spinach. If you cook bacon very slowly the fat will remain white and will be fine to use for this purpose.

GET THE BEAUTYREST YOU NEED . . . WE OFFER A COMPLETE SELECTION. *All standard sizes . . . 3 King-Sizes . . . each in a choice of Firm or Extra Firm . . . Tufted or Quilt Top*

2 Boards Ask Pay Hike For Lisbon Staff

LISBON — The Board of Public Affairs and the Cemetery Board asked Village Council Monday for authority to increase salaries of their employes $25 monthly.

With increases, the proposed schedule would be:

Water Department — Supt. Ernest Reisinger, $415; Asst. Supt. Elmer Donnalley, $385; William Carlisle, sewage treatment plant operator, $385, and Clerk Edgar Kirk, $325.

Cemetery Department — Supt. Richard Woods, $375; Ed Meek, $325, and Kirk, $60, making his salary $385 from both departments.

The increases and additional payments to the retirement fund would make the Water Department's monthly payroll $1,155.60 and the Cemetery Board's $770.40.

Both boards have their own operating funds, but wages and major expenditures must be approved by Council.

They made their requests after Clerk - Treasurer Ray Hempstead gave a financial report indicating the village will have a hard time staying out of debt the balance of the year.

Council noted that the raise increase, if granted, would bring a similar request from the police department and street department, and that there is no money in the village treasury for pay hikes.

Mayor Dean Stockman, Hempstead and Solicitor Joseph Baronzi have taken no pay since June in an effort to leave enough for the full-time employes.

After discussing the paradox that a couple of departments have "full pockets" while another is flat broke, Council decided it is time to try to make things a little more equal.

Members decided not to turn down the requests, but to ask certain concessions of the boards in exchange.

Mayor Stockman and several members of Council will meet with the Board of Public Affairs tonight and with the Cemetery Board later this month.

Council voted to:

Transfer $225 to the swimming pool fund and $25 to the Civil Defense Fund.

Adopt a resolution authorizing Lisbon to join in the formation of a Columbiana County Civil Defense organization; another resolution in support of a Lisbon homecoming and historical celebration to coincide with the Morgan's raid centennial next July 26, and a third resolution commending the First Methodist Church for buying and razing an old brick block on S. Market St., south of the church;

Make two parking places on N. Beaver St., at Southwest Area Court, for police car parking, and confirm the mayor's appointment of Hempstead as a member of the Park-Pool Commission, replacing George M. Nace Jr., who resigned at the August meeting.

Mayor Stockman announced that the Jaycees are continuing their volunteer maintenance of Village Hall by painting outside trim and puttying windows.

Several councilmen said they are in favor of changing the parking meters to operate Friday nights instead of Saturday nights. Action was deferred to find out the cost of changing instruction plates on the meter heads.

Dice a canned pimiento and a hard - cooked egg and add it to a cream sauce to be served with fish. This sauce tastes good with a salmon loaf, tuna timbales, steamed or broiled filets.

THE REVIEW

At Hookstown Church

Becomes Eagle Scout

The Eagle Scout award was presented Robert M. Boone Jr., son of Mr. and Mrs. Robert M. Boone of Hookstown R. D. 1, Sunday at the Mill Creek United Presbyterian Church.

He is shown with his mother, who pinned the award on him after it was presented to her by Willard R. Fox, commissioner of the Logstown Boy Scout District.

Robert, 18, is a senior at South Side High School near Hookstown. He has been in scouting seven years. He received his second class award in August 1957, first class in May 1958, Star Scout in August 1958, Life Scout in July 1960 and his God and Country Award last February.

He attended the National Jamboree at Colorado Springs in July 1960 and received the Jamboree Adventure award.

He is a member of Hookstown Boy Scout Troop 496. James B. Anderson is scoutmaster.

ures in the township since the June meeting.

Discussion was held on holding alternate meetings at Glenmoor.

Police Constable John Jackson reported the county curfew for juveniles is being enforced in the township.

Next meeting is Oct. 1. About 20 attended.

Mona McComas Becomes Ronald Jay Prince's Bride

Miss Mona McComas wore a princess-style gown of Alencon lace over whispering bouquet taffeta when she became the bride of Ronald Jay Prince the evening of Sept. 1 in the Anderson Methodist Church of Calcutta.

The bride is the daughter of Mr. and Mrs. G. G. McComas, 1015 Pennsylvania Ave., and her husband's parents are Mr. and Mrs. C. E. Prince of R.D. 1.

The Rev. George H. Johnston, pastor, officiated for the double-ring ceremony before an altar background of palms, ferns and candelabra. Satin bows marked the family pews.

Mrs. Hilda Edgar, church organist, presented a half hour of nuptial music. Tommy Schneidmiller sang "I Love You Truly," "Because" and "The Lord's Prayer."

The bride was escorted to the altar and given in marriage by her father.

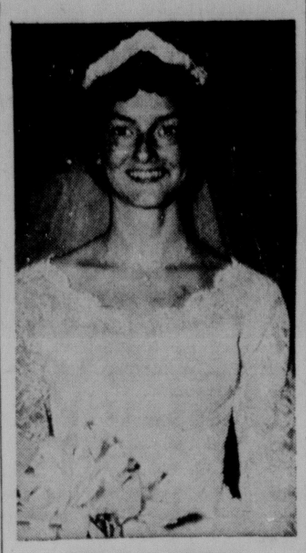
Her floor-length gown was designed with a scalloped Sabrina neckline, trimmed with seed pearls and sequins, and long, pointed sleeves. A scalloped lace overskirt set off the bouffant skirt. A queen's crown of seed pearls and iridescent sequins held her fingertip veil of imported silk illusion. She carried an arrangement of white orchids and satin streamers on a white Bible. All the traditions were observed.

Mrs. Lou Marie Hoffman, sister of the bride, was matron of honor and Miss Sondra Osborne, maid of honor. Bridesmaids were Miss Cheryl Stark and Miss Janie Cunningham.

Their gowns of blue nylon organza were styled with flared, sleeveless jackets. Their matching caps with theater veils and cultured pearl pendants were gifts of the bride. They carried Colonial bouquets of white carnations, tipped in blue, highlighted with white rosebuds and blue streamers.

Cathy Lynn Walls, cousin of the bride, was flower girl. She wore a white nylon organza dress with matching cap and carried a basket of rose petals, decorated with carnations and removable corsage of rosebuds.

Robert B. Hoffman Jr., brother-in-law of the bride, was best man. Ushers were Frank McComas, the bride's brother, James Bissell, nephew of the bridegroom, and Robert Zelch.



MRS. R. J. PRINCE
Her Nuptials Held Sept. 1.

The mother of the bride chose a brown sheath with beige accessories and corsage of yellow tea roses. The bridegroom's mother was attired in a Navy sheath with mint accessories and white rosebud corsage.

A reception for 200 was held in the social rooms. The bridal table was centered with a three-tier cake encircled by carnations.

Aides were Mrs. Pauline Bissell, Mrs. Sally Lynn, Mrs. Vicki Goodballet, Miss Janet Ferguson, Miss Suzanne Bowen, Miss Marsha Franklin, Miss Sue Abrams and Mrs. Judy Cunningham. Miss Susan Shaffer presided at the guest register.

Out-of-town guests were from Muncie, Rochester, N. Y., Pittsburgh, Hudson, Kent, Wellsville, Cleveland, Salem, Canton, Chester and Louisville.

For her honeymoon to New York and Canada, the bride wore a Navy blue sheath with matching accessories and her bridal orchids.

The newlyweds are graduates of East Liverpool High School, the bride in 1961 and her husband in 1960. They are enrolled at Kent State University. The bride is studying health, physical education and biology and the bridegroom business administration.

They will reside in the married students' apartments at the university at Kent.

The bride's parents entertained for the rehearsal party.

Dorsey-Thornberry Rites Held At First U. P. Church

Miss Jane Thornberry, daughter of Mr. and Mrs. Clifford Thornberry, 739 Cartwright Ave., became the bride of Thomas Dorsey, son of Mr. and Mrs. John Dorsey of Ohio Ave., Saturday evening at 6:30 o'clock at the First United Presbyterian Church.

The double-ring ceremony was performed by Dr. Alexander K. Davison, pastor. Nuptial music was played by Mrs. Bernadine Cunningham, church organist.

The bride was given in marriage by her father who escorted her to the altar. She wore a white nylon organza gown styled with applique flowers and long fitted sleeves. Her elbow - length veil was held in place by a single tiarra trimmed in pearls and sequins. She carried two white orchids on a white Bible.

Miss Nancy Schlavach of Erie was maid of honor and wore a bell shaped light green taffeta dress with an overskirt of nylon organza and elbow - length sleeves. Her headpiece matched her gown. She carried a bouquet of yellow mums with sprays of lilies-of-the-valley.

The bride's mother wore a navy blue lace dress with pink accessories and a corsage of white carnations with pink tea roses. The bridegroom's mother wore a dark fall print suit with beige accessories and a corsage of white carnations with yellow tea roses.

Glenn Cunningham was best man and William McKelvey and Timothy Treleven were ushers.

A reception followed in the social rooms. Pink, green and white decorations were used. Aides were Mrs. Frank Thornberry, an aunt of the bride, and Mrs. Robert Hoffman and Mrs. Jack Doughty, sisters of the bride, and Miss Sondra Dorsey, sister of the bridegroom.

The bride was graduated from East Liverpool High School and the Western Pennsylvania School of Nursing in Pittsburgh and will be employed at South Side Hospital in Youngstown. Her husband was also graduated from East Liverpool High School and is attending Youngstown University. He works at the Plaid Stamp Redemption Center in Youngstown.

They are spending a honeymoon in the Eastern States and will reside in Youngstown.

For traveling, the bride was attired in a dark fall print suit with beige accessories.

U2

(Continued from Page One)

the high-altitude reconnaissance flights over Red China would be stopped.

It was learned in Washington that the State Department knew to what use Nationalist China would put the U2s it bought in the United States, and that intelligence information gathered by Nationalist pilots was supplied the United States.

Nationalist China still considers the mainland its territory and brushes aside accusations that its flights are intrusions. Other types of Nationalist planes drop leaflets and food on the mainland.

The United States conceded Sept. 4 that a U.S. U2 may have strayed over the southern tip of Soviet-held Sakhalin and that it was considering precautions to prevent a recurrence. Nothing ever was said to indicate that the United States was halting reconnaissance flights outside Soviet territory.

Peiping radio said an air force unit was decorated for shooting down the U2. It still gave no details on how the plane, which flies at 60,000 to 90,000 feet during reconnaissance, was downed. There was speculation the weapon may have been a Soviet-made ground-to-air missile.

Vocal Group Sets Election

A nominating committee was named at the meeting of the East Liverpool SPEBSQSA Chapter Monday night at the Carpenter Hall.

Bob Blatchford appointed Dale Keddie, Wilbur Newman and Don Schussler. Earl Salisbury, secretary, read a letter from the Colonials, thanking the group for its financial and "moral support" during the international quartet competition held this summer in Kansas City where they placed seventh best in all of the United States and Canada.

It was announced Bill Brooks has been appointed by the Johnny Appleseed District Board of Directors as regional representative to the harmony, education and program committee. He plans to attend the HEP School Oct. 12-14 at Niagara Falls.

The group will serve as ushers for the third annual parade of Sweet Adelines, Inc., Oct. 27 at Westgate School.

Robert Huffman of Lisbon was a guest. Glenn Woods directed the chorus in a rehearsal. Next meeting is Monday at the hall.

Chester Legion To Buy 3 Flags

Chester American Legion Post 121 Monday night authorized the purchase of three flags for the Chester High School Band, an American flag, a West Virginia flag and a band flag.

Donations of $25 to the Child Counseling Center of East Liverpool and the Sweet Adelines group were approved.

In other business a budget for the year was approved and reports were given by Mike Sweeney, service officer, and Ernest John, finance officer.

Everett Stanley of New Cumberland and Charles Casto of Chester were accepted as new members.

Jack Huff, commander, presided. Next meeting is Sept. 24 at 7:30 p. m. at the post home.

People In News

By The Associated Press

Richard W. Reuter, director of the U.S. Food for Peace program, told representatives of 30 nations attending the fifth International Food Congress in New York: "The people of America believe in this program, that the peace we seek can best come from a world of equals—living with dignity and freedom. I believe they dare to look toward the day we have banished hunger from the face of the earth."

Gov. Nelson A. Rockefeller of New York and his daughter, Mrs. William Strawbridge Jr., previewed a new collection of primitive art at the Museum of Primitive Art in New York City with a mixture of pride and sadness. The collection was gathered in Dutch New Guinea by Michael Rockefeller, the governor's son and Mrs. Strawbridge's twin brother.

Michael, 23, disappeared in the New Guinea jungle 10 months ago and is presumed dead. Rockefeller and Mrs. Strawbridge, who supervised the search for Michael for a time, said they were proud of his work.

W. Walton Butterworth, 59-year-old career diplomat, is expected to be nominated new U.S. ambassador to Canada, according to Washington sources. A native of New Orleans, Butterworth is now the U.S. representative of the European Coal and Steel Community, the European Economic Community and the European Atomic Energy Commission.

Cuba

(Continued from Page One)

been the Trafalgar Steamship Co. sugar cargo freighter Newlane. In London, Trafalgar said the Newlane left Havana Monday night under charter. The company said it did not know the 7,043-ton ship's destination because the charter had been arranged by its agents for the Caribbean area.

Havana radio said the Cuban vessel was carrying a load of molasses, the British freighter a load of sugar for Socialist countries.

Calling the alleged incident "a cowardly attack against the Cuban government," the broadcast said a second British ship—with a name which sounded like "Apple Sultan"—escaped the attack because it was delayed in reaching the area.

Man Swims To Safety Past Red's Berlin Wall

BERLIN (AP) —A 21-year-old man swam 300 yards to the safety of West Berlin today, despite gun fire from East German police.

The dramatic escape—the fifth of the day—occurred at 8:30 a.m. near the old Reichstag building.

Janet Ade, E. A. Bartlett Wed In Double-ring Rites

Miss Janet Kay Ade, daughter of Mr. and Mrs. Harry Ade, 715 Edwards Ave., became the bride of Emerson A. Bartlett, son of Mrs. Margaret Jackson of Calcutta, the evening of Aug. 25 at 7:30 o'clock at St. John's Evangelical Lutheran Church.

The Rev. Charles W. Kampmeyer, pastor, officiated for the double-ring ceremony before an altar banked with white gladiolus, mums and seven-branch candelabra. Satin bows marked the family pews.

Mrs. William Riedel Jr. church organist, gave a half-hour recital of wedding music. Mrs. Barbara Stevens sang "The Wedding Prayer," "O Perfect Love" and "O Lord Most Holy."

The bride was escorted to the altar and given in marriage by her father.

She wore a floor-length gown of Chantilly lace and taffeta. The fitted bodice was designed with a scalloped Sabrina neckline, outlined in sequins and seed pearls, and long, pointed sleeves.

The bouffant skirt featured a lace overskirt in the front and tiers of ruffles offering back accent. A jeweled crown held her shoulder-length veil of imported silk illusion. She carried a cascade bouquet of white orchids, stephanotis and baby breath tied with satin streamers. Observing the traditions, she carried her confirmation handkerchief, a gift of Mrs. A. E. Stoddard.

Miss Janet Jones, foster sister of the bride, was maid of honor. She wore a blue chiffon dress fashioned with a lace bolero jacket. Her bandeau of miniature mums, tinted to match her dress, was intermingled with net. She carried a cascade bouquet of similar mums highlighted with baby breath.

Miss Carol Roseberry, as bridesmaid, chose a pink chiffon dress with matching bandeau of mums. Her cascade bouquet featured pink mums.

Archie Tiller was best man. Ushers were Michael Bartlett, brother of the bridegroom, and Bruce McCoy, cousin of the bride.

MRS. E. A. BARTLETT
Bride Of Nuptials Aug. 25.

The mother of the bride chose a pink lace dress with matching hat and beige accessories. Her corsage was of roses and carnations. The bridegroom's mother was attired in pastel blue chiffon with white accessories and white mum corsage.

A reception for 200 was held in the Parish Hall with the Luther Ann Sunday School Class in charge. A three-tier cake, topped with a miniature bridal couple, centered the buffet table, covered with tiers of nylon netting. Wedding bells, centered with white mums, fernery and candelabra, completed the setting. Mrs. Anna Lee Muschweck presided at the guest register.

Guests were from Cleveland, Akron and Parkersburg. The bridegroom's mother entertained for the rehearsal party.

The newlyweds are graduates of East Liverpool High School, the bride in 1961 and her husband in 1960. The bridegroom is self-employed at the EZ parking Lot.

The couple are receiving friends in a newly-furnished apartment on Woodlawn Ave.

New Cumberland Church Plans $40,000 Annex Drive

NEW CUMBERLAND—A meeting of the congregation tonight at 8 will mark the start of a $40,000 fund-raising campaign by the First United Presbyterian Church to construct an educational annex.

The annex, to contain 10 classrooms, will be added to the east side of the stone church near the County Courthouse. It will house Sunday School classes which currently meet in various rooms of the building.

House-to-house soliciting will be conducted Sunday. Residents will be asked to make weekly or monthly pledges over a three-year period. Tonight's congregational meeting will be held in the church.

The Rev. Grant Lowe is minister. Members of the campaign committee are:

Finance — Miss Rowena Herron, Mrs. William White, Glenn Herron, Elmer Swearingen, Paul McSwegin and Robert E. Roach; arrangements — Mrs. Paul McSwegin, Mrs. Robert Roach, Mrs. Thomas Kinder, T. L. Stevens, Mrs. William Edie and Mrs. Shields Cullen.

Preparation — John P. Morgan, John McSwegin, Jack Knox, Dean Chamberlain, Mrs. Glenn Herron, Mrs. Ralph Katzenmeyer, and Mrs. Ben Marshall; personnel — Mrs. James Lohr, Mrs. William Connell, Mrs. George Davis, Patrick Kessel and Dean McAttee.

Promotion — Mrs. Robert Shuman, Mr. and Mrs. Harry Newburn and Mrs. Mildred Householder; church staff — Miss Mary Porter, Mrs. Mercedes Beatty, Miss Karen Beatty, Miss Becky Edie, Anita Bradley, Joyce Price and Dorothy Stevens.

Toronto Man

(Continued from Page One)

en years ago, was found guilty of first degree manslaughter in the shotgun death of Sam Douglas Calhoune.

Authorities said Anderson had received probation in the knife slaying of Ernest Melvin Hudson in 1954 in Jefferson County. Anderson had also served a term in the Moundsville Penitentiary for cutting a fellow coal miner in McKinleyville, W. Va., authorities said.

The case was heard by Judges John J. Griesinger, Arthur Hooper and Ross Michener. Anderson had waived his right to trial by jury.

The element hydrogen is found in all acids.

ures in the township since the June meeting.

Discussion was held on holding alternate meetings at Glenmoor.

Police Constable John Jackson reported the county curfew for juveniles is being enforced in the township.

Next meeting is Oct. 1. About 20 attended.

Mona McComas Becomes Ronald Jay Prince's Bride

Miss Mona McComas wore a princess-style gown of Alencon lace over whispering bouquet taffeta when she became the bride of Ronald Jay Prince the evening of Sept. 1 in the Anderson Methodist Church of Calcutta.

The bride is the daughter of Mr. and Mrs. G. G. McComas, 1015 Pennsylvania Ave., and her husband's parents are Mr. and Mrs. C. E. Prince of R.D. 1.

The Rev. George H. Johnston, pastor, officiated for the double-ring ceremony before an altar background of palms, ferns and candelabra. Satin bows marked the family pews.

Mrs. Hilda Edgar, church organist, presented a half hour of nuptial music. Tommy Schneidmiller sang "I Love You Truly," "Because" and "The Lord's Prayer."

The bride was escorted to the altar and given in marriage by her father.

Her floor-length gown was designed with a scalloped Sabrina neckline, trimmed with seed pearls and sequins, and long, pointed sleeves. A scalloped lace overskirt set off the bouffant skirt. A queen's crown of seed pearls and iridescent sequins held her fingertip veil of imported silk illusion. She carried an arrangement of white orchids and satin streamers on a white Bible. All the traditions were observed.

Mrs. Lou Marie Hoffman, sister of the bride, was matron of honor and Miss Sondra Osborne, maid of honor. Bridesmaids were Miss Cheryl Stark and Miss Janie Cunningham.

Their gowns of blue nylon organza were styled with flared, sleeveless jackets. Their matching caps with theater veils and cultured pearl pendants were gifts of the bride. They carried Colonial bouquets of white carnations, tipped in blue, highlighted with white rosebuds and blue streamers.

Cathy Lynn Walls, cousin of the bride, was flower girl. She wore a white nylon organza dress with matching cap and carried a basket of rose petals, decorated with carnations and removable corsage of rosebuds.

Robert B. Hoffman Jr., brother-in-law of the bride, was best man. Ushers were Frank McComas, the bride's brother, James Bissell, nephew of the bridegroom, and Robert Zelch.

MRS. R. J. PRINCE
Her Nuptials Held Sept. 1.

The mother of the bride chose a brown sheath with beige accessories and corsage of yellow tea roses. The bridegroom's mother was attired in a Navy sheath with mint accessories and white rosebud corsage.

A reception for 200 was held in the social rooms. The bridal table was centered with a three-tier cake encircled by carnations.

Aides were Mrs. Pauline Bissell, Mrs. Sally Lynn, Mrs. Vicki Goodballet, Miss Janet Ferguson, Miss Suzanne Bowen, Miss Marsha Franklin, Miss Sue Abrams and Mrs. Judy Cunningham. Miss Susan Shaffer presided at the guest register.

Out-of-town guests were from Muncie, Rochester, N. Y., Pittsburgh, Hudson, Kent, Wellsville, Cleveland, Salem, Canton, Chester and Louisville.

For her honeymoon to New York and Canada, the bride wore a Navy blue sheath with matching accessories and her bridal orchids.

The newlyweds are graduates of East Liverpool High School, the bride in 1961 and her husband in 1960. They are enrolled at Kent State University. The bride is studying health, physical education and biology and the bridegroom business administration.

They will reside in the married students' apartments at the university at Kent.

The bride's parents entertained for the rehearsal party.

Dorsey-Thornberry Rites Held At First U. P. Church

Miss Jane Thornberry, daughter of Mr. and Mrs. Clifford Thornberry, 739 Cartwright Ave., became the bride of Thomas Dorsey, son of Mr. and Mrs. John Dorsey of Ohio Ave., Saturday evening at 6:30 o'clock at the First United Presbyterian Church.

The double-ring ceremony was performed by Dr. Alexander K. Davison, pastor. Nuptial music was played by Mrs. Bernadine Cunningham, church organist.

The bride was given in marriage by her father who escorted her to the altar. She wore a white nylon organza gown styled with applique flowers and long fitted sleeves. Her elbow - length veil was held in place by a single tiarra trimmed in pearls and sequins. She carried two white orchids on a white Bible.

Miss Nancy Schlavach of Erie was maid of honor and wore a bell shaped light green taffeta dress with an overskirt of nylon organza and elbow - length sleeves. Her headpiece matched her gown. She carried a bouquet of yellow mums with sprays of lilies-of-the-valley.

The bride's mother wore a navy blue lace dress with pink accessories and a corsage of white carnations with pink tea roses. The bridegroom's mother wore a dark fall print suit with beige accessories and a corsage of white carnations with yellow tea roses.

Glenn Cunningham was best man and William McKelvey and Timothy Treleven were ushers.

A reception followed in the social rooms. Pink, green and white decorations were used. Aides were Mrs. Frank Thornberry, an aunt of the bride, and Mrs. Robert Hoffman and Mrs. Jack Doughty, sisters of the bride, and Miss Sondra Dorsey, sister of the bridegroom.

The bride was graduated from East Liverpool High School and the Western Pennsylvania School of Nursing in Pittsburgh and will be employed at South Side Hospital in Youngstown. Her husband was also graduated from East Liverpool High School and is attending Youngstown University. He works at the Plaid Stamp Redemption Center in Youngstown.

They are spending a honeymoon in the Eastern States and will reside in Youngstown.

For traveling, the bride was attired in a dark fall print suit with beige accessories.

Chester Legion To Buy 3 Flags

Chester American Legion Post 121 Monday night authorized the purchase of three flags for the Chester High School Band, an American flag, a West Virginia flag and a band flag.

Donations of $25 to the Child Counseling Center of East Liverpool and the Sweet Adelines group were approved.

In other business a budget for the year was approved and reports were given by Mike Sweeney, service officer, and Ernest John, finance officer.

Everett Stanley of New Cumberland and Charles Casto of Chester were accepted as new members.

Jack Huff, commander, presided. Next meeting is Sept. 24 at 7:30 p. m. at the post home.

People In News

By The Associated Press

Richard W. Reuter, director of the U.S. Food for Peace program, told representatives of 30 nations attending the fifth International Food Congress in New York: "The people of America believe in this program, that the peace we seek can best come from a world of equals—living with dignity and freedom. I believe they dare to look toward the day we have banished hunger from the face of the earth."

Gov. Nelson A. Rockefeller of New York and his daughter, Mrs. William Strawbridge Jr., previewed a new collection of primitive art at the Museum of Primitive Art in New York City with a mixture of pride and sadness. The collection was gathered in Dutch New Guinea by Michael Rockefeller, the governor's son and Mrs. Strawbridge's twin brother.

Michael, 23, disappeared in the New Guinea jungle 10 months ago and is presumed dead. Rockefeller and Mrs. Strawbridge, who supervised the search for Michael for a time, said they were proud of his work.

W. Walton Butterworth, 59-year-old career diplomat, is expected to be nominated new U.S. ambassador to Canada, according to Washington sources. A native of New Orleans, Butterworth is now the U.S. representative of the European Coal and Steel Community, the European Economic Community and the European Atomic Energy Commission.

Cuba

been the Trafalgar Steamship Co. sugar cargo freighter Newlane. In London, Trafalgar said the Newlane left Havana Monday night under charter. The company said it did not know the 7,043-ton ship's destination because the charter had been arranged by its agents for the Caribbean area.

Havana radio said the Cuban vessel was carrying a load of molasses, the British freighter a load of sugar for Socialist countries.

Calling the alleged incident "a cowardly attack against the Cuban government," the broadcast said a second British ship—with a name which sounded like "Apple Sultan"—escaped the attack because it was delayed in reaching the area.

Man Swims To Safety Past Red's Berlin Wall

BERLIN (AP) —A 21-year-old man swam 300 yards to the safety of West Berlin today, despite gun fire from East German police.

The dramatic escape—the fifth of the day—occurred at 8:30 a.m. near the old Reichstag building.

Janet Ade, E. A. Bartlett Wed In Double-ring Rites

Miss Janet Kay Ade, daughter of Mr. and Mrs. Harry Ade, 715 Edwards Ave., became the bride of Emerson A. Bartlett, son of Mrs. Margaret Jackson of Calcutta, the evening of Aug. 25 at 7:30 o'clock at St. John's Evangelical Lutheran Church.

The Rev. Charles W. Kampmeyer, pastor, officiated for the double-ring ceremony before an altar banked with white gladiolus, mums and seven-branch candelabra. Satin bows marked the family pews.

Mrs. William Riedel Jr. church organist, gave a half-hour recital of wedding music. Mrs. Barbara Stevens sang "The Wedding Prayer," "O Perfect Love" and "O Lord Most Holy."

The bride was escorted to the altar and given in marriage by her father.

She wore a floor-length gown of Chantilly lace and taffeta. The fitted bodice was designed with a scalloped Sabrina neckline, outlined in sequins and seed pearls, and long, pointed sleeves.

The bouffant skirt featured a lace overskirt in the front and tiers of ruffles offering back accent. A jeweled crown held her shoulder-length veil of imported silk illusion. She carried a cascade bouquet of white orchids, stephanotis and baby breath tied with satin streamers. Observing the traditions, she carried her confirmation handkerchief, a gift of Mrs. A. E. Stoddard.

Miss Janet Jones, foster sister of the bride, was maid of honor. She wore a blue chiffon dress fashioned with a lace bolero jacket. Her bandeau of miniature mums, tinted to match her dress, was intermingled with net. She carried a cascade bouquet of similar mums highlighted with baby breath.

Miss Carol Roseberry, as bridesmaid, chose a pink chiffon dress with matching bandeau of mums. Her cascade bouquet featured pink mums.

Archie Tiller was best man. Ushers were Michael Bartlett, brother of the bridegroom, and Bruce McCoy, cousin of the bride.

MRS. E. A. BARTLETT
Bride Of Nuptials Aug. 25.

The mother of the bride chose a pink lace dress with matching hat and beige accessories. Her corsage was of roses and carnations. The bridegroom's mother was attired in pastel blue chiffon with white accessories and white mum corsage.

A reception for 200 was held in the Parish Hall with the Luther Ann Sunday School Class in charge. A three-tier cake, topped with a miniature bridal couple, centered the buffet table, covered with tiers of nylon netting. Wedding bells, centered with white mums, fernery and candelabra, completed the setting. Mrs. Anna Lee Muschweck presided at the guest register.

Guests were from Cleveland, Akron and Parkersburg. The bridegroom's mother entertained for the rehearsal party.

The newlyweds are graduates of East Liverpool High School, the bride in 1961 and her husband in 1960. The bridegroom is self-employed at the EZ parking Lot.

The couple are receiving friends in a newly-furnished apartment on Woodlawn Ave.

New Cumberland Church Plans $40,000 Annex Drive

NEW CUMBERLAND—A meeting of the congregation tonight at 8 will mark the start of a $40,000 fund-raising campaign by the First United Presbyterian Church to construct an educational annex.

The annex, to contain 10 classrooms, will be added to the east side of the stone church near the County Courthouse. It will house Sunday School classes which currently meet in various rooms of the building.

House-to-house soliciting will be conducted Sunday. Residents will be asked to make weekly or monthly pledges over a three-year period. Tonight's congregational meeting will be held in the church.

The Rev. Grant Lowe is minister. Members of the campaign committee are:

Finance — Miss Rowena Herron, Mrs. William White, Glenn Herron, Elmer Swearingen, Paul McSwegin and Robert E. Roach; arrangements — Mrs. Paul McSwegin, Mrs. Robert Roach, Mrs. Thomas Kinder, T. L. Stevens, Mrs. William Edie and Mrs. Shields Cullen.

Preparation — John P. Morgan, John McSwegin, Jack Knox, Dean Chamberlain, Mrs. Glenn Herron, Mrs. Ralph Katzenmeyer, and Mrs. Ben Marshall; personnel — Mrs. James Lohr, Mrs. William Connell, Mrs. George Davis, Patrick Kessel and Dean McAttee.

Promotion — Mrs. Robert Shuman, Mr. and Mrs. Harry Newburn and Mrs. Mildred Householder; church staff — Miss Mary Porter, Mrs. Mercedes Beatty, Miss Karen Beatty, Miss Becky Edie, Anita Bradley, Joyce Price and Dorothy Stevens.

Toronto Man

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Will you please tell me how old women must be before they stop referring to themselves as "girls"?

My wife belongs to a card club which meets every other week. All these biddies are about the same age as my wife. Five of them went to school together, in fact. My wife is 59. We have eight grandchildren. Every woman in the club is a grandmother except one, and she never married.

You know very well that these dames aren't kids. Yet they refer to themselves as "girls." This sounds so peculiar to me I wish you'd straighten them out. Thank you.—DOC.

-:-

Dear Doc: A female is a girl as long as she lives, and she has a right to call herself one.

This train runs both ways. Have you seen some of those bald-headed, paunchy coots who want a night out with "the boys"? Well—same thing, Bub.

Cavemanship

Dear Ann: I'm 17 and going steady with a wonderful guy. At least I thought he was wonderful until last night.

Mitch and I got into an argument over which TV channel to watch. All of a sudden he said, "You're a spoiled brat!" And then he slapped me across the face.

I was stunned. No fellow has ever done anything like that to me before. It was all I could do to hold back the tears.

I told Mitch to please leave, and he did, without saying a word.

About an hour later the phone rang. I thought surely he must be calling to apologize. Instead he called to tell me that slapping me was evidence of his love—it proved I was "his woman." He says no man ever slaps a woman unless he really and truly loves her.

I've never heard of this idea. Have you? Please explain his theory so I can get it straight in my mind.—B. WILDERD.

-:-

Dear B.: How lucky can you get—a fellow who loves you and is willing to prove it by slapping you across the face!

One day this great love may flower into something truly magnificent—and then he'll prove it by knocking your teeth out.

Have nothing more to do with the bully. A girl who puts up with slaps during courtship can count on shiners, loose bridgework and worse—after marriage.

A 'No' Daddy

Dear Ann: Am I making a mountain out of an ant hill? I am married (for the second time) to a man I love very much. Leo has legally adopted my two boys by a previous marriage. He insists the boys call him by his first name. They are terribly fond of him and have asked if they can call him Daddy, instead of Leo. He has told them, "No."

Now we are expecting our first baby. I'm fearful that Leo will want his natural child to call him Daddy. The other two youngsters then will feel left out.

The boys see their real father once or twice a year. They never mention him between visits. My new in-laws adore the children and have asked to be called Grandma and Grandpa. How can I make my husband see that he should allow his stepsons to call him Daddy?—EDNA.

-:-

Dear Edna: It sounds as if your husband has made up his mind. Don't put any more pressure on him. He will only become irritated—or worse.

The point here is this: ALL the children should address him in the same manner (even if it's Leo). And "ALL" includes your expected addition to the family.

Confidentially

TO IN DREAD MINE GELT: Learn from it then forget it. The worst of these deals is you usually wind up losing the friendship as well.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Soblen

(Continued from Page One)

ambulance. At the airport he was transferred to another ambulance and rushed to nearby Hillingdon Hospital.

He never regained consciousness, and on Saturday he developed convulsions which persisted. His doctors said this was evidence of brain damage, apparently resulting from a shortage of oxygen. The doctors explained the overdose of barbiturates reduced the supply of oxygen to the brain and probably caused a brain hemorrhage.

Soblen was a physician afflicted with an incurable disease; a naturalized American convicted of biting the hand that gave him shelter; a Communist who admitted support of the left wing in politics throughout World War II.

He denied vehemently that he ever engaged in espionage, "or anything remotely connected with it."

But he was convicted by a U.S. District Court in New York July 13, 1961, of turning over secret data to Soviet agents over a span of two decades, including wartime information from the New York headquarters of the Office of Strategic Services. He was sentenced to life in prison, though the penalty might have been death.

American appeals judges and the U.S. Supreme Court considered the proof ironclad. Soblen was denied a new trial and the Supreme Court refused to review his case.

That was the background of Soblen's flight last June 25 to Israel where, as a Jew, he vainly claimed the right to a haven under the Israeli Law of Return. Israel arrested him on suspicion of entering with false documents —the Canadian passport of a dead brother—and expelled him.

Soblen was born Nov. 7, 1900, into the numerous and wealthy Sobelvicious family of Lithuania, a little Baltic state which was then a part of czarist Russia but had 22 years of freedom between world wars.

Soblen and his younger brother, Jack, joined the Communist party in 1919 while at school in Germany. The trial court was told that Soblen was so intense a party member that he went to Moscow in 1925 and became a Soviet citizen.

When the Soviet Union took over Lithuania at the beginning of World War II the Sobelvicious family lost all its properties. Soviet authorities permitted the family to emigrate to America.

Some 15 family members, including Jack and Robert, landed in the United States Oct. 20, 1941. They spread out to New York, Boston and Montreal.

Robert assumed the name Soblen. Jack used Soble. A third brother, Beras, continued using the family name until his death in Canada.

Soblen and his brother Jack were naturalized in 1947.

Ten years later, Jack was arrested as the head of a Soviet spy ring, quickly pleaded guilty and was sentenced to seven years in a federal prison.

With a history of mental illness that included swallowing of nuts and bolts in a suicide attempt, Jack was a star witness for the U.S. government at the four-week trial of his brother in 1961.

Swallowing pills to kill pain of the blood disease lymphatic leukemia, Soblen heard Jack testify the family was permitted to leave Lithuania under an arrangement with Lavrenti Beria, then chief of the Soviet secret police, that Jack and Robert would engage in espionage activities in the United States.

In sentencing Soblen Aug. 7, 1961, to life, U.S. Dist. Judge William B. Herlands said he was a potential mass murderer and a spy "no matter what his health may be." Soblen collapsed.

He was freed on $100,000 bail pending appeals.

Akron Driver Spared Injury

An Akron youth escaped serious injury when the bakery truck he was driving ran over an embankment, sheared off a utility pole and then overturned in one of three accidents investigated Monday by the Lisbon State Highway Patrol.

The mishap occurred at 11:30 a. m. on Route 30 about four miles north of Wellsville, officers said. Glenn Mericle, 18, of Akron was headed north in a Kisler Bakery truck when he went off the right embankment.

The truck sheared off a telephone pole and then rolled over. The truck was not visible from the highway when it came to a halt, officers said.

Mericle, who suffered a slight laceration of the left forearm and elbow, was cited for reckless operation.

A car driven by Raymond Kendle, 54, of New Castle and a large truck operated by Floyd Shamp, 46, of Lisbon R. D. 2 collided at 5:05 p. m. on Route 14 just east of Columbiana.

Both were headed east. Kendle started to pass Shamp, who was beginning a left turn. Kendle was arrested for passing over a yellow line. He suffered a laceration of the right knee.

A car driven by Edward Zins, 38, of Youngstown struck and killed a horse on Route 62 just north of Salem at 10:20 p. m.

The horse, owned by Charles Vincent of Salem R. D. 4, ran into the path of the car, officers said. Zins' 1951 sedan was demolished.

Driver In Chase Receives 2 Fines

An East Liverpool driver, arrested Saturday by Chester police after a chase across the Chester Bridge, was fined $150 and costs on two charges at a hearing Monday night before Chester Mayor Harry Abrams.

William Jerry Snodgrass, 22, of 117 W. 2nd St., was fined $100 and costs for driving while intoxicated and $50 and costs for leaving the scene of an accident.

A 30-day jail sentence was suspended on payment of the fines and costs. His right to drive in West Virginia was suspended for six months.

He pleaded innocent but was found guilty by the mayor. Snodgrass was arrested by Chester Police Chief Clarence Lennens on Walnut St., East Liverpool, after the defendant's 1941 pickup truck struck an oncoming tractor-trailer rig in Chester Saturday at 3:15 p. m.

Man Fined In Crash That Hurt City Woman

A Canton man arrested after a traffic accident Sunday in which an East Liverpool woman was hurt was fined Monday in Steubenville Municipal Court.

Clayton T. Loder, 66, was fined $10 and costs by Judge Lawrence M. Sedgwick after he pleaded no contest to a charge of failure to yield the right-of-way.

Loder's car collided with one operated by Daniel Dobbs, 47, of Paul's Ln., East Liverpool, at the intersection of Routes 22 and 7 near the Fort Steuben Bridge in Steubenville.

A passenger in the Dobbs car, Inez Wright, 58, of Sugar St., East Liverpool, complained of injuries of the neck and left arm after the collision, but declined immediate medical attention, police said. She said she would consult her family physician, they reported.

Lisbon Board To Meet

LISBON — The Lisbon Board of Education will meet tonight at 8:30 in the administration building. Items on the agenda include selection of a delegate to the Ohio School Boards Association convention in November and a contract for servicing fire extinguishers.

Schirra

(Continued from Page One)

for the flight, which is to keep him aloft for nine hours, twice the flight time of astronauts John H. Glenn Jr. and Malcolm Scott Carpenter.

In Washington, the National Aeronautics and Space Administration announced that a press headquarters for the Schirra flight will be set up at the Cape Colony Inn at Cocoa Beach, Fla.

This may create a controversy because the Cape Colony is the million-dollar hotel in which the seven astronauts invested part of the reported $500,000 Life magazine paid them for rights to their personal stories.

In May, a NASA spokesman said it was unlikely that any motel in which persons connected with NASA had a large interest would be used as a Project Mercury press center. Operators of other motels in the area have said this would amount to government competition.

The motel designated as press center is assured of selling out its accommodations.

Shrine Band Sets Milwaukee Trip

The East Liverpool Shrine Club's Orinetal Band will participate in two parades this weekend in Milwaukee, it was announced at the club's meeting Monday night in the Casting Club.

The musicians will parade Friday and Saturday in the Great Lakes Shrine ceremonial, with 31 to make the trip by car.

The band will hold an initiation ceremony Saturday afternoon, Sept. 22, and a dance in the evening for members and their wives at the Casting Club.

Fred Stevens reported on crippled children's projects. A committee was named for the annual children's Christmas party.

I. J. Vorndran, president, presided. Next meeting Oct. 8 will feature a coverdish dinner with "Ladies Night" to be observed. Refreshments were served following business.

Hearing Set In Auto Accident At Chester

A hearing has been set Saturday for a Wooster motorist whose car hit the rear of one driven by a Hookstown man Monday about 5:20 p. m. at Carolina Ave. and 4th St. in Chester.

Charles W. Burkey, 47, posted a $15.50 bond for a hearing before Chester Mayor Harry Abrams on a charge of failing to have his vehicle under control.

Burkey was cited after his 1962 sedan hit the 1962 sedan driven by Alvin R. Torrence, 43, of Hookstown. Both cars were headed east. Torrence had stopped for the traffic light.

There was an estimated total damage of $150 to both cars. Burkey was cited by Patrolman Frank Fetty.

Youngsters usually enjoy cream of tomato soup with "pennies" — thin crosswise slices of frankfurter—floating on top.

Weirton Man To Head Jury

Albert Presley, a Weirton mortician, was named foreman of the Hancock County Grand Jury, which convened this morning at 10 in Circuit Court chambers in New Cumberland.

The 15-member panel will be asked to return at least 15 indictments against nine defendants, according to Prosecuting Atty. Floyd R. Tarr.

In his charge as the jury convened, Judge Ralph E. Pryor explained the origin of the grand jury system from England, and cautioned the panel members that is their duty to return a true bill if they find in their investigation there was evidence of a violation, although they might not agree with the particular law.

The jury panel includes:

Grant District — Bernard Hissom, Margaret L. Edwards, Melvin L. Hissom, Donald R. Fletcher and George E. Davidson.

Clya District — Mary V. Lohr, Harry V. Young Jr. and Paul Cox Jr.

Butler District — Silas Boley, Carl Swift, Joseph Hill, Otha Gunion, Andrew J. Morgan, Lewis Kesling Jr. and Presley.

11 Applications Filed For Patrolman Exam

Eleven applications were filed before the deadline Monday at 4 p. m. for an examination which the Civil Service Commission will conduct Thursday, Sept. 27, to make up a new eligibility list for appointment of police department patrolmen.

The commission is scheduled to meet tonight at 7:30 at City Hall to screen the applications.

Meanwhile, the commission said it still is awaiting an opinion from Solicitor Joseph W. Cooper on a question of seniority credit which was raised following a promotional exam Thursday for the post of police department lieutenant. The commission said it will announce the grades of the competing officers after receiving Cooper's opinion.

School Aides To Meet

LISBON — The chief school administrators made up of superintendents and executive heads of Columbiana County school districts will hold their first meeting of the new term Friday noon at the Wick Hotel. County Supt. James L. McBride will preside.

Physically Impossible Except In A Mirror

STORRS, Conn. (AP) — Secretary of Agriculture Orville Freeman was posing for pictures with several others at a farm meeting here recently.

"Look at the Secretary," a photographer asked him. Freeman made no move. The photographer repeated the request, indicating another man in the party.

"I can't look at the Secretary," Freeman finally replied. "I am the Secretary."

Oberlin College in Ohio, in 1841, was the first American college to confer degrees on women.

Residents Of East Fairfield Attend Columbiana Reunion

Eighty, including several East Fairfield residents, attended the 77th Hawkins reunion Sunday at Firestone Park at Columbiana.

Officers elected were Roy Hawkins of Youngstown, president; Dwain Hawkins of New Waterford, vice president; Vernon Hawkins of Kent, treasurer, and Ila Faye Grim of East Palestine, secretary.

Fifty attended the 1952 Class reunion of Fairfield School Sunday evening at Firestone Park. A coverdish supper was served.

Games were held for children. Fred Lynn and Mrs. Kenneth Frost were in charge. Another reunion will be held in five years. John Carter and Mrs. Richard Knowles will be in charge.

The Official Board of the Methodist Church will meet tonight at 8.

Members of the local Boy Scout Troop interested in completing requirements for the God and Country Award or in starting work toward the award are to attend a meeting at the parsonage Saturday at 11 a. m.

Mr. and Mrs. Lawrence Bable visited Sunday with Mr. and Mrs. Mike Mihalyov of Monaca.

Mr. and Mrs. Albert Bush of Negley were Saturday evening dinner guests of Mr. and Mrs. Richard Noel.

Mr. and Mrs. G. E. Boyd of Youngstown, Mr. and Mrs. John Hawkins of the East Palestine Rd., Mrs. Don Adams and sons of Lisbon and Marilyn Hawkins of New Waterford were Sunday evening guests at the home of Mr. and Mr Dwain Hawkins. A party was held in observance of the birthday of their daughter, Patty.

Mrs. Marge Cope and daughters have moved to their home at Beverly Dr., Columbiana.

Mr. and Mrs. Alva Cope attended open house Sunday afternoon for the 35th wedding anniversary of Mr. and Mrs. Chester Cope at the home of Mr. and Mrs. Larry Tuttle of Columbiana.

Fairfield Grange will hold a coverdish supper Thursday at 6:30 p. m. Officers will be elected.

Mrs. K. R. Jauch of Cleveland is visiting her brother and sister-in-law, Mr. and Mrs. W. A. Drasdo.

Mrs. Charles Crook and daughter, Nancy, and Mrs. Robert Crook attended the bridal shower for Miss Marian Glenn Friday night at the home of Mrs. John Marshalek of Lisbon.

Mr. and Mrs. Wilson Ritchie of New Haven, Conn., were weekend guests of their grandparents, Mr. and Mrs. Paul Cope.

Gilbert Ward spent Saturday evening with Mr. and Mrs. Bill Gibson of Darlington. Monday callers at the Ward home were Mr. and Mrs. Howard Beckett of Youngstown.

Mr. and Mrs. William Crook and family and Mrs. Martha Crook attended the Inboden reunion at Palestine Park Sunday afternoon.

Girl Suffers Cut On Milk Jug Boy Hurt Playing Football;

A youth injured playing football and a girl cut on a broken jug were admitted to City Hospital, where eight other persons were treated Monday.

Kenneth Thomas, 18, son of Ronald Thomas, 411 MacLean Rd., Wellsville, is in "fairly good" condition today with a compound fracture of the second toe of his right foot suffered when he kicked a rock while playing football.

Miss Connie Riggs, 16, daughter of Mrs. Elma Riggs, 335 Garfield St., is in "fairly good" condition with lacerations of the right wrist and hand suffered when she broke a gallon milk jug against a step at home.

Diana Nixon, 7, daughter of Donald Nixon, 302 18th St., Wellsville, cut her knee on a metal toy at home.

Anthony Capraruolo, rear 255 Center St., operator of the city street sweeper, was treated for a laceration of the right elbow suffered when struck by a tree branch while working.

Nicholaus Lombardozzi, 3, son of John Lombardozzi, 425 14th St., Wellsville, injured his right leg in a fall at home.

Joan Young, 14, daughter of George Young of John St., sprained her right elbow in a fall while playing.

David Peterson, 11, son of Theodore Peterson of Wellsville R. D. 1, cut his left thigh with a penknife while whittling.

Jennifer Lynn Badgley, 2, daughter of Thomas Badgley, 920 Columbia Ave., suffered a laceration of the left eyebrow in a fall against a porch glider.

James Franklin Schneider, 2½, son of Joseph L. Schneider, 309 Persimmon Ln., cut his left hand on a knife.

John Miller, 5, son of Mrs. Georgia Miller, 2307 Buckeye Ave., Wellsville, suffered abrasions of the right eyebrow in a fall while playing.

Owen To Study Autos In Quest For Cruiser

Safety - Service Director Robert Owen went to Pittsburgh today for an advance dealers' preview of 1963 model autos, part of the city's investigation preceding the purchase of two cars for use as police cruisers.

The director and Mayor Bert H. Goodballet opened bids from three dealers in early August, but no final action has been taken. Owen said part of his mission today is to seek to arrange advance delivery of 1963 models for use as cruisers.

Hartman Reported As 'Fairly Good'

Albert Hartman of Lisbon, The Review's county seat reporter, is in "fairly good" condition today at Salem City Hospital, where he was admitted Monday morning after he was taken ill with a possible mild heart seizure.

Ohio Trucker Unhurt

NEWPORT, Pa. (AP)—An Akron, Ohio, truck driver, Park H. Stimson, 44, escaped unhurt Monday in a three-truck accident on U.S. 22 east of here which killed one drive and critically injured another.

Rogers Still Has Vacancy On Council

ROGERS — A new councilman was appointed but another resigned at a meeting of Council Monday night.

William Crawford of Eell St. was appointed to fill the vacancy created by the resignation last month of Ed Galbreath, who cited ill health.

Everett Galbreath, his brother, resigned last night. He did not give a reason. This leaves another vacancy on Council.

Crawford is an employe of the Hunt Valve Co. He is married and has three children.

Mayor Robert McCreary presided. Mrs. Mayme Hall, clerk, read bills totaling $856.88, which were ordered paid.

John Dvoracek of Youngstown, a representative of the Delta Sewage System Co., and Harold W. Wurster of Leetonia discussed the village sanitary sewer system. They will prepare preliminary plans for a new system and present them at the session Oct. 1, along with cost estimates.

Fire Chief Sidney Cowan demonstrated a safety air pack mask purchased by Council at its last meeting. It will provide air for 30 minutes for firemen in a smoke-filled house.

Senate Unit Approves Reserve Standby Plan

WASHINGTON (AP)—The Senate Armed Services Committee has given speedy and unanimous approval to President Kennedy's request for stand-by authority to call up 150,000 reservists if the international situation worsens.

Senate Democratic leader Mike Mansfield of Montana told a reporter he and committee chairman Richard B. Russell, D-Ga., hope to bring the request before the Senate Thursday.

Mansfield said he hasn't heard of any opposition and predicted quick concurrence.

The committee gave its voice vote, bipartisan backing Monday after Secretary of Defense Robert S. McNamara testified the authority could be "crucial if the international situation deteriorates suddenly and specific crises occur."

Police Pension Board Incumbents Returned

The police department's two representatives on the Board of Trustees of the Police Pension Board were given new one - year terms in the annual election Monday.

They are Acting Lt. Charles E. (Bill) Tice and Patrolman Kenneth H. Mooney. Tice is secretary of the board.

The balloting was held from 6 a. m. to 6 p. m. yesterday, then the board convened to canvass the returns. O. Earl Greenawalt, chairman, and Atty. Francis H. Lang are the public representatives. Municipal representatives are Councilmen George E. Willshaw and Floyd Murray.

School Levy Asked

AKRON, Ohio (AP)—The Akron Board of Education will ask voters Nov. 6 to approve an additional levy of 4.8 mills for three years for operating expenses. Akron schools now are supported by a 14-mill operating levy and a 2-mill building levy.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Will you please tell me how old women must be before they stop referring to themselves as "girls"?

My wife belongs to a card club which meets every other week. All these biddies are about the same age as my wife. Five of them went to school together, in fact. My wife is 59. We have eight grandchildren. Every woman in the club is a grandmother except one, and she never married.

You know very well that these dames aren't kids. Yet they refer to themselves as "girls." This sounds so peculiar to me I wish you'd straighten them out. Thank you.—DOC.

-:-

Dear Doc: A female is a girl as long as she lives, and she has a right to call herself one.

This train runs both ways. Have you seen some of those bald-headed, paunchy coots who want a night out with "the boys"? Well—same thing, Bub.

Cavemanship

Dear Ann: I'm 17 and going steady with a wonderful guy. At least I thought he was wonderful until last night.

Mitch and I got into an argument over which TV channel to watch. All of a sudden he said, "You're a spoiled brat!" And then he slapped me across the face.

I was stunned. No fellow has ever done anything like that to me before. It was all I could do to hold back the tears.

I told Mitch to please leave, and he did, without saying a word.

About an hour later the phone rang. I thought surely he must be calling to apologize. Instead he called to tell me that slapping me was evidence of his love—it proved I was "his woman." He says no man ever slaps a woman unless he really and truly loves her.

I've never heard of this idea. Have you? Please explain his theory so I can get it straight in my mind.—B. WILDERD.

-:-

Dear B.: How lucky can you get—a fellow who loves you and is willing to prove it by slapping you across the face!

One day this great love may flower into something truly magnificent—and then he'll prove it by knocking your teeth out.

Have nothing more to do with the bully. A girl who puts up with slaps during courtship can count on shiners, loose bridgework and worse—after marriage.

A 'No' Daddy

Dear Ann: Am I making a mountain out of an ant hill? I am married (for the second time) to a man I love very much. Leo has legally adopted my two boys by a previous marriage. He insists the boys call him by his first name. They are terribly fond of him and have asked if they can call him Daddy, instead of Leo. He has told them, "No."

Now we are expecting our first baby. I'm fearful that Leo will want his natural child to call him Daddy. The other two youngsters then will feel left out.

The boys see their real father once or twice a year. They never mention him between visits. My new in-laws adore the children and have asked to be called Grandma and Grandpa. How can I make my husband see that he should allow his stepsons to call him Daddy?—EDNA.

-:-

Dear Edna: It sounds as if your husband has made up his mind. Don't put any more pressure on him. He will only become irritated—or worse.

The point here is this: ALL the children should address him in the same manner (even if it's Leo). And "ALL" includes your expected addition to the family.

Confidentially

TO IN DREAD MINE GELT: Learn from it then forget it. The worst of these deals is you usually wind up losing the friendship as well.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Residents Of East Fairfield Attend Columbiana Reunion

Eighty, including several East Fairfield residents, attended the 77th Hawkins reunion Sunday at Firestone Park at Columbiana.

Officers elected were Roy Hawkins of Youngstown, president; Dwain Hawkins of New Waterford, vice president; Vernon Hawkins of Kent, treasurer, and Ila Faye Grim of East Palestine, secretary.

Fifty attended the 1952 Class reunion of Fairfield School Sunday evening at Firestone Park. A coverdish supper was served.

Games were held for children. Fred Lynn and Mrs. Kenneth Frost were in charge. Another reunion will be held in five years. John Carter and Mrs. Richard Knowles will be in charge.

The Official Board of the Methodist Church will meet tonight at 8.

Members of the local Boy Scout Troop interested in completing requirements for the God and Country Award or in starting work toward the award are to attend a meeting at the parsonage Saturday at 11 a. m.

Mr. and Mrs. Lawrence Bable visited Sunday with Mr. and Mrs. Mike Mihalyov of Monaca.

Mr. and Mrs. Albert Bush of Negley were Saturday evening dinner guests of Mr. and Mrs. Richard Noel.

Mr. and Mrs. G. E. Boyd of Youngstown, Mr. and Mrs. John Hawkins of the East Palestine Rd., Mrs. Don Adams and sons of Lisbon and Marilyn Hawkins of New Waterford were Sunday evening guests at the home of Mr. and Mr Dwain Hawkins. A party was held in observance of the birthday of their daughter, Patty.

Mrs. Marge Cope and daughters have moved to their home at Beverly Dr., Columbiana.

Mr. and Mrs. Alva Cope attended open house Sunday afternoon for the 35th wedding anniversary of Mr. and Mrs. Chester Cope at the home of Mr. and Mrs. Larry Tuttle of Columbiana.

Fairfield Grange will hold a coverdish supper Thursday at 6:30 p. m. Officers will be elected.

Mrs. K. R. Jauch of Cleveland is visiting her brother and sister-in-law, Mr. and Mrs. W. A. Drasdo.

Mrs. Charles Crook and daughter, Nancy, and Mrs. Robert Crook attended the bridal shower for Miss Marian Glenn Friday night at the home of Mrs. John Marshalek of Lisbon.

Mr. and Mrs. Wilson Ritchie of New Haven, Conn., were weekend guests of their grandparents, Mr. and Mrs. Paul Cope.

Gilbert Ward spent Saturday evening with Mr. and Mrs. Bill Gibson of Darlington. Monday callers at the Ward home were Mr. and Mrs. Howard Beckett of Youngstown.

Mr. and Mrs. William Crook and family and Mrs. Martha Crook attended the Inboden reunion at Palestine Park Sunday afternoon.

Girl Suffers Cut On Milk Jug Boy Hurt Playing Football;

A youth injured playing football and a girl cut on a broken jug were admitted to City Hospital, where eight other persons were treated Monday.

Kenneth Thomas, 18, son of Ronald Thomas, 411 MacLean Rd., Wellsville, is in "fairly good" condition today with a compound fracture of the second toe of his right foot suffered when he kicked a rock while playing football.

Miss Connie Riggs, 16, daughter of Mrs. Elma Riggs, 335 Garfield St., is in "fairly good" condition with lacerations of the right wrist and hand suffered when she broke a gallon milk jug against a step at home.

Diana Nixon, 7, daughter of Donald Nixon, 302 18th St., Wellsville, cut her knee on a metal toy at home.

Anthony Capraruolo, rear 255 Center St., operator of the city street sweeper, was treated for a laceration of the right elbow suffered when struck by a tree branch while working.

Nicholaus Lombardozzi, 3, son of John Lombardozzi, 425 14th St., Wellsville, injured his right leg in a fall at home.

Joan Young, 14, daughter of George Young of John St., sprained her right elbow in a fall while playing.

David Peterson, 11, son of Theodore Peterson of Wellsville R. D. 1, cut his left thigh with a penknife while whittling.

Jennifer Lynn Badgley, 2, daughter of Thomas Badgley, 920 Columbia Ave., suffered a laceration of the left eyebrow in a fall against a porch glider.

James Franklin Schneider, 2½, son of Joseph L. Schneider, 309 Persimmon Ln., cut his left hand on a knife.

John Miller, 5, son of Mrs. Georgia Miller, 2307 Buckeye Ave., Wellsville, suffered abrasions of the right eyebrow in a fall while playing.

Owen To Study Autos In Quest For Cruiser

Safety - Service Director Robert Owen went to Pittsburgh today for an advance dealers' preview of 1963 model autos, part of the city's investigation preceding the purchase of two cars for use as police cruisers.

The director and Mayor Bert H. Goodballet opened bids from three dealers in early August, but no final action has been taken. Owen said part of his mission today is to seek to arrange advance delivery of 1963 models for use as cruisers.

Hartman Reported As 'Fairly Good'

Albert Hartman of Lisbon, The Review's county seat reporter, is in "fairly good" condition today at Salem City Hospital, where he was admitted Monday morning after he was taken ill with a possible mild heart seizure.

Ohio Trucker Unhurt

NEWPORT, Pa. (AP)—An Akron, Ohio, truck driver, Park H. Stimson, 44, escaped unhurt Monday in a three-truck accident on U.S. 22 east of here which killed one drive and critically injured another.

Rogers Still Has Vacancy On Council

ROGERS — A new councilman was appointed but another resigned at a meeting of Council Monday night.

William Crawford of Eell St. was appointed to fill the vacancy created by the resignation last month of Ed Galbreath, who cited ill health.

Everett Galbreath, his brother, resigned last night. He did not give a reason. This leaves another vacancy on Council.

Crawford is an employe of the Hunt Valve Co. He is married and has three children.

Mayor Robert McCreary presided. Mrs. Mayme Hall, clerk, read bills totaling $856.88, which were ordered paid.

John Dvoracek of Youngstown, a representative of the Delta Sewage System Co., and Harold W. Wurster of Leetonia discussed the village sanitary sewer system. They will prepare preliminary plans for a new system and present them at the session Oct. 1, along with cost estimates.

Fire Chief Sidney Cowan demonstrated a safety air pack mask purchased by Council at its last meeting. It will provide air for 30 minutes for firemen in a smoke-filled house.

Senate Unit Approves Reserve Standby Plan

WASHINGTON (AP)—The Senate Armed Services Committee has given speedy and unanimous approval to President Kennedy's request for stand-by authority to call up 150,000 reservists if the international situation worsens.

Senate Democratic leader Mike Mansfield of Montana told a reporter he and committee chairman Richard B. Russell, D-Ga., hope to bring the request before the Senate Thursday.

Mansfield said he hasn't heard of any opposition and predicted quick concurrence.

The committee gave its voice vote, bipartisan backing Monday after Secretary of Defense Robert S. McNamara testified the authority could be "crucial if the international situation deteriorates suddenly and specific crises occur."

Police Pension Board Incumbents Returned

The police department's two representatives on the Board of Trustees of the Police Pension Board were given new one - year terms in the annual election Monday.

They are Acting Lt. Charles E. (Bill) Tice and Patrolman Kenneth H. Mooney. Tice is secretary of the board.

The balloting was held from 6 a. m. to 6 p. m. yesterday, then the board convened to canvass the returns. O. Earl Greenawalt, chairman, and Atty. Francis H. Lang are the public representatives. Municipal representatives are Councilmen George E. Willshaw and Floyd Murray.

School Levy Asked

AKRON, Ohio (AP)—The Akron Board of Education will ask voters Nov. 6 to approve an additional levy of 4.8 mills for three years for operating expenses. Akron schools now are supported by a 14-mill operating levy and a 2-mill building levy.

Soblen

(Continued from Page One)

ambulance. At the airport he was transferred to another ambulance and rushed to nearby Hillingdon Hospital.

He never regained consciousness, and on Saturday he developed convulsions which persisted. His doctors said this was evidence of brain damage, apparently resulting from a shortage of oxygen. The doctors explained the overdose of barbiturates reduced the supply of oxygen to the brain and probably caused a brain hemorrhage.

Soblen was a physician afflicted with an incurable disease; a naturalized American convicted of biting the hand that gave him shelter; a Communist who admitted support of the left wing in politics throughout World War II.

He denied vehemently that he ever engaged in espionage, "or anything remotely connected with it."

But he was convicted by a U.S. District Court in New York July 13, 1961, of turning over secret data to Soviet agents over a span of two decades, including wartime information from the New York headquarters of the Office of Strategic Services. He was sentenced to life in prison, though the penalty might have been death.

American appeals judges and the U.S. Supreme Court considered the proof ironclad. Soblen was denied a new trial and the Supreme Court refused to review his case.

That was the background of Soblen's flight last June 25 to Israel where, as a Jew, he vainly claimed the right to a haven under the Israeli Law of Return. Israel arrested him on suspicion of entering with false documents—the Canadian passport of a dead brother—and expelled him.

Soblen was born Nov. 7, 1900, into the numerous and wealthy Sobelvicious family of Lithuania, a little Baltic state which was then a part of czarist Russia but had 22 years of freedom between world wars.

Soblen and his younger brother, Jack, joined the Communist party in 1919 while at school in Germany. The trial court was told that Soblen was so intense a party member that he went to Moscow in 1925 and became a Soviet citizen.

When the Soviet Union took over Lithuania at the beginning of World War II the Sobelvicious family lost all its properties. Soviet authorities permitted the family to emigrate to America.

Some 15 family members, including Jack and Robert, landed in the United States Oct. 20, 1941. They spread out to New York, Boston and Montreal.

Robert assumed the name Soblen. Jack used Soble. A third brother, Beras, continued using the family name until his death in Canada.

Soblen and his brother Jack were naturalized in 1947.

Ten years later, Jack was arrested as the head of a Soviet spy ring, quickly pleaded guilty and was sentenced to seven years in a federal prison.

With a history of mental illness that included swallowing of nuts and bolts in a suicide attempt, Jack was a star witness for the U.S. government at the four-week trial of his brother in 1961.

Swallowing pills to kill pain of the blood disease lymphatic leukemia, Soblen heard Jack testify the family was permitted to leave Lithuania under an arrangement with Lavrenti Beria, then chief of the Soviet secret police, that Jack and Robert would engage in espionage activities in the United States.

In sentencing Soblen Aug. 7, 1961, to life, U.S. Dist. Judge William B. Herlands said he was a potential mass murderer and a spy "no matter what his health may be." Soblen collapsed.

He was freed on $100,000 bail pending appeals.

Akron Driver Spared Injury

An Akron youth escaped serious injury when the bakery truck he was driving ran over an embankment, sheared off a utility pole and then overturned in one of three accidents investigated Monday by the Lisbon State Highway Patrol.

The mishap occurred at 11:30 a. m. on Route 30 about four miles north of Wellsville, officers said. Glenn Mericle, 18, of Akron was headed north in a Kisler Bakery truck when he went off the right embankment.

The truck sheared off a telephone pole and then rolled over. The truck was not visible from the highway when it came to a halt, officers said.

Mericle, who suffered a slight laceration of the left forearm and elbow, was cited for reckless operation.

A car driven by Raymond Kendle, 54, of New Castle and a large truck operated by Floyd Shamp, 46, of Lisbon R. D. 2 collided at 5:05 p. m. on Route 14 just east of Columbiana.

Both were headed east. Kendle started to pass Shamp, who was beginning a left turn. Kendle was arrested for passing over a yellow line. He suffered a laceration of the right knee.

A car driven by Edward Zins, 38, of Youngstown struck and killed a horse on Route 62 just north of Salem at 10:20 p. m.

The horse, owned by Charles Vincent of Salem R. D. 4, ran into the path of the car, officers said. Zins' 1951 sedan was demolished.

Driver In Chase Receives 2 Fines

An East Liverpool driver, arrested Saturday by Chester police after a chase across the Chester Bridge, was fined $150 and costs on two charges at a hearing Monday night before Chester Mayor Harry Abrams.

William Jerry Snodgrass, 22, of 117 W. 2nd St., was fined $100 and costs for driving while intoxicated and $50 and costs for leaving the scene of an accident.

A 30-day jail sentence was suspended on payment of the fines and costs. His right to drive in West Virginia was suspended for six months.

He pleaded innocent but was found guilty by the mayor. Snodgrass was arrested by Chester Police Chief Clarence Lennens on Walnut St., East Liverpool, after the defendant's 1941 pickup truck struck an oncoming tractor-trailer rig in Chester Saturday at 3:15 p. m.

Man Fined In Crash That Hurt City Woman

A Canton man arrested after a traffic accident Sunday in which an East Liverpool woman was hurt was fined Monday in Steubenville Municipal Court.

Clayton T. Loder, 66, was fined $10 and costs by Judge Lawrence M. Sedgwick after he pleaded no contest to a charge of failure to yield the right-of-way.

Loder's car collided with one operated by Daniel Dobbs, 47, of Paul's Ln., East Liverpool, at the intersection of Routes 22 and 7 near the Fort Steuben Bridge in Steubenville.

A passenger in the Dobbs car, Inez Wright, 58, of Sugar St., East Liverpool, complained of injuries of the neck and left arm after the collision, but declined immediate medical attention, police said. She said she would consult her family physician, they reported.

Lisbon Board To Meet

LISBON — The Lisbon Board of Education will meet tonight at 8:30 in the administration building. Items on the agenda include selection of a delegate to the Ohio School Boards Association convention in November and a contract for servicing fire extinguishers.

Schirra

(Continued from Page One)

for the flight, which is to keep him aloft for nine hours, twice the flight time of astronauts John H. Glenn Jr. and Malcolm Scott Carpenter.

In Washington, the National Aeronautics and Space Administration announced that a press headquarters for the Schirra flight will be set up at the Cape Colony Inn at Cocoa Beach, Fla.

This may create a controversy because the Cape Colony is the million-dollar hotel in which the seven astronauts invested part of the reported $500,000 Life magazine paid them for rights to their personal stories.

In May, a NASA spokesman said it was unlikely that any motel in which persons connected with NASA had a large interest would be used as a Project Mercury press center. Operators of other motels in the area have said this would amount to government competition.

The motel designated as press center is assured of selling out its accommodations.

Shrine Band Sets Milwaukee Trip

The East Liverpool Shrine Club's Orinetal Band will participate in two parades this weekend in Milwaukee, it was announced at the club's meeting Monday night in the Casting Club.

The musicians will parade Friday and Saturday in the Great Lakes Shrine ceremonial, with 31 to make the trip by car.

The band will hold an initiation ceremony Saturday afternoon, Sept. 22, and a dance in the evening for members and their wives at the Casting Club.

Fred Stevens reported on crippled children's projects. A committee was named for the annual children's Christmas party.

I. J. Vorndran, president, presided. Next meeting Oct. 8 will feature a coverdish dinner with "Ladies Night" to be observed. Refreshments were served following business.

Hearing Set In Auto Accident At Chester

A hearing has been set Saturday for a Wooster motorist whose car hit the rear of one driven by a Hookstown man Monday about 5:20 p. m. at Carolina Ave. and 4th St. in Chester.

Charles W. Burkey, 47, posted a $15.50 bond for a hearing before Chester Mayor Harry Abrams on a charge of failing to have his vehicle under control.

Burkey was cited after his 1962 sedan hit the 1962 sedan driven by Alvin R. Torrence, 43, of Hookstown. Both cars were headed east. Torrence had stopped for the traffic light.

There was an estimated total damage of $150 to both cars. Burkey was cited by Patrolman Frank Fetty.

Youngsters usually enjoy cream of tomato soup with "pennies" — thin crosswise slices of frankfurter—floating on top.

Weirton Man To Head Jury

Albert Presley, a Weirton mortician, was named foreman of the Hancock County Grand Jury, which convened this morning at 10 in Circuit Court chambers in New Cumberland.

The 15-member panel will be asked to return at least 15 indictments against nine defendants, according to Prosecuting Atty. Floyd R. Tarr.

In his charge as the jury convened, Judge Ralph E. Pryor explained the origin of the grand jury system from England, and cautioned the panel members that is their duty to return a true bill if they find in their investigation there was evidence of a violation, although they might not agree with the particular law.

The jury panel includes:

Grant District — Bernard Hissom, Margaret L. Edwards, Melvin L. Hissom, Donald R. Fletcher and George E. Davidson.

Clya District — Mary V. Lohr, Harry V. Young Jr. and Paul Cox Jr.

Butler District — Silas Boley, Carl Swift, Joseph Hill, Otha Gunion, Andrew J. Morgan, Lewis Kesling Jr. and Presley.

11 Applications Filed For Patrolman Exam

Eleven applications were filed before the deadline Monday at 4 p. m. for an examination which the Civil Service Commission will conduct Thursday, Sept. 27, to make up a new eligibility list for appointment of police department patrolmen.

The commission is scheduled to meet tonight at 7:30 at City Hall to screen the applications.

Meanwhile, the commission said it still is awaiting an opinion from Solicitor Joseph W. Cooper on a question of seniority credit which was raised following a promotional exam Thursday for the post of police department lieutenant. The commission said it will announce the grades of the competing officers after receiving Cooper's opinion.

School Aides To Meet

LISBON — The chief school administrators made up of superintendents and executive heads of Columbiana County school districts will hold their first meeting of the new term Friday noon at the Wick Hotel. County Supt. James L. McBride will preside.

Physically Impossible Except In A Mirror

STORRS, Conn. (AP) — Secretary of Agriculture Orville Freeman was posing for pictures with several others at a farm meeting here recently.

"Look at the Secretary," a photographer asked him. Freeman made no move. The photographer repeated the request, indicating another man in the party.

"I can't look at the Secretary," Freeman finally replied. "I am the Secretary."

Oberlin College in Ohio, in 1841, was the first American college to confer degrees on women.

How does he pass the hours?

Waiting . . . watching . . . standing guard . . . fighting loneliness—that's the tempo for today's GI in this cold war of tension and tedium. Then think what it means to a GI to have a USO nearby . . . bringing a homey touch . . . a spiritual lift . . . the relaxation, which the USO gives to GI's . . . wherever they are.

But there are over 2,750,000 Americans in uniform today. The USO tries to reach all of them. But, due to the ever-present lack of funds, many GI's are being deprived of that measure of home the USO offers—the reassurance that the folks back home do care. Help the USO, so no GI ever have to wonder—even for a minute . . .

"Does anybody know I'm here?"

Support the USO through United Fund or your Community Chest.

Out Of The Air

By ALAN GILL

The Dour Bishop Previews Series

HOLLYWOOD, Calif.

Joey Bishop — with the narrow - brimmed rain hat pulled down over the patch of moss which he calls hair — resembles a younger and vastly sadder Eddie Foy Jr. In person the man is more curate than comic, but more joey than bishop. He is not always, as they say, "on."

Alan Gill

"Last season," he says, leaning back behind his executive's desk in the long dressing room trailer, "was a disaster. I should have got up at the end of that final program and said, 'I'm sorry I wasted your time and mine.'

-:-

"WE DID THAT show cold. We only did a little talking, and then I came in from a club engagement and we started shooting.

"The thing never had been thought out. They didn't even rerun the series during the summer and do you know how much is lost on a series that isn't rerun during the summer?" He blew a soundless whistle to the heavens.

But ah, "The New Joey Bishop Show" is another matter, he says. And you can find out for yourself in the opening program next Saturday night on NBC.

"We started talking in April and got 10 premises down on paper before the approach was decided on. We didn't get around to shooting the first show until July. And this time, believe me, the stuff's good.

-:-

"I'M A TV COMEDIAN this time around, and we do a lot of bits about my program. Abby Dalton, the little thing from 'Hennesey,' is my wife. Joe Besser, remember him? 'Not so fa-a-ast!' He's the janitor in our apartment house.

"We do the show before a live audience here at Desilu, and that good live laughter is tonic. We decide in rehearsal what's funny by the response we get from Whitey. He's the final judge."

And who is Whitey? "He cleans the floors."

Abby Dalton entered, munching a sandwich, and crossed her slim, slim legs and opened her sweet, sweet mouth and told us she was furious, just furious that the network had scuttled "Hennesey."

-:-

BUT "I LOVE being 'married' to Joey. He's the nicest husband. And I don't have to wear nurses' uniforms any more. I've got a wardrobe! I'll be the most glamorous and best-dressed kid on television."

Then Miss Dalton gave Mr. Bishop a housewifely peck on the nose and disappeared, still munching the ham on rye.

"Terrible girl, terrible," said Joey. "I'm glad she's gone, aren't you?"

And when my voice came back, I asked the fellow about his early career. He told me about the Bishop Bros. trio, none of whom was named Bishop (Joey's moniker is Joseph Abraham Gottlieb); about the 24 years in the clubs; about his discovery by Sinatra; about his movies, including "The Naked and the Dead." ("I played both roles.")

-:-

"IN MY ACT I can't very well go in for slapstick," he said. "Slapstick takes too much time and provocation. I'm one of the few guys who walks off without a sweat. And when it's a bad night — well, it's just a bad night.

"How can you figure it? I'm off, that's all. It isn't the audience. They're fresh and ready for a good time. How can it be them? Until I had it made, I could say things like 'I made Frank Sinatra what he is today,' but that sort of thing isn't funny any more.

"I'm a success. I can't just launch an attack on adversity, because they know I have nothing to complain about. I just talk. About 'them,' about anything."

TV Highlights

TONIGHT

8, KDKA, WSTV, Lloyd Bridges Show: A new series about roving journalist Adam Shepherd, starring Lloyd Bridges.

Needle Pattern

By LAURA WHEELER

Velveteen, corduroy, antique satin, heavy cotton — fine for popular smocked pillows.

Easy, fast! Smocking done on reverse side; rich, pleated effect. Pattern 543: transfer; directions, 11x15-inch oblong; 12 round; 13 triangle.

Send 35 cents in coins for this pattern to Laura Wheeler, in care of the East Liverpool Review, 45 Needlecraft Dept., P. O. Box 161, Old Chelsea Station, New York 11, N. Y. Print plainly your name, address and the pattern number.

Sanity Test Due Accused Slayer

MIAMI, Fla. (AP) — State Attorney Richard Gerstein said mental tests for a man accused in the 1954 sex-saying of Judith Ann Roberts, 7, would be made to determine whether the man, Robert Franklin Jones, is sane.

The examinations, scheduled to start today, will take several days, Gerstein said.

Some Miami authorities working on the case said they felt Jones, 43, is sane.

Police said Monday an Ohio Department of Public Welfare letter described Jones as feeble minded as a youth. The letter, police said, had been sent to a former Juvenile Court judge in Jones' native Wapakoneta, Ohio.

Judith, the daughter of Baltimore, Md., attorney James Roberts, was spirited from her grandparents' home and her body was found in a secluded spot the following day.

Jones was arrested in Charlotte, N.C., where he sold newspapers, last month.

10 Of Midland Union To Attend Convention

Ten of 12 members of Steelworker Local 1212 of the Midland Works of the Crucible Steel Co. are expected to leave Saturday for the union's 12th national convention at Miami Beach, Fla.

The convention will be held Monday through Sept. 21. Eight of the nine delegates elected Aug. 28 and leaving Saturday are Joe Kadilak of Ohioville, Al Monaco, George Bradshaw, Pete Vuckovich, Steve Luketich, Raymond Presutti, Edward Melvin and Joe Wirag, all of Midland. Also leavin gare Tom Gallagher, who placed 10th in the election, and Jimmy Lento, 11th, both of Midland, who are also being sent by the local.

Harry Petrosky, president, who automatically attends, and Joseph D'Alesio, an elected delegate, left Sunday since they will serve on special committees.

Due to the convention, the Local 1212 membership meeting will be held Sept. 27 instead of Sept. 20, the union office at Midland said.

Taxi Firm Will Move To E. 6th St. Location

Council cleared the way Monday night for the Veterans Cab Co. to move its office from the Bus Terminal to a new location on E. 6th St.

At the request of Robert Freed, owner of the firm, Council authorized removal of a parking meter to clear the way for a taxi stand in front of the new office. Councilman Frank Duffy, chairman of the franchise committee, explained the firm will locate in quarters formerly used by the Lantern Room, a restaurant which Freed operated.

The E. 6th St. stand will be used to dispatch cabs for patrons who walk into the office. Most of the firm's cabs will be dispatched by radio from its garage on Dresden Ave., Duffy said. The move will be made in a few days,

Club To Hear Coach

LISBON — Byron (By) Morgan of Beaver Falls, Geneva College football coach, will speak at the Kiwanis Club luncheon Thursday noon in the American Legion home. Former Boardman High coach, Morgan will discuss "Physical Fitness." Gail Lewis is program chairman.

Bringing Up A Family

By GARRY C. MEYERS

Correctness Hinders Creativeness

If you take down verbatim the delightful yarns you hear coming out of the head of your child two, three or five, you will be impressed with the freshness and spontaneity of his creation. Then when he reaches the fourth or sixth grade and you read some of his "compositions" written at school, they may strike you as rather drab and commonplace. We actually made this check on two of our own children some years ago and found what you yourself may find. There are exceptions, of course. When your child writes at school he must learn to spell, punctuate, capitalize and the like properly, and these matters are important. When he writes he usually considers them so important that he may not have much urge to center his attention on the ideas he is expressing on creativeness.

Dr. Garry Meyers

—:—

RIGHT NOW, in the upper grades, high school and college, a theme or composition of superior creativeness may be rated by the teacher as low or failing, if it has many misspelled words or violates the simple rules of good form. If bye and bye the same writer sends some contribution to a magazine or book editor, its chances for acceptance may be low.

Therefore the child's and youth's failure to master these more -or - less mechanical skills may discourage creativeness, even kill it.

Dilemma:

How to promote both creativeness and mastery of the mechanics of expression? Or taking children as we find them, how may we stimulate them in creative writing?

—:—

AT THE CONFERENCE on Fostering Creativity Through Reading and Language" last July 10th, at Northwestern University, Dr. E. Paul Torrance of the Bureau of Education Research, University of Minnesota, reported some researches.

He found that sixth - graders, rewarded for the interest and originality of their stories, wrote stories "clearly more interesting and original than their peers who were rewarded for correctness", and expressed about twice as many original ideas. But they also made many more errors.

Dr. Torrance said that some teachers seriously objected to having their pupils told to concentrate on interesting, exciting and original ideas rather than on correctness.

In a panel discussion following his paper, in which I participated, there came up the question, "What practical measures may teachers and parents take for stimulating creative writing while also not neglecting correctness?"

Very few ideas in this direction were offered.

More on this tomorrow.

My bulletin "Stimulate Your Child's Imagination" may be had by sending a self-addressed, stamped envelope to me in care of The Review.

Library Lists 10 New Films Available For Use Of Public

A selection of 30 16 mm. sound motion pictures is available for East Liverpool viewers at the Carnegie Public Library, including 10 new prints which have not been seen by local audiences.

Outstanding among the additions is a movie dealing with the current problem of school "drop outs." "You Can Go a Long Way" is a 20-minute portrayal of the advantages of remaining in school.

The film shows actual cases of those who became discouraged and bored, quitting early, and their reduced economic opportunities and employment problems. It is an Encyclopedia Britannica production which could be exhibited for a number of teen-age groups in the area.

Explorer and Scout groups will find a trio of very useful films for their early meetings. "Which Way Is North" is a 14-minute instructional movie on the use of the compass on the sea, in the air and on the land. The Canadian Film Board has an excellent 9-minute short called "To the Rescue," which describes the air ambulance, Rocky Mountain Rescue Squad and avalanche experts.

The aboriginal interest of Explorers will be satisfied in a 29-minute color extravanganza called "Circle in the Sun." It shows one of the last gatherings of the Blood Indians in the Province of Alberta and celebrates the passing glory of the tribe.

Leaders and teachers who want to give orientation on safety will find two fine films available: "One Little Indian" explains rules of traffic safety through the eyes of a backwoods Indian who has just arrived in a large city. "In Case of Fire" illustrates various types of fire drills.

Three films have a special appeal for those who enjoy travelogues: "Yosemite," 19 minutes; "St. Lawrence Seaway," 13 minutes, and "Germany, People of the Industrial West," 17 minutes.

The rich heritage of American history is found in a quintet of movies: A new print on "Benjamin Franklin," "The White House, Past and Present," "Battle of Yorktown," "Lord Elgin," and "Joseph Howe."

There are half a dozen shorts about animals which can entertain the small children.

The film librarian, Janice Brookman, reports that catalogues for the year will be available within the next 10 days which will give the entire year's schedule.

The library plans to mail out a monthly list to patrons who wish advance information. Phone the library FU. 5-2048, if you wish to be placed on the mailing list.

Church On North Side Hit Again By Vandals

For the second time in less than a month, a North Side church has been damaged heavily by vandals, police were told Monday night.

Eighteen panes of stained glass were broken and three doors were marred with shoe polish at the 7th Day Adventist Church on McKinnon Ave., Paster Lyle G. Euler told the department Monday at 6:30 p. m.

The minister filed the report with Patrolman Kenneth Mooney. Patrolmen L. E. Richard and Jack Stroble investigated. About two weeks ago, vandals broke a series of stained glass windows at the same church.

City School Enrollments Climb By 126

Enrollment in city schools has increased 126 over the attendance at a comparable period in 1961, a survey made by Supt. Ralph W. Betts' office showed today.

Monday's attendance totaled 5,668 compared to 5,578 last year and 5,460 in 1960.

The largest increase is in the already - crowded senior high school where the attendance of 1,171 is a boost of 163 over the 1961 enrollment.

With an enrollment of 3,036, elementary schools have a net gain of one while there's a decrease of 38 in the enrollment at the two junior high schools. The present attendance in junior highs is 1,461 against 1,499 last year.

Here's a breakdown of enrollments by buildings with the 1961 and 1960 figures in parentheses:

Garfield 254 (230 in 1961 and 197 in 1960); Glenmoor 271 (275 and 232); Horace Mann 300 (265 and 318); Klondyke 80 (84 and 81); LaCroft 240 (228 and 216); Lincoln 315 (322 and 323); McKinley 246 (243 and 236); Neville 167 (182 and 197); Pleasant Heights 174 (185 and 212); Taft 222 (213 and 214); Westgate elementary 723 (744 and 764); Westgate junior high 1,055 (1,084 and 1,054); East junior high 406 (415 and 377), and high school, 1,171 (1,008 and 984).

In addition, there are 44 enrolled in special education classes this year compared to 64 in the last term.

$500,000 Given Ohio In Job Plan

COLUMBUS, Ohio (AP)—Ohio has received more than a half-million dollars for retraining the jobless.

Gov. Michael V. DiSalle said the Bureau of Unemployment Compensation will get $350,000 and the State Department of Education $175,000. He estimated that between 25,000 and 30,000 Ohioans might benefit eventually.

Among the first 200 to receive retraining, he said, will be 18 as automobile body mechanics in Youngstown-Warren, 15 as stenographers in Lancaster-Athens, 15 as licensed practical nurses in Portsmouth, 15 as auto body and auto mechanics in Akron, and 20 each as auto body mechanics, marine operators, transmission-differential repair mechanics, licensed practical nurses and stenographers in Cleveland.

Fostoria Youth Killed In Effort To Save Dog

FOSTORIA, Ohio (AP)—A futile effort to save a beagle puppy that had dashed into the path of a freight train caused the death of 18-year-old Clayton Dale Banks.

The youth was waiting at a Chesapeake & Ohio Railway crossing Monday when the 7-month-old pup ran onto the tracks into the path of an approaching freight train.

Trying to get the dog off the tracks, Clayton was hit by the diesel engine. He died a few minutes later in Fostoria City Hospital.

The dog was run over and was shot by police to end its misery.

The boy's father, Clarence G. Banks, said his son had owned the puppy only three weeks but was deeply attached to it.

Mayor Lists 22 Cases

ROGERS — Mayor Robert McCleary said today he held 22 traffic hearings in the past six weeks. Fines totaling $250, plus costs, were meted out to the violators from the latter part of July and through August.

Firemen Set Fund Drive

Plans to open a fund - raising campaign for maintaining the Newell volunteer fire department were made when firemen met Monday night.

Gene Lytton, chairman, reported the maintenance drive will begin in the rural areas Sept. 26 at 5:30 p. m., and open in Newell on Oct. 8.

Firemen are also making plans to purchase a new light pumper truck to be used primarily for fighting fires in the countryside areas. Bids will be received between Sept. 24 and Oct. 8. Specifications have already been received from one fire equipment manufacturer.

Chief Don Foltz reported on department activities. Firemen responded to an alarm Sept. 5 at 10:30 a. m. when an automatic washing machine in the home of Richard Haynes of Jefferson St. Ext. became overheated. There was little damage, firemen said. Nine men responded to the alarm.

A special practice session will be held Monday at 6:30 p. m. at the station, Chief Foltz announced.

Fifteen attended and Pete Lamp, vice president, presided. Next meeting is Sept. 24 at 6:30 p. m.

Out Of The Air

By ALAN GILL

The Dour Bishop Previews Series

HOLLYWOOD, Calif.

Joey Bishop — with the narrow - brimmed rain hat pulled down over the patch of moss which he calls hair — resembles a younger and vastly sadder Eddie Foy Jr. In person the man is more curate than comic, but more joey than bishop. He is not always, as they say, "on."

Alan Gill

"Last season," he says, leaning back behind his executive's desk in the long dressing room trailer, "was a disaster. I should have got up at the end of that final program and said, 'I'm sorry I wasted your time and mine.'

-:-

"WE DID THAT show cold. We only did a little talking, and then I came in from a club engagement and we started shooting.

"The thing never had been thought out. They didn't even rerun the series during the summer and do you know how much is lost on a series that isn't rerun during the summer?" He blew a soundless whistle to the heavens.

But ah, "The New Joey Bishop Show" is another matter, he says. And you can find out for yourself in the opening program next Saturday night on NBC.

"We started talking in April and got 10 premises down on paper before the approach was decided on. We didn't get around to shooting the first show until July. And this time, believe me, the stuff's good.

-:-

"I'M A TV COMEDIAN this time around, and we do a lot of bits about my program. Abby Dalton, the little thing from 'Hennesey,' is my wife. Joe Besser, remember him? 'Not so fa-a-ast!' He's the janitor in our apartment house.

"We do the show before a live audience here at Desilu, and that good live laughter is tonic. We decide in rehearsal what's funny by the response we get from Whitey. He's the final judge."

And who is Whitey? "He cleans the floors."

Abby Dalton entered, munching a sandwich, and crossed her slim, slim legs and opened her sweet, sweet mouth and told us she was furious, just furious that the network had scuttled "Hennesey."

-:-

BUT "I LOVE being 'married' to Joey. He's the nicest husband. And I don't have to wear nurses' uniforms any more. I've got a wardrobe! I'll be the most glamorous and best-dressed kid on television."

Then Miss Dalton gave Mr. Bishop a housewifely peck on the nose and disappeared, still munching the ham on rye.

"Terrible girl, terrible," said Joey. "I'm glad she's gone, aren't you?"

And when my voice came back, I asked the fellow about his early career. He told me about the Bishop Bros. trio, none of whom was named Bishop (Joey's moniker is Joseph Abraham Gottlieb); about the 24 years in the clubs; about his discovery by Sinatra; about his movies, including "The Naked and the Dead." ("I played both roles.")

-:-

"IN MY ACT I can't very well go in for slapstick," he said. "Slapstick takes too much time and provocation. I'm one of the few guys who walks off without a sweat. And when it's a bad night — well, it's just a bad night.

"How can you figure it? I'm off, that's all. It isn't the audience. They're fresh and ready for a good time. How can it be them? Until I had it made, I could say things like 'I made Frank Sinatra what he is today,' but that sort of thing isn't funny any more.

"I'm a success. I can't just launch an attack on adversity, because they know I have nothing to complain about. I just talk. About 'them,' about anything."

TV Highlights

TONIGHT

8, KDKA, WSTV, Lloyd Bridges Show: A new series about roving journalist Adam Shepherd, starring Lloyd Bridges.

Enrollment in city schools has increased 126 over the attendance at a comparable period in 1961, a survey made by Supt. Ralph W. Betts' office showed today.

Monday's attendance totaled 5,668 compared to 5,578 last year and 5,460 in 1960.

The largest increase is in the already - crowded senior high school where the attendance of 1,171 is a boost of 163 over the 1961 enrollment.

With an enrollment of 3,036, elementary schools have a net gain of one while there's a decrease of 38 in the enrollment at the two junior high schools. The present attendance in junior highs is 1,461 against 1,499 last year.

Here's a breakdown of enrollments by buildings with the 1961 and 1960 figures in parentheses:

Garfield 254 (230 in 1961 and 197 in 1960); Glenmoor 271 (275 and 232); Horace Mann 300 (265 and 318); Klondyke 80 (84 and 81); LaCroft 240 (228 and 216); Lincoln 315 (322 and 323); McKinley 246 (243 and 236); Neville 167 (182 and 197); Pleasant Heights 174 (185 and 212); Taft 222 (213 and 214); Westgate elementary 723 (744 and 764); Westgate junior high 1,055 (1,084 and 1,054); East junior high 406 (415 and 377), and high school, 1,171 (1,008 and 984).

In addition, there are 44 enrolled in special education classes this year compared to 64 in the last term.

$500,000 Given Ohio In Job Plan

COLUMBUS, Ohio (AP)—Ohio has received more than a half-million dollars for retraining the jobless.

Gov. Michael V. DiSalle said the Bureau of Unemployment Compensation will get $350,000 and the State Department of Education $175,000. He estimated that between 25,000 and 30,000 Ohioans might benefit eventually.

Among the first 200 to receive retraining, he said, will be 18 as automobile body mechanics in Youngstown-Warren, 15 as stenographers in Lancaster-Athens, 15 as licensed practical nurses in Portsmouth, 15 as auto body and auto mechanics in Akron, and 20 each as auto body mechanics, marine operators, transmission-differential repair mechanics, licensed practical nurses and stenographers in Cleveland.

Fostoria Youth Killed In Effort To Save Dog

FOSTORIA, Ohio (AP)—A futile effort to save a beagle puppy that had dashed into the path of a freight train caused the death of 18-year-old Clayton Dale Banks.

The youth was waiting at a Chesapeake & Ohio Railway crossing Monday when the 7-month-old pup ran onto the tracks into the path of an approaching freight train.

Trying to get the dog off the tracks, Clayton was hit by the diesel engine. He died a few minutes later in Fostoria City Hospital.

The dog was run over and was shot by police to end its misery.

The boy's father, Clarence G. Banks, said his son had owned the puppy only three weeks but was deeply attached to it.

Mayor Lists 22 Cases

ROGERS — Mayor Robert McCleary said today he held 22 traffic hearings in the past six weeks. Fines totaling $250, plus costs, were meted out to the violators from the latter part of July and through August.

Firemen Set Fund Drive

Plans to open a fund - raising campaign for maintaining the Newell volunteer fire department were made when firemen met Monday night.

Gene Lytton, chairman, reported the maintenance drive will begin in the rural areas Sept. 26 at 5:30 p. m., and open in Newell on Oct. 8.

Firemen are also making plans to purchase a new light pumper truck to be used primarily for fighting fires in the countryside areas. Bids will be received between Sept. 24 and Oct. 8. Specifications have already been received from one fire equipment manufacturer.

Chief Don Foltz reported on department activities. Firemen responded to an alarm Sept. 5 at 10:30 a. m. when an automatic washing machine in the home of Richard Haynes of Jefferson St. Ext. became overheated. There was little damage, firemen said. Nine men responded to the alarm.

A special practice session will be held Monday at 6:30 p. m. at the station, Chief Foltz announced.

Fifteen attended and Pete Lamp, vice president, presided. Next meeting is Sept. 24 at 6:30 p. m.

The Sports Bench

By BOB DUFFY
Sports Editor

Lopsided Openers . . .

The crowd was near record - breaking, and well behaved; the game was just about as lopsided as a football game could be, and it didn't do much for the morale of the East Liverpool gridders or coaching staff.

About the only satisfaction that members of East Liverpool High School teams have received from the last three season's openers is the fact they have been beaten by the best. Massillon, 1960; Niles, 1961, and Niles, 1962.

The Potters won't be playing Niles next season because the two-year contract expired with Saturday's game. Beaver Local will be the opening game for the 1963 season. This is a much fairer opener for all concerned.

—:—

ANOTHER large crowd, probably around 6,000, is expected Saturday night to see the long awaited battle between East Liverpool and Beaver Local, their first official meeting on the gridiron.

As somebody remarked Saturday night as we were leaving the game, "That crowd tonight reminded me of the Wellsville-East Liverpool games when they were held on Thanksgiving."

Niles Stayed Under Wraps . . .

NILES coach Tony Mason said he thought East Liverpool was much improved over the 1961 squad.

"And let me get one thing straight," Mason said "I didn't call that timeout before the last play of the game when my team was on the five-yard line. That was a third-string quarterback who called time to run one more play."

In other words, Mason didn't want another touchdown that might make people think he was pouring it on.

Actually Niles didn't use many of its offensive plays. Mason couldn't afford to. Scouts from at least six schools, all opponents of Niles, were sitting in the stands Saturday night watching every move made by the Dragons.

However, their appearance at the game was almost fruitless because all Niles did was follow straight football tactics.

Mason has several other plays up his sleeve for Bo Rein, the outstanding Niles halfback, plays that would break him into the open on more occasions.

—:—

JUST for the records, Ephriam Ellison who wore No. 45, the big 190-pound fullback who ripped through the Potters, is a sophomore and only 15 years old.

They say he is a pretty fair basketball player. We'll find out. East Liverpool and Niles meet in basketball at Niles Feb. 9.

—:—

MILAN ZBAN, sports editor of the Niles Times, and yours truly were highly impressed with the defensive play turned in by Scotty Musuraca from his linebacking position.

Zban said, "Let me know if Musuraca keeps playing like he did tonight and he will have my vote for the all-state team." We'll go along with that, so make it two votes.

THE ONLY team we feel has a chance of stopping Niles on its way to another title would be powerful Steubenville Central. The Crusaders invade Niles on Oct. 6.

Allen Among Top 4 Rookies . . .

ONE year can make a lot of difference, in fact change the life of one Bernie Allen.

Back in June of last year after Allen had been with Charlotte of the Sally League for a week we called the sportswriter in Charlotte who followed the team.

From our end of the phone we asked, "How has Bernie Allen looked so far?"

The reply wasn't what we wanted to hear. The writer said: "He has a good many errors and hasn't hit the ball out of the infield in the last two days.

Allen, joining Charlotte in midseason, managed to get in 79 games and his record showed a miserable .241 batting average and 21 errors.

Almost one year later since he completed his season at Charlotte, The Sporting News, in this week's issue, has Allen listed as one of four rookies in the American League shooting for Rookie of the Year.

His competition includes Tom Tresh, shortstop and outfielder for the Yankees; Bob Rodgers, switch-hitting catcher for the Los Angeles Angels, and Dean Chance, brilliant mound star for the Angels.

Allen's average dropped to .237 in mid-June, but he staged a brilliant comeback to put it over .280 about two weeks ago as he and the Twins remain in contention for the American League pennant. He is currently hitting close to .275, about the same as Tresh.

In the National League, it appears Ken Hubbs, the second baseman of the Chicago Cubs who set a new major league fielding record, is head and shoulders above the other rookies in the senior circuit.

It is about time that a rookie is awarded for his fielding ability.

This 'N That In Sports . . .

JOHN SANT, quarterback for the Neshannock eleven which defeated South Side 27-13 Saturday, is the son of John Sant, a former East Liverpool High School quarterback and the grandson of Richard Sant of Park Way. Young Sant threw for one touchdown and scored a TD and extra point himself.

—:—

TOM RODFONG, former Potter quarterback on the 1956 ELHS squad, is an assistant coach at Salineville High School.

—:—

MIKE RAICH, who was outstanding gridder for the Midland High Leopards and Geneva College, is varsity line coach at East Palestine under Rey Dempsey.

—:—

LOU VENDITTI'S Canton Lincoln team took one on the chin in its opener Friday when Canton South compiled a 32-12 victory.

—:—

IT'S TOUGH for fans to tell the East Liverpool players when there aren't any numbers listed in the program. Numbers for the Niles squad were listed in Saturday's program. We hope this is corrected for the next game.

—:—

THE STUDENT card section of ELHS will try again Saturday night when the Potters meet Beaver Local.

The section ran into some trouble last week for the opening game with Niles. Due to a mixup, students who were not to be in the card section sat in the seats reserved for the card members, so it became impossible to carry out any plan, George Hargraves, high school principal, explained.

—:—

EAST Liverpool's Dave Zelch, a star on the 1959 Potter team, will be in Pittsburgh Saturday with Miami University and should see some action in a defensive halfback role when the Hurricanes meet Pitt.

Dodgers Rout Cubs, Stay ½ Step Ahead

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Davis Hits Slam; G-Men Trip Bucs

By MIKE RATHET
Associated Press Sports Writer

From among an exclusive circle of four players—Tommy Davis, Maury Wills, Willie Mays and Frank Robinson — likely will emerge the locksmith with the key to the National League throne room.

Each of the quartet, making a strong bid for Most Valuable Player honors, put on outstanding performances Monday as Los Angeles, San Francisco and Cincinnati all won and remained 1-2-3 in that tight struggle for NL supremacy.

Davis hit a grand slam homer and wound up with five runs batted in as the first-place Dodgers walloped the Chicago Cubs 8-1, remaining a half-game in front of second-place San Francisco and 5½ ahead of third-place Cincinnati.

Wills continued his assault on Ty Cobb's stolen base record. The swift Dodger shortstop pilfered three, running his total to 89—only seven short of the record established by the Detroit Hall of Famer in 1915.

Mays, the majors' home run leader, hit No. 43 in the first inning as the Giants got off to a quick start against Pittsburgh and held it all the way behind Billy O'Dell's five-hit pitching for a 4-1 triumph.

Robinson, last year's MVP, provided the defending champion Reds with a 4-3 decision over St. Louis by tagging his second homer of the game and 36th of the season in the 11th inning while raising his batting average to a league-leading .341.

In the NL's only other game, home runs by Ed Mathews and Hank Aaron powered Milwaukee to a 5-2 decision over the New York Mets. Houston and Philadelphia were not scheduled.

Davis, who went 1-for-3 and dropped into second place in the batting race with a .339 mark, provided the Dodgers with the big blow—a bases full homer in the third inning off Cubs' starter Dick Ellsworth (8-18) that built their edge to 5-0. Don Drysdale (24-7) allowed only three hits until Manager Walt Alston decided to give him a rest after eight innings and brought in Jack Smith to finish up. Davis' RBI splurge gave him a 137 total, 11 more than runner-up Robinson. Mays has 123.

Wills made it 13 stolen bases in the last five games with his three steals against the Cubs. He has 17 games in which to tie or surpass Cobb, who stole 96 on a 156-game schedule. The Dodgers have played 145 games.

Mays connected off Harvey Haddix (9-6) with Felipe Alou aboard in the first inning and that was all O'Dell (17-12) needed as he went the route for the 18th time.

Robinson drove in three of the four Reds' runs, starting his heroics with a second-inning homer, then sending Vada Pinson home with a single in the fourth before providing the game-winner in the 11th with a homer off Cardinal starter Ernie Broglio (11-8). The Cards had tied it in the eighth on Gene Oliver's homer off Joe Nuxhall.

Mathews broke a 2-2 tie with a one-on homer in the seventh and Aaron followed with his 39th for the Braves. The two homers made it 185 against the Mets this season, tying the NL record set by St. Louis in 1955.

Davis Cup, Pro Offers Next

Laver Completes Tennis Grand Slam, Joins Budge

By ED CORRIGAN
Associated Press Sports Writer

FOREST HILLS, N.Y. (AP)—Rod (Grand Slam) Laver of Australia sat back today and waited for the professional tennis offers to roll in while he decides what he's worth in dollars and cents.

"But," he said, "right now I'm interested in the Davis Cup and I definitely won't consider any professional contracts until the challenge round in December."

Laver became the second man to score the coveted grand slam—Australian, French, Wimbledon and United States championships—when he whipped his Aussie Davis Cup mate, Roy Emerson, 6-2, 6-4, 5-7, 6-4, under cheerless, gray skies at the West Side Tennis Club for the U.S. title Monday.

Only the great Don Budge had managed to pull off the coup before. Budge did it in 1938.

So, as has become the custom, an Australian won the U.S. title for the seventh straight year. Tony Trabert, in 1955, was the last American to win it. In fact, he was the last native-born finalist.

That was hardly unexpected. But now new troubles loom in the women's division. Margaret Smith, a tall, 20-year-old blonde from Melbourne, also took the women's crown Down Under when she defeated two-time defender Darlene Hard of Long Beach, Calif., 9-7, 6-4 in the women's final.

It was the first time in the 82-year history of the event that an Australian girl has won the championship.

Twins Topped 5-0 By LA; Lopez, Mantle Spark Yanks To 3-1 Win

By JIM HACKLEMAN
Associated Press Sports Writer

More room at the top was given the New York Yankees after No. 400 by Mickey Mantle, a hit when it counted most by slumping Hector Lopez, and a masterful performance by a young pitcher for a rival contender.

Mantle, back in action in the American League battle following a six-game layoff with an injured side, belted the 400th home run of his 12-year career Monday night to pull the Yankees even in their close one with the Detroit Tigers and Lopez drove across the winner with the first hit in his last 23 at bats, a ninth-inning single. End result: a 3-1 New York victory.

An infield single kept Dean Chance from registering a no-hitter for the third-place Los Angeles Angels over Minnesota's runnerup Twins. The 21-year-old right-hander turned the Twins away without a hit until there was one out in the eighth inning. Then Zoilo Versalles, lashed a hard one up the middle which Jim Fregosi raced over to spear, but his throw to first was late and wild, permitting Versalles to reach second.

It went as an unquestioned hit, the only one Minnesota got. End result: a 5-0 Los Angeles victory.

Also in the American League, Baltimore nipped Boston 2-1 on Dick Williams' 12th - inning pinch hit and Chicago edged Kansas City 4-3. Cleveland and Washington were not scheduled.

Williams' pinch single pinned a tough loss on Boston's Earl Wilson, who gave the Orioles only five hits before being nailed in the 12th. Dave Nicholson led off the winning rally with a single, Hobie Landrith walked and Mickey McGuire was safe on a fielder's choice, loading the bases and setting the stage for Williams' clincher.

Ray Herbert, veteran right-hander nearing the end of his finest season in the majors, won his 16th in the White Sox' narrow decision over the Athletics. Herbert was touched for 10 hits and had a rocky seventh inning, when the A's got all their runs, but went all the way.

No Tears For Chance, 'Just Glad We Won'

By LEW FERGUSON
Associated Press Sports Writer

MINNEAPOLIS-ST. PAUL (AP)—Dean Chance, baby-faced Los Angeles right-hander who at 21 has blossomed into one of the American League's premier pitchers, wasn't crying over his near miss of a no-hitter Monday night.

"I'm just glad we won," he said. "These games are all so important now."

Acknowledging he had pitched one of his finest games of the first anniversary to the day of his debut in the majors, Chance credited a sharp curve, good fast ball, and pinpoint control for his performance.

He blamed a high fast ball for the only hit the Minnesota Twins collected as Chance whitewashed them 5-0.

But he gave full credit on the hit by Zoilo Versalles with one out in the eighth inning that ruined his bid.

"It was a hit all the way," the tall, slender hurler said. "If they had called it an error it would have been a cheap no-hitter. Jim (Fregosi) made a hell of a play on it."

Versalles slapped a hard grounder to the second base hole. Fregosi broke to his left and barely speared the ball before it went into center field. He whirled and threw late and wild to first. Versalles was already across the bag and wound up on second—the only Minnesota base runner to get that far.

Smith Meets Burbick For Men's Title

Don Burbick and Don E. Smith will battle for the men's club championship at the East Liverpool Country Club.

Burbick reached the finals by defeating Bob Patterson and Smith won over W. L. Smith in his semi - final match.

In the second division play, J.T. Hall and Dr. H. F. Banfield will hook up for the title.

The third division has only reached the semi-finals where E. B. Rohrer and Don Schreckengost are paired and George Steele will meet Fred Banfield Jr. The two winners will meet for the title.

In a match play vs. par event Sunday, William R. Kelly took the event with 3 up. J. C. Thompson and Dr. R. J. Kinsey were 2 up while Everson Hall and Jim Laughlin finished even.

Wellsville Loop Meets

The Minor Little League of Wellsville will meet tonight at Daw Junior High. All parents and managers are asked to report.

Hedmond Shows Movies For Lady Boosters Club

Head coach Bob Hedmond screened movies of the ELHS-Niles game when 17 attended a meeting of the Lady Potter Boosters Club Monday at the Travelers Hotel.

Mrs. Mary Kraft, president, reported the players on the traveling squad had been fitted and the order placed for jackets.

The club will again serve sandwiches to the East Liverpool players following Saturday night's game with Beaver Local.

The next meeting will be Monday at 7:30 at the YMCA.

Potter-Beaver Local Tickets Go On Sale

Tickets for the East Liverpool-Beaver Local game Saturday night at Patterson Field are on sale at Reese's Jewelers on E. 5th St.

Wellsville-Lisbon Tickets Go On Sale

Tickets for the Wellsville High - Lisbon football game Friday night at Nicholson Stadium are now on sale at Culp's, McMorrow's, Bloor's and News & Gifts shop in Wellsville, Don Lowe, faculty manager, reported. Adult tickets are $1.25, up a quarter from last year but the standard price at most area schools.

Nonpareil Will Meet At Travelers Tonight

The Blue and White Nonpareil Club will meet tonight at 8 at the Travelers Hotel instead of the YMCA, H. A. (Hap) Tullis, president, said. Movies of the ELHS - Niles game will be screened by head coach Bob Hedmond.

Walter Hagen won five PGA championships. They came between 1921 and 1927.

Koufax May Pitch Again This Season For Dodgers

By CHARLES MAHER
Associated Press Sports Writer

LOS ANGELES (AP) — Sandy Koufax, the brilliant left-hander who was written off for the season only a week ago, may pitch for the Los Angeles Dodgers again in a week or 10 days.

"It's a definite possibility," Dr. Robert M. Woods told The Associated Press Monday.

Dr. Woods, the club physician, said Koufax now has normal circulation in the index finger of his pitching hand and "it's a question now of getting his arm and shoulder back in shape."

Koufax has pitched batting practice twice in the past week and has done some additional throwing in the bullpen. Manager Walter Alston has been encouraged enough to start figuring just where he would use Koufax in his pitching rotation during the last half of September.

"We'll pitch him as soon as he's ready," Alston said. "In another week or 10 days it might be all right for him to go in there and give it a try."

Koufax hasn't pitched in a game since July 17. He was suffering then from blockage of the blood circulation in his left forefinger, and this condition was later complicated by a blood blister on the tip of the finger. Now the blister is gone and Dr. Woods says circulation "is within the normal range."

Post 121 Bowlers Meet

A meeting for bowlers who wish to roll in the Chester American Legion League will be held Friday at 7 p.m. Clarence Eagle, president, announced.

Two Potter Sophomores Are Injured

Two East Liverpool sophomore football players were injured during practice Monday at Patterson Field.

Bob Brooks, 16, son of Mr. and Mrs. Donald Brooks, 1321 Smithfield St., will be lost for the remainder of the season after suffering a fracture and dislocation of the left shoulder.

Brooks was taken to City Hospital and later transferred to Rochester General Hospital for treatment by a specialist.

Jay Gillespie, 16, son of Mr. and Mrs. Ray Gillespie of Manor Ln. was treated then released from City Hospital after being struck on the right side of the face while practicing. Gillespie may have a hairline crack of the jaw.

NATION'S BIGGEST THRILL SHOW

The Sports Bench

By BOB DUFFY
Sports Editor

Lopsided Openers . . .

The crowd was near record - breaking, and well behaved; the game was just about as lopsided as a football game could be, and it didn't do much for the morale of the East Liverpool gridders or coaching staff.

About the only satisfaction that members of East Liverpool High School teams have received from the last three season's openers is the fact they have been beaten by the best. Massillon, 1960; Niles, 1961, and Niles, 1962.

The Potters won't be playing Niles next season because the two-year contract expired with Saturday's game. Beaver Local will be the opening game for the 1963 season. This is a much fairer opener for all concerned.

—:—

ANOTHER large crowd, probably around 6,000, is expected Saturday night to see the long awaited battle between East Liverpool and Beaver Local, their first official meeting on the gridiron.

As somebody remarked Saturday night as we were leaving the game, "That crowd tonight reminded me of the Wellsville-East Liverpool games when they were held on Thanksgiving."

Niles Stayed Under Wraps . . .

NILES coach Tony Mason said he thought East Liverpool was much improved over the 1961 squad.

"And let me get one thing straight," Mason said "I didn't call that timeout before the last play of the game when my team was on the five-yard line. That was a third-string quarterback who called time to run one more play."

In other words, Mason didn't want another touchdown that might make people think he was pouring it on.

Actually Niles didn't use many of its offensive plays. Mason couldn't afford to. Scouts from at least six schools, all opponents of Niles, were sitting in the stands Saturday night watching every move made by the Dragons.

However, their appearance at the game was almost fruitless because all Niles did was follow straight football tactics.

Mason has several other plays up his sleeve for Bo Rein, the outstanding Niles halfback, plays that would break him into the open on more occasions.

—:—

JUST for the records, Ephriam Ellison who wore No. 45, the big 190-pound fullback who ripped through the Potters, is a sophomore and only 15 years old.

They say he is a pretty fair basketball player. We'll find out. East Liverpool and Niles meet in basketball at Niles Feb. 9.

—:—

MILAN ZBAN, sports editor of the Niles Times, and yours truly were highly impressed with the defensive play turned in by Scotty Musuraca from his linebacking position.

Zban said, "Let me know if Musuraca keeps playing like he did tonight and he will have my vote for the all-state team." We'll go along with that, so make it two votes.

THE ONLY team we feel has a chance of stopping Niles on its way to another title would be powerful Steubenville Central. The Crusaders invade Niles on Oct. 6.

Allen Among Top 4 Rookies . . .

ONE year can make a lot of difference, in fact change the life of one Bernie Allen.

Back in June of last year after Allen had been with Charlotte of the Sally League for a week we called the sportswriter in Charlotte who followed the team.

From our end of the phone we asked, "How has Bernie Allen looked so far?"

The reply wasn't what we wanted to hear. The writer said: "He has a good many errors and hasn't hit the ball out of the infield in the last two days.

Allen, joining Charlotte in midseason, managed to get in 79 games and his record showed a miserable .241 batting average and 21 errors.

Almost one year later since he completed his season at Charlotte, The Sporting News, in this week's issue, has Allen listed as one of four rookies in the American League shooting for Rookie of the Year.

His competition includes Tom Tresh, shortstop and outfielder for the Yankees; Bob Rodgers, switch-hitting catcher for the Los Angeles Angels, and Dean Chance, brilliant mound star for the Angels.

Allen's average dropped to .237 in mid-June, but he staged a brilliant comeback to put it over .280 about two weeks ago as he and the Twins remain in contention for the American League pennant. He is currently hitting close to .275, about the same as Tresh.

In the National League, it appears Ken Hubbs, the second baseman of the Chicago Cubs who set a new major league fielding record, is head and shoulders above the other rookies in the senior circuit.

It is about time that a rookie is awarded for his fielding ability.

This 'N That In Sports . . .

JOHN SANT, quarterback for the Neshannock eleven which defeated South Side 27-13 Saturday, is the son of John Sant, a former East Liverpool High School quarterback and the grandson of Richard Sant of Park Way. Young Sant threw for one touchdown and scored a TD and extra point himself.

—:—

TOM RODFONG, former Potter quarterback on the 1956 ELHS squad, is an assistant coach at Salineville High School.

—:—

MIKE RAICH, who was outstanding gridder for the Midland High Leopards and Geneva College, is varsity line coach at East Palestine under Rey Dempsey.

—:—

LOU VENDITTI'S Canton Lincoln team took one on the chin in its opener Friday when Canton South compiled a 32-12 victory.

—:—

IT'S TOUGH for fans to tell the East Liverpool players when there aren't any numbers listed in the program. Numbers for the Niles squad were listed in Saturday's program. We hope this is corrected for the next game.

—:—

THE STUDENT card section of ELHS will try again Saturday night when the Potters meet Beaver Local.

The section ran into some trouble last week for the opening game with Niles. Due to a mixup, students who were not to be in the card section sat in the seats reserved for the card members, so it became impossible to carry out any plan, George Hargraves, high school principal, explained.

—:—

EAST Liverpool's Dave Zelch, a star on the 1959 Potter team, will be in Pittsburgh Saturday with Miami University and should see some action in a defensive halfback role when the Hurricanes meet Pitt.

Dodgers Rout Cubs, Stay ½ Step Ahead

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Davis Hits Slam; G-Men Trip Bucs

By MIKE RATHET
Associated Press Sports Writer

From among an exclusive circle of four players—Tommy Davis, Maury Wills, Willie Mays and Frank Robinson — likely will emerge the locksmith with the key to the National League throne room.

Each of the quartet, making a strong bid for Most Valuable Player honors, put on outstanding performances Monday as Los Angeles, San Francisco and Cincinnati all won and remained 1-2-3 in that tight struggle for NL supremacy.

Davis hit a grand slam homer and wound up with five runs batted in as the first-place Dodgers walloped the Chicago Cubs 8-1, remaining a half-game in front of second-place San Francisco and 5½ ahead of third-place Cincinnati.

Wills continued his assault on Ty Cobb's stolen base record. The swift Dodger shortstop pilfered three, running his total to 89—only seven short of the record established by the Detroit Hall of Famer in 1915.

Mays, the majors' home run leader, hit No. 43 in the first inning as the Giants got off to a quick start against Pittsburgh and held it all the way behind Billy O'Dell's five-hit pitching for a 4-1 triumph.

Robinson, last year's MVP, provided the defending champion Reds with a 4-3 decision over St. Louis by tagging his second homer of the game and 36th of the season in the 11th inning while raising his batting average to a league-leading .341.

In the NL's only other game, home runs by Ed Mathews and Hank Aaron powered Milwaukee to a 5-2 decision over the New York Mets. Houston and Philadelphia were not scheduled.

Davis, who went 1-for-3 and dropped into second place in the batting race with a .339 mark, provided the Dodgers with the big blow—a bases full homer in the third inning off Cubs' starter Dick Ellsworth (8-18) that built their edge to 5-0. Don Drysdale (24-7) allowed only three hits until Manager Walt Alston decided to give him a rest after eight innings and brought in Jack Smith to finish up. Davis' RBI splurge gave him a 137 total, 11 more than runner-up Robinson. Mays has 123.

Wills made it 13 stolen bases in the last five games with his three steals against the Cubs. He has 17 games in which to tie or surpass Cobb, who stole 96 on a 156-game schedule. The Dodgers have played 145 games.

Mays connected off Harvey Haddix (9-6) with Felipe Alou aboard in the first inning and that was all O'Dell (17-12) needed as he went the route for the 18th time.

Robinson drove in three of the four Reds' runs, starting his heroics with a second-inning homer, then sending Vada Pinson home with a single in the fourth before providing the game-winner in the 11th with a homer off Cardinal starter Ernie Broglio (11-8). The Cards had tied it in the eighth on Gene Oliver's homer off Joe Nuxhall.

Mathews broke a 2-2 tie with a one-on homer in the seventh and Aaron followed with his 39th for the Braves. The two homers made it 185 against the Mets this season, tying the NL record set by St. Louis in 1955.

No Tears For Chance, 'Just Glad We Won'

By LEW FERGUSON
Associated Press Sports Writer

MINNEAPOLIS-ST. PAUL (AP)—Dean Chance, baby-faced Los Angeles right-hander who at 21 has blossomed into one of the American League's premier pitchers, wasn't crying over his near miss of a no-hitter Monday night.

"I'm just glad we won," he said. "These games are all so important now."

Acknowledging he had pitched one of his finest games of the first anniversary to the day of his debut in the majors, Chance credited a sharp curve, good fast ball, and pinpoint control for his performance.

He blamed a high fast ball for the only hit the Minnesota Twins collected as Chance whitewashed them 5-0.

But he gave full credit on the hit by Zoilo Versalles with one out in the eighth inning that ruined his bid.

"It was a hit all the way," the tall, slender hurler said. "If they had called it an error it would have been a cheap no-hitter. Jim (Fregosi) made a hell of a play on it."

Versalles slapped a hard grounder to the second base hole. Fregosi broke to his left and barely speared the ball before it went into center field. He whirled and threw late and wild to first. Versalles was already across the bag and wound up on second—the only Minnesota base runner to get that far.

Gene Sarazen, in 1922, and Ben Hogan, in 1948, were the only golfers to win the PGA title and the U. S. Open the same year

Smith Meets Burbick For Men's Title

Don Burbick and Don E. Smith will battle for the men's club championship at the East Liverpool Country Club.

Burbick reached the finals by defeating Bob Patterson and Smith won over W. L. Smith in his semi - final match.

In the second division play, J.T. Hall and Dr. H. F. Banfield will hook up for the title.

The third division has only reached the semi-finals where E. B. Rohrer and Don Schreckengost are paired and George Steele will meet Fred Banfield Jr. The two winners will meet for the title.

In a match play vs. par event Sunday, William R. Kelly took the event with 3 up. J. C. Thompson and Dr. R. J. Kinsey were 2 up while Everson Hall and Jim Laughlin finished even.

Mrs. Pickin Club Champ

Mrs. William Pickin became the Ladies Club Champion by edging Mrs. Robert Patterson 1 up in 19 holes. Mrs. Pickin won the first extra hole with a five while Mrs. Patterson took a 6 over the East Liverpool Country Club course.

Mrs. Okey Ludwig won the second division by defeating Mrs. H. A. Smith. Mrs. Everson Hall took consolation honors in the first division over Mrs. Don Schreckengost. Mrs. Richard Heddleston was the consolation winner in the second division.

Hedmond Shows Movies For Lady Boosters Club

Head coach Bob Hedmond screened movies of the ELHS-Niles game when 17 attended a meeting of the Lady Potter Boosters Club Monday at the Travelers Hotel.

Mrs. Mary Kraft, president, reported the players on the traveling squad had been fitted and the order placed for jackets.

The club will again serve sandwiches to the East Liverpool players following Saturday night's game with Beaver Local.

The next meeting will be Monday at 7:30 at the YMCA.

Potter-Beaver Local Tickets Go On Sale

Tickets for the East Liverpool-Beaver Local game Saturday night at Patterson Field are on sale at Reese's Jewelers on E. 5th St.

Wellsville-Lisbon Tickets Go On Sale

Tickets for the Wellsville High - Lisbon football game Friday night at Nicholson Stadium are now on sale at Culp's, McMorrow's, Bloor's and News & Gifts shop in Wellsville, Don Lowe, faculty manager, reported. Adult tickets are $1.25, up a quarter from last year but the standard price at most area schools.

Nonpareil Will Meet At Travelers Tonight

The Blue and White Nonpareil Club will meet tonight at 8 at the Travelers Hotel instead of the YMCA, H. A. (Hap) Tullis, president, said. Movies of the ELHS - Niles game will be screened by head coach Bob Hedmond.

Walter Hagen won five PGA championships. They came between 1921 and 1927.

Koufax May Pitch Again This Season For Dodgers

By CHARLES MAHER
Associated Press Sports Writer

LOS ANGELES (AP) — Sandy Koufax, the brilliant left-hander who was written off for the season only a week ago, may pitch for the Los Angeles Dodgers again in a week or 10 days.

"It's a definite possibility," Dr. Robert M. Woods told The Associated Press Monday.

Dr. Woods, the club physician, said Koufax now has normal circulation in the index finger of his pitching hand and "it's a question now of getting his arm and shoulder back in shape."

Koufax has pitched batting practice twice in the past week and has done some additional throwing in the bullpen. Manager Walter Alston has been encouraged enough to start figuring just where he would use Koufax in his pitching rotation during the last half of September.

"We'll pitch him as soon as he's ready," Alston said. "In another week or 10 days it might be all right for him to go in there and give it a try."

Koufax hasn't pitched in a game since July 17. He was suffering then from blockage of the blood circulation in his left forefinger, and this condition was later complicated by a blood blister on the tip of the finger. Now the blister is gone and Dr. Woods says circulation "is within the normal range."

Post 121 Bowlers Meet

A meeting for bowlers who wish to roll in the Chester American Legion League will be held Friday at 7 p.m. Clarence Eagle, president, announced.

Two Potter Sophomores Are Injured

Two East Liverpool sophomore football players were injured during practice Monday at Patterson Field.

Bob Brooks, 16, son of Mr. and Mrs. Donald Brooks, 1321 Smithfield St., will be lost for the remainder of the season after suffering a fracture and dislocation of the left shoulder.

Brooks was taken to City Hospital and later transferred to Rochester General Hospital for treatment by a specialist.

Jay Gillespie, 16, son of Mr. and Mrs. Ray Gillespie of Manor Ln. was treated then released from City Hospital after being struck on the right side of the face while practicing. Gillespie may have a hairline crack of the jaw.

Wellsville Loop Meets

The Minor Little League of Wellsville will meet tonight at Daw Junior High. All parents and managers are asked to report.

Gene Conley Joins Knicks

NEW YORK (AP) — Gene Conley, one of those rare athletes who has made it in two big league sports, is set to make another switch in his varied pro career.

The New York Knickerbockers acquired the 6-foot-8 center in a National Basketball Association trade with Chicago Monday, sending center Phil Jordan and rookie Cliff Luyk to the Zephyrs.

Currently, Conley is pitching for the Boston Red Sox, with whom he has compiled a 13-13 record this season. He's combined pro baseball and basketball since 1952. The towering right-hander has pitched for the Boston and Milwaukee Braves and the Philadelphia Phillies in addition to the Red Sox.

Emil (Bus) Mosbacher, skipper of Weatherly in the America's Cup races, is a former commodore of the college sailing club at Dartmouth. He was graduated in 1943.

Suit Hits Ohio Apportioning

CINCINNATI (AP) — A suit challenging the system of apportionment for the Ohio House of Representatives has been taken under advisement by U.S. District Court Judge John W. Peck.

Judge Peck took the suit under advisement Monday after hearing arguments on a motion to transfer the case to the Columbus district where a similar suit has been filed. He said he was inclined to grant the motion.

Both suits attack the constitutionality of the 60-year-old Hanna amendment to the 1851 Ohio Constitution. The amendment guarantees each county at least one representative. Before it was adopted, counties could be lumped together for representation in the House.

The Cincinnati suit was brought by the City Charter Committee. It named as defendants Gov. Michael V. DiSalle, State Auditor Rhodes and Secretary of State Ted Brown in addition to the boards of elections in Adams, Brown, Clinton and Highland counties.

Judge Peck declined to rule on another motion in which the four counties asked to have the suit dismissed. Peck said a three-judge panel would have to rule on this.

Yesterday's Stars

PITCHING — Dean Chance, Angels, allowed only one hit—an infield single by Zoilo Versalles with one out in the eighth inning—as third-place Los Angeles blanked second-place Minnesota 5-0.

BATTING — Tommy Davis, Dodgers, hit grand slam homer in third inning and wound up with five runs batted in as Los Angeles retained its half-game Nationl League lead over San Francisco by walloping the Chicago Cubs 8-1.

Springer Named Head Of Women Bowlers

Mary Lou Springer has been elected president of the East Liverpool Women's Bowling Association.

Other officers include Sara Hague, vice president; Jeris Wilson, secretary; June McVay, treasurer and Jennie Hoffman, sergeant-at-arms.

A meeting of the executive board, consisting of officers of the association and women officers of each league, will be announced later.

Walkout Cripples Columbus Plant Of Westinghouse

COLUMBUS, Ohio — An unauthorized strike at the big Westinghouse appliance plant has stopped ail production, a union leader says.

Al Moro, president of Local 746, International Union of Electrical Workers, AFL-CIO, said all of the nearly 4,000 employes at the plant are observing picket lines put up about noon Monday.

He said the strike is not authorized. However, he added, he was seeking authorization from the international "to protect the workers."

The walkout started over grievances centered on incentive pay rate. Also involved are problems in working conditions.

Moro said there have been no threats of violence at the West Side plant. He said he contacted plant officials three times Monday seeking to talk over the grievances, but he said they refused to talk until the pickets are withdrawn.

D. B. Fichter, divisional manager of manufacturing at Westinghouse, said the plant is open for all employes who wish to work.

Employes at the plant currently are working under a contract which runs through October 1963. The last strike at the plant was in 1955-56 and lasted 156 days. That dispute, however, was over a new contract.

Lausche, Young Split On Public Works Bill

WASHINGTON (AP) — Ohio's two Democratic senators took opposing views on a House-amended public works project bill which the Senate concurred in and sent to President Kennedy.

Sen. Stephen M. Young was one of the 45 senators who voted to adopt the House changes Monday. His colleague from Cleveland, Sen. Frank J. Lausche, voted no. The bill authorizes $900 million in public works projects to create jobs in economically hard - hit areas.

Utility Towers Lifted Into Place By 'Copter

CANTON, Ohio (AP) — The Ohio Power Co. used a helicopter Monday to put in place in 40 minutes three high-voltage transmission line towers in Carroll County along a line which eventually will run from a generating station near Steubenville to Canton.

Under old methods, a full day's work would have been required to erect the 3,500-pound towers.

Fight Results

PHILADELPHIA—Marty Feldman, 169, Philadelphia, outpointed Bernard Ford, 165, Philadelphia, 8.

COLUMBUS, Ga.—Otha Brown, Miami Beach, outpointed Jimmy Boyd, Columbus, Ga., 10 (weights unavailable).

BUTTE, Mont.—Gaspar Ortega, 148¾, Mexico City, knocked out Charley Smith, 154, Los Angeles, 5.

Gene Conley Joins Knicks

NEW YORK (AP) — Gene Conley, one ot those rare athletes who has made it in two big league sports, is set to make another switch in his varied pro career.

The New York Knickerbockers acquired the 6-foot-8 center in a National Basketball Association trade with Chicago Monday, sending center Phil Jordan and rookie Cliff Luyk to the Zephyrs.

Currently, Conley is pitching for the Boston Red Sox, with whom he has compiled a 13-13 record this season. He's combined pro baseball and basketball since 1952. The towering right-hander has pitched for the Boston and Milwaukee Braves and the Philadelphia Phillies in addition to the Red Sox.

Emil (Bus) Mosbacher, skipper of Weatherly in the America's Cup races, is a former commodore of the college sailing club at Dartmouth. He was graduated in 1943.

Suit Hits Ohio Apportioning

CINCINNATI (AP) — A suit challenging the system of apportionment for the Ohio House of Representatives has been taken under advisement by U.S. District Court Judge John W. Peck.

Judge Peck took the suit under advisement Monday after hearing arguments on a motion to transfer the case to the Columbus district where a similar suit has been filed. He said he was inclined to grant the motion.

Both suits attack the constitutionality of the 60-year-old Hanna amendment to the 1851 Ohio Constitution. The amendment guarantees each county at least one representative. Before it was adopted, counties could be lumped together for representation in the House.

The Cincinnati suit was brought by the City Charter Committee. It named as defendants Gov. Michael V. DiSalle, State Auditor Rhodes and Secretary of State Ted Brown in addition to the boards of elections in Adams, Brown, Clinton and Highland counties.

Judge Peck declined to rule on another motion in which the four counties asked to have the suit dismissed. Peck said a three-judge panel would have to rule on this.

Yesterday's Stars

PITCHING — Dean Chance, Angels, allowed only one hit—an infield single by Zoilo Versalles with one out in the eighth inning—as third-place Los Angeles blanked second-place Minnesota 5-0.

BATTING — Tommy Davis, Dodgers, hit grand slam homer in third inning and wound up with five runs batted in as Los Angeles retained its half-game Nationl League lead over San Francisco by walloping the Chicago Cubs 8-1.

Springer Named Head Of Women Bowlers

Mary Lou Springer has been elected president of the East Liverpool Women's Bowling Association.

Other officers include Sara Hague, vice president; Jeris Wilson, secretary; June McVay, treasurer and Jennie Hoffman, sergeant-at-arms.

A meeting of the executive board, consisting of officers of the association and women officers of each league, will be announced later.

Walkout Cripples Columbus Plant Of Westinghouse

COLUMBUS, Ohio — An unauthorized strike at the big Westinghouse appliance plant has stopped all production, a union leader says.

Al Moro, president of Local 746, International Union of Electrical Workers, AFL-CIO, said all of the nearly 4,000 employes at the plant are observing picket lines put up about noon Monday.

He said the strike is not authorized. However, he added, he was seeking authorization from the international "to protect the workers."

The walkout started over grievances centered on incentive pay rate. Also involved are problems in working conditions.

Moro said there have been no threats of violence at the West Side plant. He said he contacted plant officials three times Monday seeking to talk over the grievances, but he said they refused to talk until the pickets are withdrawn.

D. B. Fichter, divisional manager of manufacturing at Westinghouse, said the plant is open for all employes who wish to work.

Employes at the plant currently are working under a contract which runs through October 1963. The last strike at the plant was in 1955-56 and lasted 156 days. That dispute, however, was over a new contract.

Lausche, Young Split On Public Works Bill

WASHINGTON (AP) — Ohio's two Democratic senators took opposing views on a House-amended public works project bill which the Senate concurred in and sent to President Kennedy.

Sen. Stephen M. Young was one of the 45 senators who voted to adopt the House changes Monday. His colleague from Cleveland, Sen. Frank J. Lausche, voted no. The bill authorizes $900 million in public works projects to create jobs in economically hard - hit areas.

Utility Towers Lifted Into Place By 'Copter

CANTON, Ohio (AP) — The Ohio Power Co. used a helicopter Monday to put in place in 40 minutes three high-voltage transmission line towers in Carroll County along a line which eventually will run from a generating station near Steubenville to Canton.

Under old methods, a full day's work would have been required to erect the 3,500-pound towers.

Fight Results

PHILADELPHIA—Marty Feldman, 169, Philadelphia, outpointed Bernard Ford, 165, Philadelphia, 8.

COLUMBUS, Ga.—Otha Brown, Miami Beach, outpointed Jimmy Boyd, Columbus, Ga., 10 (weights unavailable).

BUTTE, Mont.—Gaspar Ortega, 148¾, Mexico City, knocked out Charley Smith, 154, Los Angeles, 5.

LEGAL NOTICES

Notice of Election on Tax Levy in Excess of the Ten Mill Limitation
Rev. Code, Sec. 345.03; 3501.11(G); 5705.191, 5705.25

NOTICE is hereby given that in pursuance of a Resolution of the Council of the City of East Liverpool, Columbiana County, Ohio, passed on the 31st day of July, 1962, there will be submitted to a vote of the people of said City of East Liverpool at a General ELECTION to be held in the City of East Liverpool Columbiana County, Ohio, at the regular places of voting therein, on Tuesday, the 6th day of November, 1962, the question of levying a tax, in excess of the ten-mill limitation, for the benefit of the City of East Liverpool for the purpose of providing an adequate amount for current expenses, to-wit: providing funds to supplement General Fund appropriations for salaries and expenses incident to the personnel of the fire department of said City of East Liverpool.

Said tax being a renewal of an existing tax of one (1) mill to run for five (5) years at a rate not exceeding one (1) mill for each one dollar of valuation, which amounts to ten cents ($0.10) for each one hundred dollars of valuation, for five (5) years, being the tax years 1963, 1964, 1965, 1966, and 1967, including a levy upon the tax duplicate of the current year.

The Polls for said Election will be open at 6:30 o'clock A. M. and remain open until 6:30 o'clock P. M. Eastern Standard Time of said day.

By order of the Board of Elections of Columbiana County, Ohio.
C. L. STACEY, Chairman.
FRANK R. O'HANLON, Clerk.
Dated August 1, 1962.

FOR SALE REAL ESTATE

58 PROPERTIES, City-Suburban

FU 6-6666

A very fine three bedroom brick one and a half story home on upper MINERVA STREET for $16,000. Replacement costs would cost you double this amount and this is not an old home. It has a beautiful divided basement. Six rooms and bath on the first floor, and completely finished large belroom upstairs that will accommodate several children if necessary. Cedar closets, hardwood floors, beautifully decorated, double detached garage, and a good gas furnace, location is excellent and you're sure to love it.

Good one story home at 449 SARAH STREET, five rooms and bath plus finished basement, large lot and close to St. Clair Avenue. Priced at $8,000.00 with 5% Down payment required.

910 Lisbon Street is just a couple blocks from Westgate school and you will never believe how nice this home is until you take a look through. Aluminum siding with carpeting and drapes. New hot water tank, gas furnace, beautiful large living room and privacy guaranteed. $7,500. and could be purchased on a land contract.

An especially attractive 5 room home at 1009 May Street for the low price of $6,000. New furnace, completely redecorated, and convenient to town and Westgate School. Family just out grew the home.

FOR SALE REAL ESTATE

58 PROPERTIES, City-Suburban

FU 6-6666

A very fine three bedroom brick one and a half story home on upper MINERVA STREET for $16,000. Replacement costs would cost you double this amount and this is not an old home. It has a beautiful divided basement. Six rooms and bath on the first floor, and completely finished large belroom upstairs that will accommodate several children if necessary. Cedar closets, hardwood floors, beautifully decorated, double detached garage, and a good gas furnace, location is excellent and you're sure to love it.

Good one story home at 449 SARAH STREET, five rooms and bath plus finished basement, large lot and close to St. Clair Avenue. Priced at $8,000.00 with 5% Down payment required.

910 Lisbon Street is just a couple blocks from Westgate school and you will never believe how nice this home is until you take a look through. Aluminum siding with carpeting and drapes. New hot water tank, gas furnace, beautiful large living room and privacy guaranteed. $7,500, and could be purchased on a land contract.

An especially attractive 5 room home at 1009 May Street for the low price of $6,000. New furnace, completely redecorated, and convenient to town and Westgate School. Family just out grew the home.

Chrysler Corporation Announces A Revelation In The Auto Industry

5 YEAR - 50,000 MILE WARRANTY

On all 1963 Models. The most important guarantee advance in automobile history — Proving again the clear cut superiority of Chrysler engineering!

BUT:

We are stocked with 18 1962 cars including (2) Imperials, (1) Chrysler (7) Valiants and (5) Plymouths, (2) are demonstrators. (These cars carry only a one year — 12,000-mile warranty, the same as our competition) However our 1962 cars will be identical (mechanically) to the 1963 models.

THEREFORE:

We must sell our entire 1962 stock at a great sacrifice. Every car is numbered and the equipment itemized.

SAVE UP TO $1,700.00

You can reserve the car of your choice by phone for 12 hours. Out of town may call collect!

TRADES ACCEPTED AT FULL CASH VALUE. A MINIMUM OF $50 DOWN IS REQUIRED. 37½ MONTHS TO PAY. NO PAYMENTS TILL NOVEMBER. BANK RATE FINANCING.

We honestly believe that the values listed on this page cannot be duplicated anywhere. We invite your comparison.

Chrysler Corporation Announces A Revelation In The Auto Industry

5 YEAR - 50,000 MILE WARRANTY

On all 1963 Models. The most important guarantee advance in automobile history — Proving again the clear cut superiority of Chrysler engineering!

BUT:

We are stocked with 18 1962 cars including (2) Imperials, (1) Chrysler (7) Valiants and (5) Plymouths, (2) are demonstrators. (These cars carry only a one year — 12,000-mile warranty, the same as our competition) However our 1962 cars will be identical (mechanically) to the 1963 models.

THEREFORE:

We must sell our entire 1962 stock at a great sacrifice. Every car is numbered and the equipment itemized.

SAVE UP TO $1,700.00

You can reserve the car of your choice by phone for 12 hours. Out of town may call collect!

TRADES ACCEPTED AT FULL CASH VALUE. A MINIMUM OF $50 DOWN IS REQUIRED. 37½ MONTHS TO PAY. NO PAYMENTS TILL NOVEMBER. BANK RATE FINANCING.

We honestly believe that the values listed on this page cannot be duplicated anywhere. We invite your comparison.

STOCK NO. 11ST — 1962 DODGE PICKUP
Color: Red — Retail Price $2520

OFF THE RECORD

How Can I?

By ANNE ASHLEY

Q. Do you have any tips on the cleaning of white sidewall tires?

A. You can do a good job with denatured alcohol to which a small amount of hydrogen peroxide has been added. Saturate a rag in this solution, and apply to the white sidewalls, allowing to penetrate for a minute or so, then repeating the application. Then rub the dirt off the sidewall with a clean, alcohol-dampened cloth.

Q. How can I remove paper labels from bottles more easily?

A. You can do this quite easily if the face of the label is wet thoroughly, and then heated near a flame.

Q. How can I remove yellow perspiration stains from white washable materials?

A. These should be bleached out in the sun after the proper laundering. Should the stain still remain, sponge with hydrogen peroxide or hydrogen peroxide plus sodium perborate. (One teaspoon to one pint of peroxide). Or, dip the stain into a solution by adding two teaspoons of sodium hydrosulfite to one pint of water. Rinse promptly and thoroughly.

Q. Can you suggest a good way to prevent baby's bottles from constantly tipping over in the refrigerator?

A. Try storing these bottles in a six-bottle soft-drink carton, which takes a minimum of space in the refrigerator and does provide insurance against spills.

Q. How can I remove some ballpoint ink stains from materials?

A. First put a good absorbent material under the fabric you're going to work on. Then lubricate the stain with petroleum jelly or white mineral oil. Flush the lubricant and as much of the stain as possible with carbon tetrachloride, and repeat until the ink stops "bleeding."

Q. How can I remove some mildew from white linen?

A. Boil the linen in water in which two tablespoons of baking soda have been added for each quart of the water.

Junior Editors Quiz on BOOMERANGS

QUESTION: How does a boomerang work?

★ ★ ★

ANSWER: The boomerang is flat on the bottom with a slightly rounded upper surface like the wing of an airplane. As it spins around and around after being thrown, the airflow on top has a longer way to travel and so exerts less pressure than the air underneath, which is why the boomerang seems to sail until the force of the throw is used up. The Hopi Indians used throwing sticks like this to hunt jackrabbits with, it being possible to throw them 600 feet. Most Australian boomerangs simply fly off toward a target; but natives along the southern Australian coast gave a twist to each arm of their boomerangs. This unbalances the boomerang's flight so that it moves in large circles, finally circling back to the thrower, who if very expert, can grab it out of the air. Throwing boomerangs is very interesting and is a lot of fun, but it is also very dangerous, and we can't recommend it as a pastime. A boomerang is apt to fly off in some direction you haven't planned and it goes so fast that it might maim or even kill a bystander.

★ ★ ★

FOR YOU TO DO: While it's dangerous to try out a full sized boomerang made of heavy material, you can try one cut out of light cardboard with the arms about 8 inches long. Even with such a boomerang be careful that there is no one in the way when you throw it.

School Opens At St. Luke's

The St. Luke's Church School of St. Luke's Episcopal Church of Georgetown began regular meetings Sunday morning at 10:30 after a lapse for the summer.

Regular worship services also opened Sunday night at 7 for the fall and winter. Worship was held at noon during the summer.

Mr. and Mrs. James McHaffie and family, Mrs. Parkley McHaffie and Mrs. O. C. Zimmerman attended funeral services Thursday in Kittanning for Harry Zimmerman, Mrs. James McHaffie's uncle.

Mr. and Mrs. Elmer Laughlin and family, Mr. and Mrs. Donald Laughlin and family and Mary Oliver Laughlin have ended a visit in Uniontown and Marienville.

Recent guests of the Elmer Laughlins were Mr. and Mrs. Harry Reckner and family and Mr. and Mrs. Robert Laughlin, all of Glenmoor.

Mr. and Mrs. Samuel Calhoon of Mt. Lebanon visited here Thursday.

Mr. and Mrs. Floyd Blake spent the Labor Day weekend with their parents, Mr. and Mrs. Ray Blake of Glen Easton, and Mrs. Mary Durbin of Cameron, and their grandparents, Mr. and Mrs. Roy Simms of Moundsville.

Mr. and Mrs. Holland Morris have named their new daughter Sharon Marie.

2 Held As Police Find Charleston Narcotics Supply

CHARLESTON, W.Va. (AP) — An investigation of more than a year's duration has resulted in seizure of narcotics valued at $35,000 on the illegal market and the arrest of two Charleston residents.

Charleston detectives twice visited a house trailer here Monday and found 11 bottles of morphine, dilaudid, cocaine and pantopon hidden in an oil stove and in a bedroom. Police said they also found a quantity of barbituates.

Lt. W. W. Fisher said it is believed the drugs were taken in a burglary of the Arcade Drug Store at Newark, Ohio, Sunday night. Newark police said at least 49 drugs, some of them narcotics, were taken in the burglary as well as $133 in cash.

Arrested here on a charge of possession of narcotics was Jack Edward Harper, 41. Charged with aiding and abetting in the possession of narcotics was Mary Rayhill, about 44. Police said both have police records and both lived in the trailer.

Officers in Columbus, Ohio, and in Huntington and Parkersburg, as well as Charleston police, have been working on the case.

Ohio GOP Airs Party's Platform

COLUMBUS, Ohio (AP)—Ohio Republicans hold public hearings today on the platform to be presented at Wednesday's state convention for adoption.

Senate Majority Leader C. Stanley Mechem of Nelsonville will preside at the hearings in the Deshler Hilton Hotel.

Adoption of the platform will be the major business of the one-day convention opening at 2 p. m. Wednesday in the RKO Palace Theater with Willard W. Brown, GOP candidate for mayor of Cleveland, the permanent chairman.

Highlight of the convention will be an address by Congressman William E. Miller of New York, Republican national chairman, over a 12-station television network starting at 8:30 p.m. A six-station radio hookup also will carry the half hour broadcast.

About 3,000 are expected to attend the convention, nearly 2,000 of them delegates, alternates, candidates and state and local party leaders.

Churchmen Entertain Wives With Steak Fry

Wives were special guests at an outing held by the Light and Life Fellowship of the Oakland Free Methodist Church Saturday evening at the Rochester District Campground on Anderson Blvd. A steak fry was featured.

The meal was prepared by Kenneth Campbell, president of the men's group, Frank Seevers and James Heldreth, who also was in charge of entertainment.

Business was conducted by Campbell. Prayer was offered by the Rev. S. H. Estel, pastor.

The next meeting is Oct. 13. The place will be announced.

Democrats May Snub Cincinnati Candidate

CINCINNATI (AP)—The Hamilton County Democratic Executive Committee is considering the County Policy Committee's recommendation not to endorse Richard D. Kennedy's candidacy for congressman-at-large.

Kennedy, of Cleveland, has been in hot water because of his civil rights views ever since his surprise victory in the May 8 primary.

Hints *from* Heloise

— By Heloise Cruse —

DEAR HELOISE: Let's face it. . . the laundry seems to be a big problem for most women. I think I have solved my problem and I save time and money and wear and tear on myself by . . . going to the automatic laundry and doing all of my wash in one half hour . . . whether it be one, 5 or 10 loads of wash!

If the weather is bad, I even dry it there. Otherwise, on sunny days I take it home and dry it outside in the nice sunshine.

By going to the automatic laundry, I can put in as many loads as I want to at one time. All are done within the required 25 or 30 minutes. This saves all day drudgery by loading and unloading one machine. By the time I figure my electric bill, water, wear and tear on myself (that costs plenty of money and energy), I find it is well worthwhile.

By using this method, I get my ironing done the same day and then I'm finished with my laundry for the week.

Most women iron the hard things such as shirts and dresses first. . . I do them last. Usually, you have a lot of flat things and I feel if they are done and out of the way, the rest doesn't seem as much to do in the damp bag.

READER

Lint Hint

DEAR HELOISE: I hope this hint will save housewives as much trouble and expense as it has me. This is one of my own inventions.

I have an electric clothes dryer with a lint trap. This is the way I clean it: I empty the lint trap and lay it aside, then I take my husband's back-scratcher and reach in all the crevices and sides for the excess lint and it cleans it out like magic!

GLADYS

Pewter Puzzles

DEAR HELOISE: I have several lovely pieces of pewter.

I have called local jewelry shops and they cannot tell me how to keep it clean. Does anyone know how to get the darkness off the pewter? I would appreciate any answer I get.

MRS. E. PESICA

-:-

Does anyone know how to clean pewter? I am sure I have been using the wrong method for 20 years! I will appreciate you sending your answers on a postcard or letter to Heloise, in care of The Review.

HELOISE

Three In One

DEAR HELOISE: When boiling potatoes, I always cook three times the amount needed.

I mash one-third for the immediate meal. I cut one-third of the batch in pieces for potato salad and mash the last third and shape them into potato patties!

I find that I can make three dishes in the same time it usually takes to make one. The potatoes for the salad can be refrigerated and the patties frozen! Only one dirty pan and meals for three days.

FRIENDLY

Court Income Falls By $263

Municipal Court's overall revenue and the city's share declined slightly in August from July's totals, Clerk Wilbur J. Harmon reported today.

The court's revenue last month totaled $3,845, down $263 from the $4,111 received in July. The city's share was $3,659, a drop of $95 from the $3,754 it received in July, Harmon said in his monthly report.

The amount turned over to the city included $649 in costs from civil actions, $2,938 in fines, costs and forfeitures from criminal cases, and $72 as its share of State Highway Patrol fines and forfeits.

The court also turned over $72 to the state treasurer from patrol cases, $16 to the county treasurer for state cases and $101 to the Law Library Association.

The court handed $11,574 last month, compared to $8,193 in July, a gain of $3,381. The total last month included $7,172 in the civil division and $4,402 in the criminal branch.

A case breakdown showed 60 civil cases filed, 46 disposed of and 232 pending; 45 city criminal cases filed, 48 disposed of, and 40 pending, and 30 state criminal cases filed, 27 disposed of, and 107 pending.

Keep In Trim

By IDA JEAN KAIN

Home Cooperation Helps Dieter

Although the men followed the Prudent Diet Regime recommended by the New York City Health Department, it was the cooperation at home that made it possible.

Ida Jean Kain

Homemakers, join the discussion. As cook of the family you are in a key position to put into practice the research findings which may help prevent coronary heart disease.

The American diet is excessively high in calories and more than 40 per cent of them come from fat, mostly saturated. The desirable ratio of fats in the diet can be accomplished without much hardship by eliminating or lessening those foods known to be high in saturated fats — butter, cheese made from whole milk, hydrogenated shortenings, visible meat fat, very fat meats, whole milk and ice cream.

—:—

FOODS HIGH in polyunsaturated fats were emphasized — liquid vegetable oils, margarines containing substantial amounts of vegetable oils of high linoleic acid content, mayonnaise, fish, seafood and poultry.

In the Prudent Diet the stipulated amount of oil(corn oil) is three tablespoons daily, to be used in cooking and at the table.

Perhaps knowing some of the difficulties experienced by the Anti - Coronary Club members will be helpful. The biggest hurdle was limiting the size of portions and frequency of serving of meats containing high proportions of saturated fats, such as beef, mutton and pork. So, homemakers, you might wish to brush up on your gourmet cooking of chicken, turkey, shrimp, fish and veal.

The problem in restaurant eating was to limit the choice of entree to broiled, baked or boiled seafood, or to poultry.

If your family doesn't have to count calories too closely, cakes and pies may be included. However, these will have to be made at home with oil.

The men participating did not find it easy to give up Danish pastry, coffee cake, cookies and pie when the wives did not offer a substitute.

—:—

SOME MEN missed the ice cream, but water ices and an occasional sherbet topped off a meal for them.

The N.Y.C. Health Department promises: "Following the Prudent Diet can be a wonderfully exciting way of eating. And the greatest benefits will be derived by starting as early in life as possible."

The lower incidence of heart disease among the New York test group is a "clear cut demonstration" that diets low in the fats which cause cholesterol formation may help prevent coronary disease, the New York researchers said.

Tomorrow: The Menu Pattern.

Rep. Vanik Won't Run For Cleveland Mayor

CLEVELAND (AP)—U.S. Rep. Charles A. Vanik says he won't run for mayor of Cleveland in November. The Democratic congressman from the 21st District had been considered a possible candidate.

Democrats Ralph Locher, who became mayor after Anthony J. Celebrezze was appointed to President' Kennedy's cabinet, and Ohio Atty. Gen. Mark McElroy already are in the race.

Pall Mall's natural mildness is so good to your taste!

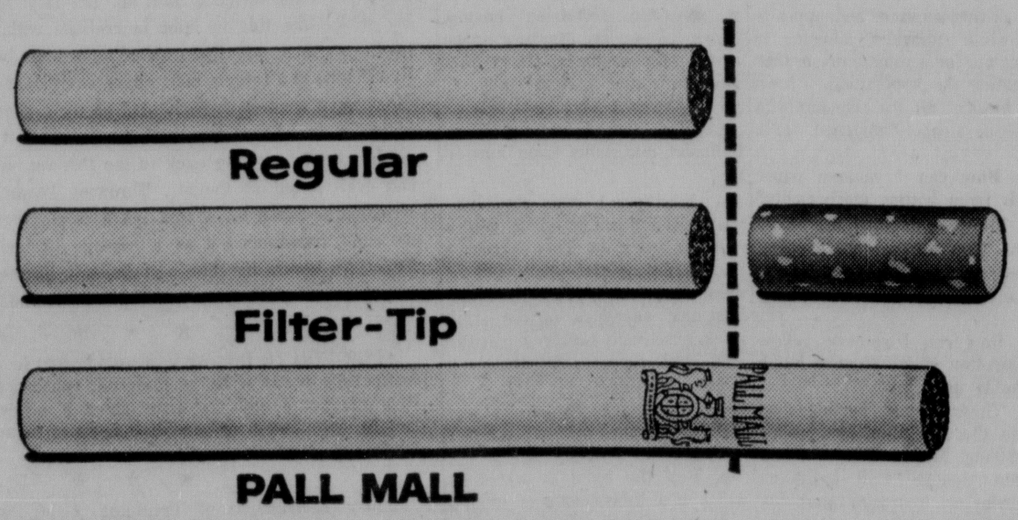
So smooth, so satisfying, so downright smokeable!

© A. T. Co. Product of The American Tobacco Company — "Tobacco is our middle name"

Compare all three! Smoke "traveled" through fine tobacco tastes best!

See the difference! With Pall Mall, you get that famous length of the finest tobaccos money can buy. Pall Mall's famous length travels and gentles the smoke naturally...over, under, around and through Pall Mall's fine, mellow tobaccos. Makes it mild... but does not filter out that satisfying flavor!

Outstanding...and they are Mild!



School Opens At St. Luke's

The meal was prepared by Kenneth Campbell, president of the men's group, Frank Seevers and James Heldreth, who also was in charge of entertainment.

Business was conducted by Campbell. Prayer was offered by the Rev. S. H. Estel, pastor.

The next meeting is Oct. 13. The place will be announced.

Democrats May Snub Cincinnati Candidate

CINCINNATI (AP)—The Hamilton County Democratic Executive Committee is considering the County Policy Committee's recommendation not to endorse Richard D. Kennedy's candidacy for congressman-at-large.

Kennedy, of Cleveland, has been in hot water because of his civil rights views ever since his surprise victory in the May 8 primary.

Hints *from* Heloise

— By Heloise Cruse —

DEAR HELOISE: Let's face it. . . the laundry seems to be a big problem for most women. I think I have solved my problem and I save time and money and wear and tear on myself by . . . going to the automatic laundry and doing all of my wash in one half hour . . . whether it be one, 5 or 10 loads of wash!

If the weather is bad, I even dry it there. Otherwise, on sunny days I take it home and dry it outside in the nice sunshine.

By going to the automatic laundry, I can put in as many loads as I want to at one time. All are done within the required 25 or 30 minutes. This saves all day drudgery by loading and unloading one machine. By the time I figure my electric bill, water, wear and tear on myself (that costs plenty of money and energy), I find it is well worthwhile.

By using this method, I get my ironing done the same day and then I'm finished with my laundry for the week.

Most women iron the hard things such as shirts and dresses first. . . I do them last. Usually, you have a lot of flat things and I feel if they are done and out of the way, the rest doesn't seem as much to do in the damp bag.

READER

Lint Hint

DEAR HELOISE: I hope this hint will save housewives as much trouble and expense as it has me. This is one of my own inventions.

I have an electric clothes dryer with a lint trap. This is the way I clean it: I empty the lint trap and lay it aside, then I take my husband's back-scratcher and reach in all the crevices and sides for the excess lint and it cleans it out like magic!

GLADYS

Pewter Puzzles

DEAR HELOISE: I have several lovely pieces of pewter.

I have called local jewelry shops and they cannot tell me how to keep it clean. Does anyone know how to get the darkness off the pewter? I would appreciate any answer I get.

MRS. E. PESICA

-:-

Does anyone know how to clean pewter? I am sure I have been using the wrong method for 20 years! I will appreciate you sending your answers on a postcard or letter to Heloise, in care of The Review.

HELOISE

Three In One

DEAR HELOISE: When boiling potatoes, I always cook three times the amount needed.

I mash one-third for the immediate meal. I cut one-third of the batch in pieces for potato salad and mash the last third and shape them into potato patties!

I find that I can make three dishes in the same time it usually takes to make one. The potatoes for the salad can be refrigerated and the patties frozen! Only one dirty pan and meals for three days.

Court Income Falls By $263

Municipal Court's overall revenue and the city's share declined slightly in August from July's totals, Clerk Wilbur J. Harmon reported today.

The court's revenue last month totaled $3,845, down $263 from the $4,111 received in July. The city's share was $3,659, a drop of $95 from the $3,754 it received in July, Harmon said in his monthly report.

The amount turned over to the city included $649 in costs from civil actions, $2,938 in fines, costs and forfeitures from criminal cases, and $72 as its share of State Highway Patrol fines and forfeits.

The court also turned over $72 to the state treasurer from patrol cases, $16 to the county treasurer for state cases and $101 to the Law Library Association.

The court handed $11,374 last month, compared to $8,193 in July, a gain of $3,381. The total last month included $7,172 in the civil division and $4,402 in the criminal branch.

A case breakdown showed 60 civil cases filed, 46 disposed of and 232 pending; 45 city criminal cases filed, 48 disposed of, and 40 pending, and 30 state criminal cases filed, 27 disposed of, and 107 pending.

Keep In Trim

By IDA JEAN KAIN

Home Cooperation Helps Dieter

Although the men followed the Prudent Diet Regime recommended by the New York City Health Department, it was the cooperation at home that made it possible.

Ida Jean Kain

Homemakers, join the discussion. As cook of the family you are in a key position to put into practice the research findings which may help prevent coronary heart disease.

The American diet is excessively high in calories and more than 40 per cent of them come from fat, mostly saturated. The desirable ratio of fats in the diet can be accomplished without much hardship by eliminating or lessening those foods known to be high in saturated fats — butter, cheese made from whole milk, hydrogenated shortenings, visible meat fat, very fat meats, whole milk and ice cream.

—:—

FOODS HIGH in polyunsaturated fats were emphasized — liquid vegetable oils, margarines containing substantial amounts of vegetable oils of high linoleic acid content, mayonnaise, fish, seafood and poultry.

In the Prudent Diet the stipulated amount of oil(corn oil) is three tablespoons daily, to be used in cooking and at the table.

Perhaps knowing some of the difficulties experienced by the Anti - Coronary Club members will be helpful. The biggest hurdle was limiting the size of portions and frequency of serving of meats containing high proportions of saturated fats, such as beef, mutton and pork. So, homemakers, you might wish to brush up on your gourmet cooking of chicken, turkey, shrimp, fish and veal.

The problem in restaurant eating was to limit the choice of entree to broiled, baked or boiled seafood, or to poultry.

If your family doesn't have to count calories too closely, cakes and pies may be included. However, these will have to be made at home with oil.

The men participating did not find it easy to give up Danish pastry, coffee cake, cookies and pie when the wives did not offer a substitute.

—:—

SOME MEN missed the ice cream, but water ices and an occasional sherbet topped off a meal for them.

The N.Y.C. Health Department promises: "Following the Prudent Diet can be a wonderfully exciting way of eating. And the greatest benefits will be derived by starting as early in life as possible."

The lower incidence of heart disease among the New York test group is a "clear cut demonstration" that diets low in the fats which cause cholesterol formation may help prevent coronary disease, the New York researchers said.

Tomorrow: The Menu Pattern.

Rep. Vanik Won't Run For Cleveland Mayor

CLEVELAND (AP)—U.S. Rep. Charles A. Vanik says he won't run for mayor of Cleveland in November. The Democratic congressman from the 21st District had been considered a possible candidate.

Democrats Ralph Locher, who became mayor after Anthony J. Celebrezze was appointed to President' Kennedy's cabinet, and Ohio Atty. Gen. Mark McElroy already are in the race.

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!

Compare all three! Smoke "traveled" through fine tobacco tastes best!

See the difference! With Pall Mall, you get that famous length of the finest tobaccos money can buy. Pall Mall's famous length travels and gentles the smoke naturally...over, under, around and through Pall Mall's fine, mellow tobaccos. Makes it mild... but does not filter out that satisfying flavor!

Outstanding...and they are Mild!
